**Resources in Education**, 1998-12 The Effective School Leader's Guide to Management Jane L. Sigford, 2005-10-07 Discover how to be a successful school leader and manager Exploring 15 vital topics as well as offering strategies and examples Jane L Sigford demonstrates how effective schools are a marriage of management and leadership Organized into three sections management and leadership theories managing the school and managing yourself this resource helps administrators understand the complexity of leadership and addresses the application of effective management skills to create successful learning communities Written for new and veteran school leaders this essential guide Acts as a handbook which contains an overview of individual components of school leadership normally scattered among many textbooks and resources Provides suggested resources for more in depth study Offers individual reflective practice questions throughout for personal use Suggests questions to help facilitate professional development group discussions especially among peers The Effective School Leader's Guide to Management illustrates how school administrators can run a school efficiently balancing their roles as instructional leaders and effective school managers while still having time to improve professional development foster parent and community relationships make data driven decisions and nurture personal growth and leadership

**Managing Today's Schools** Jeffrey Glanz, 2022-02-20 Successful principals today need skills in both management and leadership because both are essential to achieve success in all facets of running a school one is not necessarily more important than the other However there are not many books solely devoted to school management Most work on school management is part of larger works on school administration Managing Today's Schools New Skills for School Leaders in the 21st Century is unique

in that the focus on managerially operating a school does not hinder discussion on the interconnectedness between management and leadership. Additionally, emphasis is placed on 21st century cutting edge ideas about school management. Each chapter includes case study type scenarios with thought provoking questions that simultaneously summarize the chapter while also helping readers think about the ways they might put the ideas of the chapter into practice.
