She also didn't expect to fall in love especially not with a werewolf hunter. Between ravenous werewolf packs, a bloodthirsty family of hunters, and Rylie's battle with her inner wolf, all the odds are stacked against Rylie's love for Seth. But Seth will do anything to be with her, even if it means turning against his family and sacrificing everything. This is a collection of the first four books in the Seasons of the Moon series. It contains Six Moon Summer, All Hallows' Moon, Long Night Moon, and Gray Moon Rising. SIX MOON SUMMER Rylie's been bitten. She's changing. And now she has three months to find a cure before becoming a werewolf forever. Rylie Gresham hates everything about summer camp: the food, the fresh air, the dumb activities, and the other girls in her cabin. But the worst part is probably being bitten by a werewolf. Being a teenager is hard enough, but now she's craving raw flesh and struggles with uncontrollable anger. If she doesn't figure out a way to stop the transformation, then at the end of summer, her life is worse than over. She'll be a monster. ALL HALLOWS MOON The good girl has become the big bad wolf. Rylie survived a werewolf bite. She's moved to her aunt's ranch to enroll in a new school and continue her life, except now she transforms into a monster every moon and struggles to control her murderous urges. Without many werewolves left, it's hard to stay in hiding. A family of hunters, Eleanor Abel, and Seth recognize the signs and follow Rylie to her new home. They want to stop her before she murders someone, and the only way to do it is with a silver bullet. Seth soon realizes the werewolf is Rylie, the one monster he failed to kill. Worse yet, he's still in love with her. Torn between family and love, Rylie struggles to reconcile her feelings and control the wolf within, while Seth fights to do what's right. But what is right: obeying desire or duty? LONG NIGHT MOON Something is killing innocent people around Rylie Gresham's town. The police think it's a wild animal, but she has other suspicions. There are new kids at school, and they have a lot in common with her: gold eyes, super strength, and a habit of turning furry. It seems Rylie's not the only werewolf around anymore. It's up to Rylie and her werewolf hunting boyfriend, Seth, to stop the killings. But saving lives doesn't come naturally to a monster, and territory battles could risk the life of her sickly aunt, not to mention her own. Rylie has no choice but to stand her ground, protect her home, and stop the murders before anyone else gets hurt. GRAY MOON RISING It's been almost a year since Rylie Gresham was bitten by a werewolf on Gray Mountain. Now something is beckoning her back to the place she was attacked, along with every other werewolf in the world. But they aren't the only ones heeding the call. A group of hunters notices them gathering and sees it as their chance to wipe out the entire species. Seth is about to graduate

high school when he learns of the final hunt He secretly plans to save Rylie and his werewolf brother even though he has to play along with the hunters to do it But Rylie doesn't want to be saved She's already decided to solve her problems with a silver bullet if answers aren't waiting on Gray Mountain One way or another everything is about to end whether it means Rylie's liberation or the end of her life dark urban fantasy occult supernatural free fantasy book bargain fantasy book urban dark fantasy paranormal romance werewolves werewolf pack free freebie young adult paranormal keywords urban fantasy paranormal romance urban fantasy romance werewolf romance shapeshifter romance angels demons science fiction romance free urban fantasy novel free books free paranormal exorcist urban fantasy series *Summer of '87* Erik Kratzer, 2014-10-24 Every move I make every decision I employ every thought in my brain and every word I speak are based purely on who I am Who I am is based on the culmination of my reactions and internalization of every situation ever placed in front of me But even with a lifetime of situations and a lifetime of my reactions shaping my outlook on life there is one specific moment that defined me Every other moment bent formed and shaped that definition to finely tweak who I became However fundamentally I was formed from that one moment This is the lead up to that moment When my father moved his family to escape the world and his problems we only saw that new problems arose and the inevitability that the original problems didn't go away they just changed This is my story **An American Summer** Alex Kotlowitz, 2020-03-31 2020 J ANTHONY LUKAS PRIZE WINNER From the bestselling author of *There Are No Children Here* a richly textured heartrending portrait of love and death in Chicago's most turbulent neighborhoods The numbers are staggering over the past twenty years in Chicago 14 033 people have been killed and another roughly 60 000 wounded by gunfire What does that do to the spirit of individuals and community Drawing on his decades of experience Alex Kotlowitz set out to chronicle one summer in the city writing about individuals who have emerged from the violence and whose stories capture the capacity and the breaking point of the human heart and soul The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in America Among others we meet a man who as a teenager killed a rival gang member and twenty years later is still trying to come to terms with what he's done a devoted school social worker struggling with her favorite student who refuses to give evidence in the shooting death of his best friend the witness to a wrongful police shooting who can't shake what he has seen and an aging former gang leader who builds a place of refuge for himself and his friends Applying the close up empathic reporting that made *There Are No Children Here* a modern classic Kotlowitz offers a piercingly honest portrait of a city in turmoil These sketches of those left standing will get into your bones This one summer will stay with you
