Summit Chase:

Summit Chase Warren Murphy, Richard Sapir, 2023-09-01 The small African nation of Scambia is in danger and it doesn't even know it. International syndicates want to create a lawless safe haven for well-heeled criminals and Scambia fits the bill perfectly. But they have a problem: the president of Scambia is a dedicated servant of his country. But the vice president isn't. All that's needed is financial backing, good timing, and a little honour among thieves, and this fragile democratic nation will fall. What the criminals won't count on is Remo Williams. Remo is The Destroyer, an ex-cop who should be dead but instead fights for the secret government law enforcement organisation CURE. Trained in the esoteric martial art of Sinanju by his aged mentor Chiun, Remo is America's last line of defence. Breathlessly action-packed and boasting a winning combination of thrills, humour, and mysticism, the Destroyer is one of the bestselling series of all time. *The Married Alpha and His Arrow Volume 1* Amanda K, 2025-04-15 Follow two points of view in this novel from each of the main characters in the second installment of The Ribbon Series. Lexi Scott is Royalty amongst the Hood, a supernatural race that no one has heard of. They are very fast and trained to be deadly. An elite member of her community, she has a moniker: she performs her missions in. She's the Black Arrow. When she came back to town, she connected with her friend Haley Connors. Haley encourages Lexi to start her own business and have something for herself and not just her brother, the leader of the Hood. She's lost at the game of love once already and knows she won't survive another heartbreak. When it turned out her ex-boyfriend was not only not her string but a liar, she felt the sting of his betrayal. Rather than confront him, she's kept her distance in the 3 years since. Now she's back in town and staying for Haley, her brother, and her friends. Alpha Chase Daniels is a werewolf. He's made a name for himself in the supernatural community as a fair man. Feeling judged at every turn for a decision he made when he was eighteen, he is caught in a difficult position. Having married his childhood friend so that she was able to lead her pack, he is now stuck in the marriage that was never more than a piece of paper. Alpha Sophia is dragging her feet, and he finds himself caught up in a situation he never considered. Alpha Chase scents his mate and embarks on a tumultuous journey to resolve his situation with Sophia and give the world to Lexi. Terrified she'll abandon him, he tries to stay away from her in hopes of figuring things out. It's clear life doesn't always go to plan.
