Sun After Dark Flights Into The Foreign Vintage Departures

Carol Shields

Sun After Dark Flights Into The Foreign Vintage Departures:

Sun After Dark Pico Iyer, 2007-12-18 One of the best travel writers now at work in the English language brings back the sights and sounds from a dozen different frontiers A cryptic encounter in the perfumed darkness of Bali a tour of a Bolivian prison conducted by an enterprising inmate a nightmarish taxi ride across southern Yemen where the men with guns may be customs inspectors or revolutionaries these are just three of the stops on Pico Iyer's latest itinerary But the true subject of Sun After Dark is the dislocations of the mind in transit And so Iyer takes us along to meditate with Leonard Cohen and talk geopolitics with the Dalai Lama He navigates the Magritte like landscape of jet lag a place that no human had ever been until forty or so years ago And on every page of this poetic and provocative book he compels us to redraw our map of the world

In Praise of Retreat Kirsteen MacLeod, 2021-03-30 For readers of Walden Wild Pilgrim at Tinker's Creek A Book of Silence A Gift from the Sea and other celebrations of the inner adventure An utterly engaging dive into our modern ways of retreat where we go why we're drawn and how it's urgent From pilgrim paths to forest cabins and from rented hermitages to arts temples and quiet havens for yoga and meditation In Praise of Retreat explores the pleasures and powers of this ancient practice for modern people Kirsteen MacLeod draws on the history of retreat and personal experiences to reveal the many ways readers can step back from society to reconnect with their deepest selves and to their loftiest aspirations in life In the 21st century disengaging even briefly is seen by many as self-indulgent unproductive and antisocial Yet to retreat is as basic a human need as being social and everyone can benefit whether it's for a weekend a month or a lifetime Retreat is an uncertain adventure with as many peaks and valleys as any mountain expedition except we head inward to recharge and find fresh energy and brave new ideas to bring back into our everyday lives *Espaces en perdition, tome 1* Simon

Harel, 2008-01-24T00:00:00-05:00 Au cœur de cet essai une question toute simple pr domine nous est-il possible d'habiter des lieux précieux des espaces qui nous condamnent une mort lente Cette inquiétude est motivée par la perception anxieuse d'un espace illimité que les expressions mondialisme ou d'localisation qualifient avec difficulté Cette investigation n'est pas métaphorique De manière concrète qu'arrive-t-il aux sujets qui n'ont plus de lieux d'être peine des espaces de survie Est-il possible de créer une nouvelle invention du quotidien cet art de faire que Michel de Certeau disait il y a plus de vingt-cinq ans auquel nous voulons ici rendre hommage Si cet essai a un dessein c'est de braconner au cœur d'une forêt de signes de faire son chemin pour mieux entendre les voix des individus reclus mis aux arrêts Le roulier des récits d'Anton Tchekhov vaut bien la silhouette d'Artaud qui marche sans relâche dans la cour de l'asile de Rodez Les imprécations d'Artaud qui sont autant de prostrations hallucinées peuvent être entendues aujourd'hui les naufrages de La Nouvelle-Orléans les orphelins d'une ville abandonnée par les pouvoirs publics tout cela dit la détresse des sans voix Avec une certaine ambition cet essai veut faire entendre la parole révoltée des petites gens qui peinent à vivre Des Meatpacking Plants de Chicago aux vastes champs de coton du Sud la vie est dure et vous impose d'être un beast of burden ce moins que rien de l'esclavagisme industriel Les images de
