Afro American ex slaves comprise the largest body of literature produced by slaves in human history The book consists of
three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as
historical material and essays exploring the narratives as literary artifacts **Memories of the Enslaved** Spencer R.
Crew, Lonnie G. Bunch III, Clement A. Price, 2015-09-15 This book offers a first person perspective on the institution of slavery
in America providing powerful engaging interviews from the WPA slave narrative collection that enable readers to gain a true
sense of the experience of enslavement Today's students understandably have a hard time imagining what life for slaves
more than 150 years ago was like The best way to communicate what slaves experienced is to hear their words directly The
material in this concise single volume work illuminates the lives of the last living generation of enslaved people in the United
States former slaves who were interviewed about their experiences in the 1930s Based on more than 2 000 interviews the
transcriptions of these priceless interviews offer primary sources that tell a diverse and powerful picture of life under slavery
The book explores seven key topics childhood marriage women work emancipation runaways and family Through the
examination of these subject areas the interviews reveal the harsh realities of being a slave such as how slave women were at
the complete mercy of the men who operated the places where they lived how nearly every enslaved person suffered a
beating at some point in their lives how enslaved families commonly lost relatives through sale and how enslaved children
were taken from their parents to care for the children of slaveholders The thematic organizational format allows readers to
easily access numerous excerpts about a specific topic quickly and enables comparisons between individuals in different
locations or with different slaveholders to identify the commonalities and unique characteristics within the system of slavery
