Morning and Evening Meditations from the Word of God Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God **Duroc-Jersey Swine Record**
