Sun Angel:

Extinct Birds Julian P. Hume, 2017-08-24 A comprehensive review of the hundreds of bird species that have become extinct over the last 1 000 years of habitat degradation over hunting and rat introduction *Extinct Birds* has become the standard text on this subject covering both familiar icons of extinction as well as more obscure birds some known from just one specimen or from travellers tales This second edition is expanded to include dozens of new species as more are constantly added to the list either through extinction or through new subfossil discoveries The book is the result of decades of research into literature and museum drawers as well as caves and subfossil deposits which often reveal birds long gone that disappeared without ever being recorded by scientists while they lived From Great Auks Carolina Parakeets and Dodos to the amazing yet almost completely vanished bird radiations of Hawaii and New Zealand via rafts of extinction in the Pacific and elsewhere this book is both a sumptuous reference and astounding testament to humanity s devastating impact on wildlife

[Angelswiki - A Dictionary of Angels](#) Raymond McMahon, 2009-09-26 This dictionary was written to help people learn who the Angels are and show how they can be asked for assistance and guidance Angels always want to help and can be called upon to bring happiness into our lives This book is not a religious book as Angels are prepared to work with anyone regardless of their religious beliefs or opinions Many of us are aware of the main Archangels Michael Gabriel Raphael and Uriel but there are many other Angels who want to help You will see that in this book every page is dedicated to a different Angel so you can learn about a new Angel everyday of the year You can also consider the different thoughts of the day which will help you to look at different aspects of your own life in more detail

The Sacred Magic of the Angels David Goddard, 1996-01-01 Humanity shares a universal belief in the existence of spiritual guides and messengers This book mixes esoterica and practical information to teach the reader to contact and benefit from angels in their life It empowers readers with the knowledge to deal with health employment and home
