Summer Of The Great Grandmother By L'Engle Madeleine:

The Summer of the Great-Grandmother Madeleine L'Engle, 2016-11-29 A poignant meditation on the bonds between mothers and daughters and the inescapable effects of time from the author of *A Wrinkle in Time* In the second memoir of her *Crosswicks Journals* Madeleine L'Engle chronicles a season of extremes Four generations of family have gathered at Crosswicks her Connecticut farmhouse to care for L'Engle's ninety-year-old mother As summer days fade to sleepless nights her mother's health rapidly declines and her once astute mind slips into senility With poignant honesty L'Engle describes the gifts and graces as well as the painful emotional cost of caring for the one who once cared for you As she spends her days with a mother who barely resembles the competent and vigorous woman who bore and raised her L'Engle delves into her memories reflecting on the lives of the strong women in her family's history Evoking both personal experiences and universal themes *The Summer of the Great Grandmother* takes an unflinching look at diminishment and death all the while celebrating the wonder of life This ebook features an illustrated biography of Madeleine L'Engle including rare images from the author's estate

Madeleine L'Engle Heidi A. Lawrence, 2023-10-20 Using a critical lens derived from ecopsychology and its praxis ecotherapy this book explores the relationships Madeleine L'Engle develops for her characters in a selection of the novels from her three *Time* Austin family and *O Keefe* family series as those relationships develop along a human/nonhuman kinship continuum This is accomplished through an examination both of pairs of novels from the fantastic and the realistic series and of single novels which stand out as slightly different from the most prominent genre in a given series Thus this examination also shows L'Engle's fluid movement along a fantasy/reality continuum and demonstrates the integration of the three series with each other Importantly through examining these relationships and this movement along continuums in these novels the project demonstrates how ecopsychology and ecotherapy provide strong and important and as yet virtually unexplored intersections with children's literature

The Spirituality of Grandparenting Ralph Milton,2007 Our spiritual vocation as grandparents is to delight in our grandchildren So begins Ralph Milton in this latest addition to the beautifully and lavishly illustrated Spirituality of series More than a celebration of grandchildren this book is a celebration of grandparenting and of the very real gifts it offers to both the grandchild and to the grandparent Which is not to say that grandparenting is always easy or fun While Milton shares lots of stories of hugs and giggles of silly songs and tender moments he also knows that many grandparents struggle with the challenge of long distance grand parenting with the pain and tension of separation from grandchildren due to marriage break up and with the anxiety and distress of grandchildren who are in trouble or who are ill But Milton doesn t dwell on these

things Rather he returns always to the delight wonder and love which is foremost in the experience of any grandparent and to the inherent bond that exists between older adults and children This remarkable book is for grandparents who are new to the role and for grandparents who have earned their degree in grandparentology through long experience It s for traditional grandparents and for grandparents of adopted children it s for surrogate grandparents and even for grandparents in waiting
