Rain Malecki discovered dynamic friendships in the midst of her demonic environment *The Unedited Diaries of Carolina Maria de Jesus* Carolina Maria de Jesus,Robert M. Levine,José Carlos Sebe Bom Meihy,1999 Carolina Maria de Jesus book
Quarto de Despejo The Trash Room depicted the harsh life of the slums but it also spoke of the author s pride in her blackness her high moral standards and her patriotism More than a million copies of her diary are believed to have been sold worldwide Yet many Brazilians refused to believe that someone like de Jesus could have written such a diary with its complicated words some of them misused and often lyrical phrasing as she discussed world events Doubters prefer to believe the book was either written by Aud ulio Dantas the enterprising newspaper reporter who discovered her or that Dantas rewrote it so substantially that her book is a fraud With the cooperation of de Jesus daughter recent research shows that although Dantas deleted considerable portions of the diary as well as a second one every word was de Jesus But Dantas did create a different Carolina from the woman who coped with her harsh life by putting things down on paper This book sets the record straight by providing detailed translations of de Jesus unedited diaries and explains why Brazilian elites were motivated to obscure her true personality and present her as something she was not It is not only about the writer but about Brazil as recorded by her sarcastic pen The diary entries in this book span from 1958 to 1966 five years beyond text previously known to exist They show de Jesus as she was preserving her Joycean stream of consciousness language and her pithy characterizations **Literature-Based Teaching in the Content Areas** Carole Cox,2011-01-12 Forty classroom
