Sundays Are For Murder:

Sundays Are for Murder Marie Ferrarella, 2012-10-15 A serial killer who strikes on Sundays is back in business and workaholic FBI agent Charlotte Charly Dow will do anything to catch him For Charly the investigation is personal Her sister was one of the victims murdered during the psychopath s vicious killing spree The tragedy destroyed Charly s family even sending her mother into a mental institution Now Charly has a new partner agent Nick Marshall who is just as reluctant as she is when it comes to trusting other people Nick has his own problems He s emotionally detached and has enough skeletons in his closet to keep him from sleeping at night However investigating the serial killer keeps him plenty occupied and Charly herself is fast turning into a compelling distraction But bodies keep showing up and someone knows Nick has a secret

Perfect Victims Bill James, 2011-07-07 The Black Dahlia case The Manson murders The Zodiac Killer The slaughter of JonBenet Ramsay These killings among many others in Bill James s astonishing chronicle of the history of American crime have all created a frenzy of interest and speculation about human nature And while many of us choose to avoid the news about gruesome murders Bill James contends that these crime stories which create such frenzy and have throughout history are as important to understanding our society culture and history as anything we may consider to be a more serious subject The topic envelopes our society so completely we almost forget about it James looks at the ways in which society has changed by examining the development of how crimes have been committed investigated and prosecuted The book takes on such issues as the rise of an organized police force the controversial use of the death penalty the introduction of evidence such as fingerprinting and DNA and the unexpected ways in which the most shocking crimes have shaped the criminal justice system and our perceptions of violence

Murder in Montague Glen Sample Ely,2020-08-27 On a sweltering August night in 1876 Methodist minister William England his wife Selena and two of her children were brutally slaughtered in their North Texas home Acting on Selena's deathbed testimony a neighbor his brother in law and a friend were arrested and tried for the murders Murder in Montague tells the story of this gruesome crime and its murky aftermath In this engrossing blend of true crime reporting social drama and legal history author Glen Sample Ely presents a vivid snapshot of frontier justice and retribution in Texas following the Civil War The sheer brutality of the Montague murders terrified settlers already traumatized by decades of chaos violence and fear from the deadly raids of Comanche and Kiowa Indians to the terrors of vigilantes lynchings and Reconstruction lawlessness But the crime's aftermath involving five Texas governors five trials at Montague and Gainesville five appeals to the Texas Court of Appeals and three life sentences at hard labor in the state's abominable and inhumane prison system offered little in the way of reassurance or resolution Viewed from any perspective the 1876 England family murders were both a human tragedy and a miscarriage of justice Combining the long view of history and the intimate detail of true crime reporting Murder in Montague deftly captures this moment of reckoning in the story of Texas as vigilante justice grudgingly gave way to an established system of law and order **Murder at the Mine** Jamie L. Adams,2023-06-06 From author Jamie L Adams comes a modern Wild West murder in a cozy California ghost town Lily Cranston is eager to return to her hometown and get a do over on life She'll be among old friends with loving family and as the new manager of the Calico Rock Mine and Ghost Town she's excited to take on the challenge of turning the old west town back into the premier tourist destination she remembers from her childhood But Lily's happy homecoming takes an unexpected turn when one of the Calico Rock reenactors turns up dead murdered in the ghost town Bill Stevens was anything but beloved to the staff and volunteers at the Calico Rock Mine Womanizer liar and cheat are all words Lily finds being used to describe the dead man But when one of Lily's old friends suddenly emerges as the number one suspect Lily finds herself digging into the dead man's past and finding secrets buried deeper than the old mine itself While her Chief of Police brother in law and the handsome CSI who is a close family friend and possibly becoming more than just a friend both warn Lily off the case she's determined to prove her friend innocent and unmask the real killer Can she solve the mystery save her friend and stay alive Or will the ghost town claim

another victim Complicated characters a twisty mystery and a heartfelt romance what s not to love about this series Gemma Halliday New York Times bestselling author *The Library of Anglo-Catholic Theology* ,1850 New York Magazine ,1976-02-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Latin American Journalism** Michael B. Salwen,Bruce Garrison,2013-11-05 Produced to fill a gap in current knowledge about the state of journalism in Latin America this timely book chronicles how recent changes toward democratization and privatization in the region have influenced mass media industries and the practice of journalism Written as a tribute to earlier books about the development and status of Latin American news organizations this text provides a readable overview of journalism in the area Unlike those in previous works these chapters are divided by issues and subject matter instead of by nations and regions Each chapter concludes with a spotlight case study to illustrate the reading material These features along with several easy to follow tables topical examples suitable for class discussions and a variety of sources including original interviews with media professionals all combine to form the most up to date book currently available on this constantly changing subject
