**The Kidnap Murder Case** S. S. Van Dine, 2021-08-24 When a playboy is abducted the highly educated detective reveals himself as a gun fighter who can pump hot lead with the best of them The New York Times Recently returned from a refreshing sojourn in Egypt and on his way out the door to enjoy a dog show Philo Vance is stopped in his tracks by a visit from the New York district attorney Notorious gambler and ne'er-do-well Kaspar Kenting has been kidnapped from his uptown home and the culprits are demanding that the fifty thousand dollar ransom be left inside a hollow tree at midnight But things don't go well and the sophisticated and aristocratic detective is about to pick up a pistol and get down in the muck with some very unpleasant characters in this witty suspenseful Golden Age mystery classic Mr Van Dine's amateur detective is the most gentlemanly and probably the most scholarly snooper in literature Chicago Daily Tribune [Hungover](#)

Shaughnessy Bishop-Stall, 2018-11-20 Bishop Stall insists that hangovers are worthy of a cure After years of dogged research around the globe he finds one just in time for the holidays Washington Post An irreverent well-oiled memoir Bishop Stall packs his book with humorous and enlightening asides about alcohol The Wall Street Journal One intrepid reporter's quest to learn everything there is to know about hangovers trying all of the cures he can find and explaining how and if they work all so rest of us don't have to We've all been there One minute you're fast asleep and in the next you're tumbling from dreams of deserts and demons into semi-consciousness mouth full of sand head throbbing You're hungover Courageous journalist Shaughnessy Bishop Stall has gone to the front lines of humanity's age-old fight against hangovers to settle once and for all the best way to get rid of the aftereffects of a night of indulgence short of not drinking in the first place Hangovers have plagued human beings for about as long as civilization has existed and arguably longer so there has been plenty of time for cures to be concocted But even in 2018 little is actually known about hangovers and less still about how to cure them Cutting through the rumor and the myth Hungover explores everything from polar bear swims to saline IV drips to the age-old hair of the dog to let us all know which ones actually work And along the way Bishop Stall regales readers with stories from humanity's long and fraught relationship with booze and shares the advice of everyone from Kingsley Amis to a man in a pub

Abracadabra David Kranes, 2017-11-01 Abracadabra is a fantastical and inventive addition to the tradition of noir writing which not only delights and surprises at every turn but also raises important questions about identity the human condition the nature of evil and the state of the union The novel begins with a mystery when Mark Goodson a seemingly well adjusted married man disappears during a magic act precipitating a series of events encounters and seemingly inexplicable occurrences which it falls to a former professional football player Elko Wells to weave together into a story that is at once compelling and true The concussion that ended Wells playing career left him open to hearing voices and discerning patterns of meaning helpful to his work as the owner of a missing persons agency He also owns a celebrity look alike agency which complicates matters in humorous ways and his reliance on a string of cocktail waitresses called the Bloody Marys who are on the lookout for various people adds another level of intrigue Magicians and misdirection gambling down on one s luck the crazed sense of possibility and impossibility mistaken identity impersonators and body doubles people acting bizarrely with all sorts of chaos collisions and overlaps thrown in for good measure Again and again the reader is swept into treacherous waters always confident that the writer is in control of his material Because the many twists and turns the plot takes are all but impossible to anticipate the experience of reading Abracadabra is deliciously magical      **Quies Rocks** Jack Collett, 2024-02-28 Spring 1940 a dense sea fog envelopes the north Cornish coast just south of Trevoze Head and the treacherous Quies rocks Lurking nearby is a German submarine stranded after its engines failed      **Encyclopedia of American Popular Fiction** Geoff Hamilton, Brian Jones, 2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides      *They Gave Me a Seafire* R.
