Sumter The First Day Of The Civil War:

Sumter, the First Day of the Civil War Robert Hendrickson, 1990-01-01 Offers a detailed look at the firing on Fort Sumter including its historical background and describes the ironies of the event *Allegiance* David Detzer, 2002 Chronicles the events leading up to the firing of the first shot of the Civil War on April 12 1861 **The Start of the Civil War** Charles River Charles River Editors, 2017-12-19 Includes pictures of important people places and events Includes maps of the battles Includes accounts of the fighting at Fort Sumter and First Bull Run by important generals and leaders who fought there Explains the causes and chain of events that led to the secession of Southern states and the formation of the Confederacy Includes a Bibliography for further reading The secession of the South was one of the seminal events in American history but it also remains one of the most controversial The election of Abraham Lincoln was the impetus for secession but that was merely one of many events that led up to the formation of the Confederacy and the start of the Civil War On December 20 a little more than a month after Republican Abraham Lincoln had been elected the 16th president a convention met in Charleston and passed the first ordinance of secession by one of the United States declaring We the people of the State of South Carolina in convention assembled do declare and ordain that the Union now subsisting between South Carolina and other States under the name of the United States of America is hereby dissolved In January 1861 Mississippi Florida Alabama Georgia Louisiana and Kansas followed South Carolina's lead and the Confederate States of America was formed on February 4 in Montgomery Alabama with former Secretary of War Jefferson Davis inaugurated as its President A few weeks later Texas joined The Confederacy's hope of being let go in peace ended at 4 30 a m on the morning of April 12 1861 when Confederate Brigadier General P G T Beauregard ordered the first shots to be fired at the federal garrison defending Fort Sumter in the Charleston Harbor effectively igniting the Civil War For nearly 36 hours Beauregard's Confederates unleashed a general bombardment from 43 guns and mortars positioned at various points across the Harbor Unable to effectively reply or defend themselves Major Robert Anderson raised the white flag early in the afternoon of April 13 bringing the first battle of the Civil War to a close No casualties were suffered on either side during the dueling bombardments across Charleston Harbor but ironically two U S Army soldiers were killed by an accidental explosion during the surrender ceremonies Fort Sumter is popularly remembered today as the first fighting of the Civil War and a relatively painless battle at that but much of the history before April 12 that led to the shelling of the fort is often overlooked The federal garrison had been stationed there months before the fight carefully watching the secession of South Carolina the buildup of Confederate forces in the region and the actions of the Buchanan Administration and incoming Lincoln administration in the weeks leading up to the bombardment After Fort Sumter the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol of Richmond Lincoln pressed Irvin McDowell to push forward Despite the fact that McDowell knew his troops were inexperienced and unready pressure from the Washington

politicians forced him to launch a premature offensive against Confederate forces in Northern Virginia Today First Bull Run is remembered as the first important land battle of the Civil War but with over 350 killed on each side it was the deadliest battle in American history to date and both the Confederacy and the Union were quickly served notice that the war would be much more costly than either side had believed The Start of the Civil War comprehensively covers all of the events that led to the secession of the South the events that led up to the two historic battles what happened at the battles and their aftermath and legacies Along with pictures and a Bibliography you ll learn about the start of the Civil War like never before **The A to Z of the Civil War and Reconstruction** William L. Richter,2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history
