Paperbound Books in Print, 1984 **First Contact** Frank Tayell, 2022-09-21 For the alien towani Earth is a holy site where their Last Prophecy will be fulfilled They will do anything to protect the planet Protecting humanity is an optional extra In 1888 fleeing starvation in Ireland Sean found work as a guide to the Whitechapel slums for the publisher of grisly penny dreadfuls Not even the most lurid of those tales was as outlandish as his encounter with visitors from another world When they take him back to their home world first contact with a human will change their society forever By 2020 there is a permanent but secret non terrestrial presence on Earth Negotiating our planet's membership in the alien federation and concealing its existence is the responsibility of the UN When the pandemic begins Earth enters lockdown and our solar system is quarantined While technically not a prisoner Serene is no more able to leave the tunnels below the alien embassy in Germany than any of her human cousins locked down above ground Keeping busy with janitorial work one day blurs into the next until she stumbles onto an alien smuggling ring What begins as a hunt for a thief transporting sacred Earth artefacts off world leads to a two thousand year old mystery that threatens to bring war to the entire galaxy By the summer of 2022 Harold Goodwin needs a holiday As camping is all his bookseller's salary can afford he opts for a ramble through the countryside that inspired the novels he so loves Whether by chance or prophecy a poor choice of campsite thrusts him into

the middle of an alien plot to make Earth the next proxy battleground in a century old war Brawl of the Worlds is a light hearted tale of intergalactic war and planet shaping prophecies As booksellers rise and empires fall the hidden history of the galaxy will be revealed Based on real events *Silver Burdett & Ginn Mathematics* ,1992 **Wish You Were Here (Instead of Me)** Frank Tayell,2023-06-06 October 2022 eight weeks after first contact the people of Earth are handling the news of extra terrestrial life rather well Sure there d been some petty rioting light stockpiling and hasty coups but not more so than during the pandemic In Oxfordshire tourists flock to the exclusion zone set up around the crashed battle station Nearby in the newly named RAF Space Command Harold Godwin has settled into his new job as a liaison between the British government and the friendly alien federation known as the Valley Aside from giving occasional tours to visiting dignitaries the work isn t arduous until the search for a missing dog leads to the capture of a hostile alien mercenary In Ireland on the outskirts of Cork an international conference has begun The diplomats have been tasked with selecting twenty people to represent Earth on a ceremonial trip to Towan III After two months of bickering they re still arguing over the conference s seating arrangements Patience among the Valley leadership is wearing thin In the intergalactic borderlands between the Valley and the remains of the old empire the Voytay two fleets are in a stand off The Voytay have denied any involvement in the Oxfordshire Incident but Earth is increasingly looking like the spark that will reignite the century old conflict The only hope for peace is to find the remaining enemy agents both human and alien That task falls to Sean O Malley and Greta tol Hakon Not long into the investigation a link is found between the recent attack and the discovery of a spaceship on the outskirts of London in 1895 the invasion of Iraq in 2003 and a tunnel beneath the ruins of Nineveh that predates any calendar Alien anchorites and ancient prophecies collide on Earth and in the furthest corners of the galaxy as the race to stop the war continues
