Sunderland Museum The Peoples Palace In The Park:

Sunderland Museum L. Jessop,1996 **Magpies, Squirrels and Thieves** Jacqueline Yallop,2012-04-01 During the Victorian age British collectors were among the most active passionate and eccentric in the world This book tells the stories of some of the 19th century s most intriguing collectors following their perilous journeys across the globe in the hunt for rare and beautiful objects From art connoisseur John Charles Robinson to the aristocratic scholar Charlotte Schreiber who ransacked Europe for treasure and from London s fashionable Pre Raphaelite circle to pioneering Orientalists in Beijing Jacqueline Yallop plunges us into the cut throat world of the Victorian mania for collecting **Encyclopedia of Library and Information Sciences** John D. McDonald,Michael Levine-Clark,2017-03-15 The Encyclopedia of Library and Information Sciences comprising of seven volumes now in its fourth edition compiles the contributions of major researchers and practitioners and explores the cultural institutions of more than 30 countries This major reference presents over 550 entries extensively reviewed for accuracy in seven print volumes or online The new fourth edition which includes 55 new entire and 60 revised entries continues to reflect the growing convergence among the disciplines that influence information and the cultural record with coverage of the latest topics as well as classic articles of historical and theoretical importance

Reflections of the Japanese Education System in Britain Mari Hiraoka,2024-10-28 This book explores British reflections of Japanese education between 1858 and 1914 by referring to accounts by British observers derived from documentary sources such as newspapers journal articles published books and official reports Hiraoka argues that British attitudes and comments on Japanese education reflect concerns about their own education system International economics and politics of the time as well as the voices of the Japanese are also taken into account British interpretations of the advantages of Japanese education are explained with two seemingly contradictory views traditions inherited in Japan and modern institutions newly introduced using the Western model The book illustrates how this dual view of Japan affected the rise and fall of British interest in Japanese education over half a century It also explores a broad range of phenomena educational reforms legislation and practice science networks exhibitions international trade and military affairs to observe how Japanese education was viewed by the British It consults a wide range of primary sources most of which are published or digitally archived Shedding new light on the transnational history of the educational relationship between Japan and Britain this book will be an attractive base for future researchers in the fields of history of education cultural history and comparative education Antiquities of Sunderland and Its Vicinity Sunderland Antiquarian Society (Durham).,1909 **The British National Bibliography** Arthur James Wells,1996
