Sunset At Blandings:

Sunset at Blandings Pelham Grenville Wodehouse, 2000 This is Wodehouse's last unfinished chronicle of Blandings and includes a treasure trove of detailed notes on the final stages of the plot enabling us to watch over his shoulder to observe the master at work The revels at Blandings Castle are now ended but as Richard Osborne confirms delightedly its cloud capped towers shall not dissolve Although written when Wodehouse was ninety three the pages of *SUNSET AT BLANDINGS* remain funny fresh young in heart and full of hammocks sunshine and four pairs of lovers headed for altars *Sunset at Blandings* P. G. Wodehouse, 1977 With the sun finally setting on that wondrous earthy paradise that is Blandings Vicky Underwood finds herself forcibly parted from her beloved Jeff Bennison Her Uncle Galahad turns his not inconsiderable talents to reuniting the love birds Wodehouse's final chronicle of Blandings is unfinished but three Wodehouse admirers have supplied a treasure trove of notes and plot details providing fascinating insights into the mind of the author Copyright Libri GmbH All rights reserved **Sunset at Blandings** P. G. Wodehouse, 1973 **Sunset at Blandings** Pelham Grenville Wodehouse, 1979 *Middlebrow Wodehouse* Ann Rea, 2017-05-15 While he is best known for his Jeeves and Bertie Wooster stories P G Wodehouse was a prolific writer who penned many other novels stories and musical comedy libretti the latter of which played an enormous role in the development of American musical theater This collection re-examines Wodehouse in the context of recent scholarship on the middlebrow attending to his self-conscious relationship to the literary marketplace and his role in moving musical comedy away from vaudeville's lowbrow associations towards the sophistication of the Wodehouse style The focus on the middlebrow creates a critical context for serious critical consideration of Wodehouse's linguistic playfulness and his depictions of social class within England The contributors explore Wodehouse's fiction and libretti in reference to philosophy depictions of masculinity World War I Britain the periodical market ideas of Englishness and cultural phenomena such as men's fashion food culture and popular songwriting Taken together the essays draw attention to the arbitrary divide between high and middlebrow culture and make a case for Wodehouse as a writer whose games with language are in keeping with modernist experimentation with artistic expression *Under Review* Anthony Powell, 1994-07 A splendid book I cannot think of one so calculated to delight intrigue beguile and inform To pick up and browse through it is like meeting some venerable old man of letters comfortably ensconced in his library only to ready to reveal some pear of humor or wisdom about each of the writers he has chosen to deal with Kate Wharton Evening Standard Powell is one of the great novelists of our time much more interested in other people than in his own views and ideas The result is that his extraordinary richness of act and detail also embodies a far more arresting and penetrating quantity of critical judgements on books authors fashions developments than are to be found in the theoretical pronouncement of modern academic criticism John Bayley The Sunday Times These delightful reviews could be said to amount to a latter day Brief Lives David Plante Times Literary Supplement Mindhacker Ron Hale-Evans, Marty Hale-Evans, 2011-08-10

Don't Panic Neil Gaiman, 2018-10-30 The 1 New York Times bestselling author's hilarious idiosyncratic delightful and definitive companion to a global phenomenon Publishers Weekly Douglas Adams's six part trilogy The Hitchhiker's Guide to the Galaxy grew from a blip of a notion into an ever expanding multimedia universe that amassed an unprecedented cult of followers and became an international sensation As a young journalist Neil Gaiman was given complete access to Adams's life times gossip unpublished outtakes and files and became privy to his writing process insecurities disillusionments challenges and triumphs The resulting volume illuminates the unique funny dramatic and improbable chronicle of an idea an incredibly tall man and a mind boggling success story In Don't Panic Gaiman celebrates everything Hitchhiker the original radio play the books comics video and computer games films television series record albums stage musicals one man shows the Great One himself and towels And as Douglas Adams himself attested It's all absolutely devastatingly true except the bits that are lies Updated several times in the thirty years since its original publication Don't Panic is available for the first time in digital form Part biography part tell all parody part pop culture history part guide to a guide Don't Panic deserves as much cult success as the Hitchhiker's books themselves Time Out

The Frodo Jem Roberts, 2014-09-25 As a wise ape once observed space is big vastly hugely mind bogglingly so However if you look too closely at space it becomes nothing but lumps of rock and sundry gases Sometimes it's necessary to take a step back and let a few billion years go by before any of the true wonder and scope of the cosmos becomes apparent Similarly the late 20th century author humorist and thinker Douglas Adams was big vastly hugely and thoroughly mind bogglingly so both in physical terms and as a writer who has touched millions of readers firing up millions of cerebellums all over planet Earth for over 35 years and for nearly half of that time he hasn't even been alive It would be ridiculous to pretend that Douglas Adams's life and work has gone unexamined since his dismayingly early death at 49 but throughout the decade since the last book to tackle the subject the universes Adams created have continued to develop to beguile and expand minds and will undoubtedly do so for generations to come An all new approach to the most celebrated creation of Douglas Adams is therefore most welcome and The Frodo tells the story of Adams's explosive but agonizingly constructed fictional universe from his initial inspirations to the posthumous sequel's and adaptations bringing together a thousand tales of life as part of the British Comedy movements of the late 70s and 80s along the way With the benefit of hindsight and much time passed friends and colleagues have been interviewed for a fresh take on the man and his works
