Liberalism at Large Alexander Zevin, 2021-03-23 The path breaking history of modern liberalism told through the pages of one of its most zealous supporters In this landmark book Alexander Zevin looks at the development of modern liberalism by examining the long history of the Economist newspaper which since 1843 has been the most tireless and internationally influential champion of the liberal cause anywhere in the world But what exactly is liberalism and how has its message evolved Liberalism at Large examines a political ideology on the move as it confronts the challenges that classical doctrine left unresolved the rise of democracy the expansion of empire the ascendancy of high finance Contact with such momentous forces was never going to leave the proponents of liberal values unchanged Zevin holds a mirror to the politics and personalities of Economist editors past and present from Victorian banker essayists James Wilson and Walter Bagehot to latter day eminences Bill Emmott and Zanny Minton Beddoes Today neither economic crisis at home nor permanent warfare abroad has dimmed the Economist s belief in unfettered markets limited government and a free hand for the West Confidante to the powerful emissary for the financial sector portal onto international affairs the bestselling newsweekly shapes the world its readers as well as everyone else inhabit This is the first critical biography of one of the architects of a liberal world order now under increasing strain **Ernest Hemingway's The Sun Also Rises** Harold Bloom, 2007 Contains critical analyses of Ernest Hemingway s *The Sun Also Rises* and includes an introduction by Harold Bloom author biographical sketch thematic and structural analysis of the work a list of characters and an annotated bibliography *Ernest Hemingway's The Sun Also*

Rises Linda Wagner-Martin, 2002 Opening up discussions of war sexuality personal angst and national identity The Sun also Rises symbolises modernism both in theme and style This volume contains critical essays on the novel by eminent Hemingway scholars *Museums, History and Culture in Malaysia* Abu Talib Ahmad, 2014-10-10 During the half century following Malaysian independence in 1957 the country's National Museum underwent a transformation that involved a shift from serving as a repository for displays of mounted butterflies and stuffed animals and accounts of the colonial experience to an overarching national narrative focused on culture and history These topics are sensitive and highly disputed in Malaysia and many of the country's museums contest the narrative that underlies displays in the National Museum offering alternative treatments of subjects such as Malaysia's pre Islamic past the history and heritage of the Melaka sultanate memories of the Japanese Occupation national cultural policy and cultural differences between the Federation's constituent states In *Museums History and Culture in Malaysia* Abu Talib Ahmad examines museum displays throughout the country and uses textual analysis of museum publications along with interviews with serving and retired museum officers to evaluate changing approaches to exhibits and the tensions that they express or sometimes create In addition to the National Museum he considers museums and memorials in Penang Kedah Perak Selangor Kuala Lumpur Sabah Kelantan and Terengganu as well as memorials dedicated to national heroes such as former Prime Ministers Tunku Abdul Rahman and Tun Abdul Razak Hussein and film and recording artist P Ramlee The book offers rich and fascinating insights into differing versions of the country's character and historical experience and efforts to reconcile these sometimes disparate accounts *The Sun Also Rises* Ernest Hemingway, 2022-01-04 Hemingway's classic novel of post war disillusionment the emblematic novel of the Lost Generation now available for the first time from Penguin Classics in a beautiful Graphic Deluxe Edition featuring flaps deckled edges and specially commissioned cover art by R Kikuo Johnson and a new introduction by Amor Towles the multimillion copy bestselling author of *The Lincoln Highway* *A Gentleman in Moscow* and *Rules of Civility* A Penguin Classics Graphic Deluxe Edition with flaps and deckle edged paper It's the early 1920s in Paris and Jake a wounded World War I veteran working as a journalist is hopelessly in love with charismatic British socialite Lady Brett Ashley Brett however settles for no one an independent liberated divorcee all she wants out of life is a good time When Jake Brett and a crew of their fellow expatriate friends travel to Spain to watch the bullfights both passions and tensions rise Amid the flash and revelry of the fiesta each of the men vies to make Brett his own until Brett's flirtation with a confident young bullfighter ignites jealousies that set their group alight An indelible portrait of what Gertrude Stein called the Lost Generation the jaded decadent youth who gave up trying to make sense of a senseless world in the disaffected postwar era *The Sun Also Rises* Ernest Hemingway's beloved first novel is a masterpiece of modernist literature and one of the finest examples of the distinctly spare prose that would become his legacy to American letters **The Killswitch** Ian Parson, 2022-10-04 50 years ago two little boys set out in the world At the same time companies begin using computers Aiden and Stevie don't fit in the

grey society of the 1970s but when punk rock explodes across the land misfits like them are welcomed with open arms The scene is intoxicating the music the camaraderie the you can do anything philosophy Encouraged they follow their dreams But sometimes dreams can become nightmares While Aiden gets involved with East German spies and Stevie becomes a part of a street gang computers become smarter and the internet arrives But the billionaires controlling the network haven't had enough they know whoever controls the killswitch controls the Internet and they want that power Now the fate of mankind rests in the hands of two dodgy old punks Our heroes are battle weary and intimidated by modern technology they need someone younger to answer the call There is someone who has the right attitude and the skills but he isn't convinced the human race deserves to be saved Soon the three find themselves racing against time and impossible odds and they are the only hope we've got

Japan 1868-1945 Takao Matsumura, John Benson, 2014-09-25 The history of Imperial Japan from the Meiji Restoration through to defeat and occupation at the end of the Second World War is central to any understanding of the way in which modern Japan has developed and will continue to develop in the future This wide ranging accessible and up to date interpretation of Japanese history between 1868 and 1945 provides both a narrative and analysis Describing the major changes that took place in Japanese political economic and social life during this period it challenges widely held views about the uniqueness of Japanese history and the homogeneity of Japanese society

Bending Adversity David Pilling, 2014-03-13 An excellent book The Economist Financial Times Asia editor David Pilling presents a fresh vision of Japan drawing on his own deep experience as well as observations from a cross section of Japanese citizenry including novelist Haruki Murakami former prime minister Junichiro Koizumi industrialists and bankers activists and artists teenagers and octogenarians Through their voices Pilling's *Bending Adversity* captures the dynamism and diversity of contemporary Japan Pilling's exploration begins with the 2011 triple disaster of earthquake tsunami and nuclear meltdown His deep reporting reveals both Japan's vulnerabilities and its resilience and pushes him to understand the country's past through cycles of crisis and reconstruction Japan's survivalist mentality has carried it through tremendous hardship but is also the source of great destruction It was the nineteenth century struggle to ward off colonial intent that resulted in Japan's own imperial endeavor culminating in the devastation of World War II Even the postwar economic miracle the manufacturing and commerce explosion that brought unprecedented economic growth and earned Japan international clout might have been a less pure victory than it seemed In *Bending Adversity* Pilling questions what was lost in the country's blind aborted climb to 1 With the same rigor he revisits 1990 the year the economic bubble burst and the beginning of Japan's lost decades to ask if the turning point might be viewed differently While financial struggle and national debt are a reality post growth Japan has also successfully maintained a stable standard of living and social cohesion And while life has become less certain opportunities in particular for the young and for women have diversified Still Japan is in many ways a country in recovery working to find a way forward after the events of 2011 and decades of slow growth *Bending Adversity* closes with a reflection

on what the 2012 reelection of Prime Minister Shinzo Abe and his radical antideflation policy might mean for Japan and its future. Informed throughout by the insights shared by Pilling's many interview subjects, *Bending Adversity* rigorously engages with the social, spiritual, financial, and political life of Japan to create a more nuanced representation of the oft-misunderstood island nation and its people. The Financial Times' David Pilling quotes a visiting MP from northern England, dazzled by Tokyo's lights and awed by its bustling prosperity: "If this is a recession, I want one. Not the least of the merits of Pilling's hugely enjoyable and perceptive book on Japan is that he places the denunciations of two allegedly lost decades in the context of what the country is really like and its actual achievements." The Telegraph's UK Pilling, the Asia editor of the Financial Times, is perfectly placed to be our guide, and his insights are a real rarity when very few Western journalists communicate the essence of the world's third largest economy in anything but the most superficial ways. Here there is a terrific selection of interview subjects mixed with great reportage and fact selection; he does get people to say wonderful things. The novelist Haruki Murakami tells him, "When we were rich, I hated this country well written." Valuable. Publishers Weekly starred A probing and insightful portrait of contemporary Japan.

Haunted by Waters Mark Browning, 2014-08-27. Four essential questions: Why does one fish? How should one properly fish? What relations are created in fishing? And what effects does fishing have on the future? *Haunted by Waters* is a self-examination by the author as he constructs his own narrative and tries to answer these questions for himself. But it is also a thorough examination of the answers he uncovers in the course of reading what's been written on the subject. As his own story unfolds, Mark Browning analyzes angling literature from the Bible to Norman Maclean, always bringing his inquiry back to the same source: the enigma of this sport. *Haunted by Waters* is an exploration of the apparent compulsion of those who fish not only to read about the sport but to write about it as well. Mark Browning's personal account as a fly fisherman and his perspective as a critic make him uniquely qualified to navigate these waters.

Japan and China in East Asian Integration Lim Hua Sing, 2008. Provides analyses on the politico-economic relationship between Japan and China and a comparison of economic strengths between China and India in East Asian economic integration. Provides an overall analysis on East Asian economic integration, including some observations on the recent development and future prospects of the region.

Dictionary of Real People and Places in Fiction M.C. Rintoul, 2014-03-05. Fascinating and comprehensive in scope, the *Dictionary of Real People and Places in Fiction* is a valuable source for both students and teachers of literature and for those interested in locating the facts behind the fiction they read. In a single scholarly volume, it provides intriguing

insight into the real identity of people and places in the novels of over 300 American and British authors published in the nineteenth and twentieth centuries **The Myth of American Eclipse** Alfred Balk,1990-01-01 In this title the respected public affairs journalist Alfred Balk refreshingly and authoritatively challenges the new orthodoxy Drawing on economic analyses and the perspective of thoughtful social researchers and government leaders abroad Balk presents a challengingly different thesis and one calculated to enliven current foreign and domestic policy debate *Preparing for the Twenty-First Century* Paul Kennedy,2011-07-06 Kennedy's groundbreaking book *The Rise and Fall of the Great Powers* helped to reorder the current priorities of the United States Now he synthesizes extensive research on fields ranging from demography to robotics to draw a detailed persuasive and often sobering map of the very near future a bold work that bridges the gap between history prophecy and policy **Romantic Sobriety** Orrin N. C. Wang,2011-09-01 Winner 2011 Jean Pierre Barricelli Prize International Conference on Romanticism This book explores the relationship among Romanticism deconstruction and Marxism by examining tropes of sensation and sobriety in a set of exemplary texts from Romantic literature and contemporary literary theory Orrin N C Wang explains how themes of sensation and sobriety along with Marxist related ideas of revolution and commodification set the terms of narrative surrounding the history of Romanticism as a movement The book is both polemical and critical engaging in debates with modern thinkers such as Paul de Man Jacques Derrida Walter Benn Michaels and Slavoj i ek as well as presenting fresh readings of late eighteenth and early nineteenth century writers including Wordsworth Kant Shelley Byron Bront and Keats *Romantic Sobriety* combines deeply complex close readings with a broader reflection on Romanticism and its implications for literary study It will interest scholars who study Romanticism from a number of perspectives including those interested in bodily and social consumption the roles of addiction and abstinence in literature the connection between literary and visual culture the intersection of critical theory and Romanticism and the relationships among language historical knowledge and political practice
