the center of the resort towns growing tourism industry It was a destination point for anyone coming to the Grand Strand Here you could stroll the Boardwalk play arcade games make faces in fun mirrors ride rides dance the Carolina Shag or sit on a bench and watch everyone else do all of the above The Pavilion underwent several incarnations The first ones were wooden and vulnerable but the final was concrete and seemingly indestructible standing for nearly 60 years Hardly an architectural marvel what the Pavilion lacked in grandeur it made up for in pure old fashioned fun The beloved structure and its rides fell prey to economics and a wrecking ball in 2006 Flashes of Life Mildred Lee West,2009-05-27 Many are going through trials and disappointments and feel that they are in a mold with nothing more to fold although there are reasons to fear there are also many reasons to hope for freedom from the mold and hope that better ways of living will soon unfold Believe that there are still many rainbows with inlays of your favorite colors just as there are for others so continue with the faith that some day soon joy will flick within your heart like the flame of a candle thats freshly lit and your face will be fashioned with a smile as you view many days with bright sun ray as you go about your way Trials and disappointments tap into our inner strength therefore inner strength and wisdom are evidence of trails and disappointments and through wisdom we learn more ways to endure *SunWise* ,2008 1 CD ROM in English 1 CD ROM in Spanish containing over 50 standards based cross curricular activities posters videos poligy guidelines fact sheets brochures story and activity books and more
