Sun Soul Child Speaks:

Sun Soul Child Speaks Lila Wheeler Duckett,2001-02 Around the corner lives the broken world of the Ives family An unmistakable factor that through a slip in time shatters lives leaving futures intertwined and forever changed Now grown rooted in love with ever growing seeds of hope and bravery still unknown Katie must forge a life for herself Yet a Big City proves to be a small world when her life is once again tangled with that of long ago and another Ives at the helm But always darkness waits teetering in the balance of life and death As tragedy circles back Katie must relive the past Finally when the darkness has gone a skeleton shall rise and live corpses will rest in peace and evil will reign in another realm *Speaking with Angels* Iris Paxino,2023-05-15 If you wish to learn you may learn I go now and will come again And yet I am always with you This was the conclusion to a surprising message that psychologist Iris Paxino received from a bright angelic entity who appeared to her unannounced radiating a comforting warmth filled light The angel s words left her awestruck and deeply moved Paxino had long had the gift of knowing angels but it was immediately apparent to her that this special encounter marked a new beginning She was in no doubt that she did indeed want to learn and thus began a lively intense dialogue that offered an abundance of insights into the work of angels She discovered that in addition to our guardian angel each of us has a circle of twelve angels who accompany us throughout life and beyond death that we have double and shadow angels and that families communities and social groups have their own angels as do specific landscapes In a series of intimate and enlightening conversations Paxino relates knowledge about these and other types of spiritual beings Angels suffer in sympathy with the earth and stand by us in the dark times of human existence Despite everything they do not condemn but love us with such devotion that we can scarcely comprehend it *The Anthroposophical Soul Calendar and the Incarnation Cycle of Man* Roland Schrapp,2021-01-14 This book takes a completely new look at the Anthroposophical Soul Calendar It is about the deeper meaning of the fifty two weekly verses which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner A dense veil of Isis was spread over them of which is well known that no mortal person can lift it Only the immortal psycho spiritual human being who knows himself at home in the extrasensory higher worlds is capable of doing this Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual cosmic realms until he reaches the experience of God from where he gradually descends again into a new life on Earth enriched in spirit and fertilized in his soul If the reader embarks on this journey the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ By many quotations from Rudolf Steiner s lectures and books the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses **The 'Royal star' readers for mixed schools. Standard i. Standard i,ii,iv-vi. [With] Home lesson book for no.1 (-6).** Thomas Nelson & Sons,1887 **Psychic Children Speak to the World** James F. Twyman,2025-09-12 His amazing adventure to discover the psychic children of Bulgaria was the subject

of bestselling author and musician James Twyman's book *Emissary of Love*. Nearly ten years later this new edition revisits that extraordinary journey to discover a timeless message that would transform the world. In 2000 while giving a talk in a private home Twyman encountered an extraordinary ten year old boy named Marco. He touched Twyman's finger and suddenly Twyman could bend spoons with the power of his mind, read thoughts and transmit thoughts to others. Marco said that there were other special children like him in a monastery in the mountains of Bulgaria which led Twyman to southern Europe and further adventures. In the process he learned that the children had a message for all the world and that he was to be the one to deliver that message. The message: Love creates miracles.
