A Genealogy of the Verse Novel Catherine Addison, 2017-11-06 The present age has seen an explosion of verse novels in many parts of the world Australia is a prolific producer as are the USA and the UK Novels in verse have also appeared in Canada New Zealand India South Africa Jamaica and several other countries A novel written in verse contradicts theories that distinguish the novel as essentially a prose genre The boundaries of prose and verse are however somewhat fluid This is especially evident in the case of free verse poetry and the kinds of prose used in many Modernist novels The contemporary outburst may seem a uniquely Postmodernist flouting of generic boundaries but in fact the verse novel is not new Its origins reach back to at least the eighteenth century Byron's Don Juan in the early nineteenth century was an important influence on many later examples Since its first surge in popularity during the Victorian era it has never died out though some fine examples most of them from the earlier twentieth century have been neglected or forgotten This book investigates the status of the verse novel as a genre and traces its mainly English language history from its beginnings The discussion will be of interest to genre theorists prosodists narratologists and literary historians as well as readers of verse novels wishing for some background to this apparently new literary phenomenon

Slavery and the Post-Black Imagination Bertram D. Ashe, Ilka Saal, 2020-01-06 Honorable Mention for the 2022 Modern Language Association Prize for an Edited Collection Interrogates how artists have created new ways to imagine the past of American slavery From Kara Walker's hellscape antebellum silhouettes to Paul Beatty's bizarre twist on slavery in *The Sellout* and from Colson Whitehead's literal Underground Railroad to Jordan Peele's body snatching *Get Out* this volume offers commentary on contemporary artistic works that present like musical deep cuts some challenging alternate takes on American slavery These artists deliberately confront and negotiate the psychic and representational legacies of slavery to imagine possibilities and change The essays in this volume explore the conceptions of freedom and blackness that undergird these narratives critically examining how artists growing up in the post Civil Rights era have nuanced slavery in a way that is distinctly different from the first wave of neo slave narratives that emerged from the Civil Rights and Black Power Movements *Slavery and the Post Black Imagination* positions post blackness as a productive category of analysis that brings into sharp focus recent developments in black cultural productions across various media These ten essays investigate how millennial black cultural productions trouble long held notions of blackness by challenging limiting scripts They interrogate political as well as formal interventions into established discourses to demonstrate how explorations of black identities frequently go hand in hand with the purposeful refiguring of slavery's prevailing tropes narratives and images

A V Ethel Willis White Book **Representations of Slavery in Children's Picture Books** Raphael Rogers, 2018-05-16 Drawing on critical race theory critical race feminism critical multicultural analysis and intertextuality this book examines how slavery is represented in contemporary children's picture

books Through analysis of recently published picture books about slavery Rogers discusses how these books engage with and respond to the historiography of the institution of slavery Exploring how contemporary writers and illustrators have represented the institution of slavery Rogers presents a critical and responsible approach for reading and using picture books in K 12 classrooms and demonstrates how these picture books about slavery continue to perform important cultural work

Kyle Baker Danzy Senna Nikki Turner and many others The collection is bracketed by a foreword by novelist and graphic artist Mat Johnson one of the most exciting and innovative contemporary African American writers and an afterword by Alice Randall author of the controversial parody *The Wind Done Gone* Together King and Moody Turner make the case that diversity innovation and canon expansion are essential to maintaining the vitality of African American literary studies A compelling collection of essays on the ongoing relevance of African American literature to our collective understanding of American history society and culture Featuring a wide array of writers from all corners of the literary academy the book will have national appeal and offer strategies for teaching African American literature in colleges and universities across the country Gene Jarrett Boston University This book describes a fruitful tension that brings scholars of major reputation together with newly emerging critics to explore the full range of literary activities that have flourished in the post Civil Rights era Notable are such popular influences as hip hop music and Oprah Winfrey s Book Club American Literary Scholarship 2013

The Oxford Anthology of African-American Poetry Arnold Rampersad, Hilary Herbold, 2005-10-01 For over two centuries black poets have created verse that captures the sorrows joys and triumphs of the African American experience Reflecting their variety of visions and styles The Oxford Anthology of African American Poetry aims to offer nothing less than a definitive literary portrait of a people Here are poems by writers as different as Paul Laurence Dunbar and W E B Du Bois Countee Cullen and Langston Hughes Gwendolyn Brooks and Amiri Baraka Rita Dove and Harryette Mullen Yusef Komunyakaa and Nathaniel Mackey Acclaimed as a biographer and editor Arnold Rampersad groups these poems as meditations on key issues in black culture including the idea of Africa the South slavery protest and resistance the black man woman and child sexuality and love music and religion spirituality death and transcendence With their often starkly contrasting visions and styles these poets illuminate some of the more controversial and intimate aspects of the black American experience Poetry here is not only or mainly a vehicle of protest but also an exploration of the complex and tender subtleties of black culture One section offers tributes to celebrated leaders such as Sojourner Truth and Malcolm X but many more reflect the heroism compelled by everyday black life The variety of poetic forms and language captures the brilliant essence of English as mastered by black Americans dedicated to the art of poetry Loving and yet also honest and unsparing The Oxford Anthology of African American Poetry is for readers who treasure both poetry and the genius of black America

A History of African American Autobiography Joycelyn Moody, 2021-07-22 This History explores innovations in African American autobiography since its inception examining the literary and cultural history of Black self representation amid life writing studies By analyzing the different forms of autobiography including pictorial and personal essays editorials oral histories testimonials diaries personal and open letters and even poetry performance media of autobiographies this book extends the definition of African American autobiography revealing how people of African descent have created and defined the Black self in diverse print cultures and literary genres since their arrival in the Americas It illustrates ways African

Americans use life writing and autobiography to address personal and collective Black experiences of identity family memory fulfillment racism and white supremacy Individual chapters examine scrapbooks as a source of self documentation African American autobiography for children readings of African American persona poems mixed race life writing after the Civil Rights Movement and autobiographies by African American LGBTQ writers Into a Light Both Brilliant and Unseen Malin Pereira,2010-12-01 Malin Pereira s collection of eight interviews with leading contemporary African American poets offers an in depth look at the cultural and aesthetic perspectives of the post Black Arts Movement generation This volume includes unpublished interviews Pereira conducted with Wanda Coleman Yusef Komunyakaa Thylas Moss Harryette Mullen Cornelius Eady and Elizabeth Alexander as well as conversations with Rita Dove and Cyrus Cassells previously in print Largely published since 1980 each of these poets has at least four books Their influence on new generations of poets has been wide reaching The work of this group says Pereira is a departure from the previous generation s proscriptive manifestos in favor of more inclusive voices perspectives and techniques Although these poets reject a rigid adherence to a specific black aesthetic their work just as effectively probes racism stereotyping and racial politics Unlike Amiri Baraka s claim in Home that he becomes blacker and blacker positioning race as a defining essence these poets imagine a plurality of ideas about the relationship between blackness and black poetry They question the idea of an established literary canon defining black literature For these poets Pereira says the idea of home is found both in black poetry circles and in the wider transnational community of literature A Sarah Mills Hodge Foundation Publication **The African American Novel in the Early Twenty-First Century** ,2024-12-16 The African American Novel in the Early Twenty First Century comprises fourteen essays each focussing on recent widely known fiction by acclaimed African American authors This volume showcases the originality diversity and vitality of contemporary African American literature which has reached a bewildering yet exhilarating stage of disruption and continuity between today and yesterday homegrown and diasporic identities and local and global interrelatedness Additionally it delves into the complexity of the Black literary imagination and its interaction with broader cultural contexts Lastly it reflects on the evolution of the African American community its tribulations triumphs challenges and prospects Bad Men Howard Rambsy II.,2020-04-01 How have African American writers drawn on bad black men and black boys as creative touchstones for their evocative and vibrant art This is the question posed by Howard Rambsy s new book which explores bad men as a central recurring and understudied figure in African American literature and music By focusing on how various iterations of the bad black man figure serve as creative muse and inspiration for literary production Rambsy puts a wide variety of contemporary African American literary and cultural works in conversation with creativity research for the first time Employing concepts such as playfulness productivity divergent thinking and problem finding Rambsy examines the works of a wide range of writers including Elizabeth Alexander Amiri Baraka Paul Beatty Ta Nehisi Coates Tyehimba Jess Trymaine Lee Adrian Matejka Aaron McGruder Evie Shockley and Kevin Young who have drawn on

notions of bad black men and boys to create innovative and challenging works in a variety of genres Through groundbreaking readings Rambsy demonstrates the fruitfulness of viewing black literary art through the lens of creativity research

Collusions of Fact and Fiction Ilka Saal,2021-12-15 *Collusions of Fact and Fiction* traces a generational shift in late twentieth century African American cultural engagements with the history and legacies of transatlantic slavery With a focus on works by playwright Suzan Lori Parks and visual artist Kara Walker the book explores how in comparison to the first wave of neo slave narratives of the 1970s and 1980s artists of the 1990s and early 2000s tend to approach the past from the vantage point of a liberal entanglement of fact and fiction as well as a highly playful often humorous and sometimes irreverent signifying on entrenched motifs iconographies and historiographies Saal argues that the attempt to reconstruct or recuperate the experience of African Americans under slavery is no longer at stake in the works of artists growing up in the post Civil Rights era Instead they lay bare the discursive dimension of our contemporary understanding of the past and address the continued impact of its various verbal and visual signs upon contemporary identities In this manner Parks and Walker stake out new possibilities for engaging the past and inhabiting the present and future
