Sebastian Brünink

Slavery And Abolition In Early Republican Peru:

Slavery & Abolition in Early Republican Peru Peter Blanchard,1992 In this work Professor Blanchard examines why slavery managed to survive for more than three decades after Peru declared its independence despite anti slavery legislation passed by the liberators at that time The book focuses on the economics of Peruvian slavery slave life and the abolition movement Slavery and Abolition aims to offer an alternative example of a slavery system to the more familiar examples of the US Brazil and Cuba

The Civil War in the Age of Nationalism Duncan A. Campbell,Niels Eichhorn,2024-04-10 While historians have acknowledged that the issues of race slavery and emancipation were not unique to the American Civil War they have less frequently recognized the conflict s similarities to other global events As renowned historian Carl Degler pointed out the Civil War was one among many such conflicts during the mid nineteenth century Understanding the Civil War s place in world history requires placing it within a global context of other mid nineteenth century political social and cultural issues and events In The Civil War in the Age of Nationalism Niels Eichhorn and Duncan A Campbell explore the conflict from this perspective taking a transnational and comparative approach with a particular focus on the period from the 1830s to the 1870s Eichhorn and Campbell examine the development of nationalism and its frequent manifestation secession by comparing the American experience with that of several other nations including Germany Hungary and Brazil They compare the Civil War to the Crimean and Franco German wars to determine whether the American conflict was the first modern war To gauge the potential of foreign intervention in the Civil War they look to the time s developing international debate on the legality of intercession and mediation in other nations insurgencies Using the experiences of Indigenous peoples in the Americas Africa and the Antipodes Eichhorn and Campbell suggest the extent to which the United States was an imperial project To examine realpolitik they study four vastly different practitioners Otto von Bismarck Louis Napoleon Count Cavour and Abraham Lincoln Finally they compare emancipation in the United States to that in Peru and the end of forced servitude in Russia closing with a comparison of the memorialization of the Civil War with the experiences of other post emancipation societies and an examination of how other nations mythologized their past conflicts and ignored uncomfortable truths in the pursuit of reconciliation The Civil War in the Age of Nationalism avoids the limitations of American exceptionalism making it the first genuine comparative and transnational study of the Civil War in an international context

A Global History of Anti-Slavery Politics in the Nineteenth Century W. Mulligan,M. Bric,2013-05-23 The abolition of slavery across large parts of the world was one of the most significant transformations in the nineteenth century shaping economies societies and political institutions This book shows how the international context was essential in shaping the abolition of slavery

Abolition of Slavery: Oxford Bibliographies Online Research Guide Oxford University Press,2010-06-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online

Echeverri,Cristina Soriano,2023-03-23 Innovatively revisits Latin American independence and its significance for the Age of Atlantic Revolutions Greatest Emancipations Jim Powell,2008-06-24 The Astonishing Story of How Slavery Was Abolished in a Single Century Freeing Over Seven Million Slaves For millennia slavery went unchallenged in principle Then in a remarkable turn of events slavery was eradicated in the span of just one century Greatest Emancipations tells this incredible story focusing on the countries that accounted for the vast majority of slaves in the west Haiti the British Caribbean the United States Cuba and Brazil Author Jim Powell offers surprising insights into the process and tremendous influence that slavery s abolition had on individual societies He reveals that while the eradication of slavery was essential for any free society it wasn t the sole determining factor as some societies that abolished slavery later embraced dictatorships Discover the historical abolition movements and the evolution of democracy that led to the emancipation of over seven million slaves Greatest Emancipations is a compelling look at a pivotal moment in western history exploring the end of slavery and its impact on civil rights equal rights and capitalist developments **A History of Modern Latin America** Teresa A.

Meade,2009-12-21 A History of Modern Latin America 1800 to the Present examines the diverse and interlocking experiences of people of indigenous African and European backgrounds from the onset of independence until today Illustrates and analyzes the major and minor events that shape history the triumphs and defeats and the everyday lives of people of varied classes and racial and ethnic backgrounds Intersperses accounts of the lives of prominent figures with those of ordinary people Emphasizes gender s role in influencing political and economic change and shaping cultural identity Student and instructor resources available at <http://minerva.union.edu/meadet/modernlatinamerica/index.html> Wiley disclaims all responsibility and liability for the content of any third party websites that can be linked to from this website Users assume sole responsibility for accessing third party websites and the use of any content appearing on such websites Any views expressed in such websites are the views of the authors of the content appearing on those websites and not the views of Wiley or its affiliates nor do they in any way represent an endorsement by Wiley or its affiliates Slave No More Aline Helg,2019-02-07 Commanding a vast historiography of slavery and emancipation Aline Helg reveals as never before how

significant numbers of enslaved Africans across the entire Western Hemisphere managed to free themselves hundreds of years before the formation of white run abolitionist movements Her sweeping view of resistance and struggle covers more than three centuries from early colonization to the American and Haitian revolutions Spanish American independence and abolition in the British Caribbean Helg not only underscores the agency of those who managed to become free people of color before abolitionism took hold but also assesses in detail the specific strategies they created and utilized While recognizing the powerful forces supporting slavery Helg articulates four primary liberation strategies flight and marronage manumission by legal document military service for men in exchange for promised emancipation and revolt along with a willingness to exploit any weakness in the domination system Helg looks at such actions at both individual and community levels and in the context of national and international political movements Bringing together the broad currents of liberal abolitionism with an original analysis of forms of manumission and marronage Slave No More deepens our understanding of how enslaved men women and even children contributed to the slow demise of slavery **Slavery in the Modern World** Junius P.

Rodriguez,2011-10-20 This work is the first encyclopedia on the labor practices that constitute modern day slavery and the individuals and organizations working today to eradicate them Slavery in the Modern World A History of Political Social and Economic Oppression helps bring to light an often ignored tragedy opening readers eyes to the devastated lives of those coerced into unpaid labor It is the first and only comprehensive encyclopedia on practices that persist despite the efforts of antislavery advocates nongovernmental organizations and national legislation aimed at ending them Ranging from the late 19th century to the present Slavery in the Modern World examines the full extent of unfree labor practices in use today as well as contemporary abolitionists and antislavery groups fighting these practices and legislative action from various nations aimed at exposing and shutting down slave operations and networks The 450 alphabetically organized entries are the work of over 125 of the world s leading experts on modern slavery Why the Civil War Came Gabor S. Boritt,1997-05-29 In the early morning of April 12 1861 Captain George S James ordered the bombardment of Fort Sumter beginning a war that would last four horrific years and claim a staggering number of lives Since that fateful day the debate over the causes of the American Civil War has never ceased What events were instrumental in bringing it about How did individuals and institutions function What did Northerners and Southerners believe in the decades of strife preceding the war What steps did they take to avoid war Indeed was the great armed conflict avoidable at all Why the Civil War Came brings a talented chorus of voices together to recapture the feel of a very different time and place helping the reader to grasp more fully the commencement of our bloodiest war From William W Freehling s discussion of the peculiarities of North American slavery to Charles Royster s disturbing piece on the combatants savage readiness to fight the contributors bring to life the climate of a country on the brink of disaster Mark Summers for instance depicts the tragically jubilant first weeks of Northern recruitment when Americans on both sides were as yet unaware of the hellish slaughter that awaited them Glenna Matthews underscores the

important war catalyzing role played by extraordinary public women who proved that neither side of the Mason Dixon line was as patriarchal as is thought David Blight reveals an African American world that knew what time it was and welcomed war And Gabor Boritt examines the struggle's central figure Lincoln himself illuminating in the years leading up to the war a blindness on the future president's part an unwillingness to confront the looming calamity that was about to smash the nation asunder William E Gienapp notes perhaps the most unsettling fact about the Civil War that democratic institutions could not resolve the slavery issue without resorting to violence on an epic scale With gripping detail Why the Civil War Came takes readers back to a country fraught with bitterness confusion and hatred a country ripe for a war of unprecedented bloodshed to show why democracy failed and violence reigned

Children of the Father King Bianca Premo, 2006-05-18 In a pioneering study of childhood in colonial Spanish America Bianca Premo examines the lives of youths in the homes schools and institutions of the capital city of Lima Peru Situating these young lives within the framework of law and intellectual history from 1650 to 1820 Premo brings to light the colonial politics of childhood and challenges readers to view patriarchy as a system of power based on age caste and social class as much as gender Although Spanish laws endowed elite men with an authority over children that mirrored and reinforced the monarch's legitimacy as a colonial Father King Premo finds that in practice Lima's young often grew up in the care of adults such as women and slaves who were subject to the patriarchal authority of others During the Bourbon Reforms city inhabitants of all castes and classes began to practice a new politics of the child challenging men and masters by employing Enlightenment principles of childhood Thus the social transformations and political dislocations of the late eighteenth century occurred not only in elite circles and royal palaces Premo concludes but also in the humble households of a colonial city

Who Abolished Slavery? Seymour Drescher, Pieter C. Emmer, João Pedro Marques, 2021-01-11 The past half century has produced a mass of information regarding slave resistance ranging from individual acts of disobedience to massive uprisings Many of these acts of rebellion have been studied extensively yet the ultimate goals of the insurgents remain open for discussion Recently several historians have suggested that slaves achieved their own freedom by resisting slavery which counters the predominant argument that abolitionist pressure groups parliamentarians and the governmental and anti governmental armies of the various slaveholding empires were the prime movers behind emancipation Marques one of the leading historians of slavery and abolition argues that in most cases it is impossible to establish a direct relation between slaves uprisings and the emancipation laws that would be approved in the western countries Following this presentation his arguments are taken up by a dozen of the most outstanding historians in this field In a concluding chapter Marques responds briefly to their comments and evaluates the degree to which they challenge or enhance his view

The Oxford Handbook of Latin American History Jose C. Moya, 2011 This Oxford Handbook comprehensively examines the field of Latin American history

Freedom's Captives Yesenia Barragan, 2021-07 Freedom's Captives offers a compelling narrative driven history of the gradual abolition of slavery in the majority black

Colombian Pacific **The Devil's Milk** John Tully, 2011-02-01 A history of the modern world told through the multiple lives of rubber Capital as Marx once wrote comes into the world dripping from head to foot from every pore with blood and dirt He might well have been describing the long grim history of rubber From the early stages of primitive accumulation to the heights of the industrial revolution and beyond rubber is one of a handful of commodities that has played a crucial role in shaping the modern world and yet as John Tully shows in this remarkable book laboring people around the globe have every reason to regard it as the devil s milk All the advancements made possible by rubber industrial machinery telegraph technology medical equipment countless consumer goods have occurred against a backdrop of seemingly endless exploitation conquest slavery and war But Tully is quick to remind us that the vast terrain of rubber production has always been a site of struggle and that the oppressed who toil closest to the devil s milk in all its forms have never accepted their immiseration without a fight This book the product of exhaustive scholarship carried out in many countries and several continents is destined to become a classic Tully tells the story of humanity s long encounter with rubber in a kaleidoscopic narrative that regards little as outside its range without losing sight of the commodity in question With the skill of a master historian and the elegance of a novelist he presents what amounts to a history of the modern world told through the multiple lives of rubber

Beyond Patriotic Phobias Joshua Savala, 2022-06-21 The War of the Pacific 1879 1883 looms large in the history of Peru and Chile Upending the prevailing historiographical focus on the history of conflict *Beyond Patriotic Phobias* explores points of connection shared between Peruvians and Chileans despite war Through careful archival work historian Joshua Savala highlights the overlooked cooperative relationships of workers across borders including maritime port workers doctors and the police These groups in both countries were intimately tied together through different forms of labor they worked the ships and ports studied and treated disease transmission in the face of a cholera outbreak and conducted surveillance over port and maritime activities because of perceived threats like transnational crime and labor organizing By following the movement of people diseases and ideas Savala reconstructs the circulation that created a South American Pacific world The resulting story is one in which communities classes and states formed transnationally through varied if uneven forms of cooperation

The Japanese in Latin America Daniel M. Masterson, 2024-03-18 Latin America is home to 1.5 million persons of Japanese descent Combining detailed scholarship with rich personal histories Daniel M. Masterson with the assistance of Sayaka Funada Classen presents the first comprehensive study of the patterns of Japanese migration on the continent as a whole When the United States and Canada tightened their immigration restrictions in 1907 Japanese contract laborers began to arrive at mines and plantations in Latin America The authors examine Japanese agricultural colonies in Latin America as well as the subsequent cultural networks that sprang up within and among them and the changes that occurred as the Japanese moved from wage labor to ownership of farms and small businesses They also explore recent economic crises in Brazil Argentina and Peru which combined with a strong Japanese economy caused at least a quarter

million Latin American Japanese to migrate back to Japan Illuminating authoritative research with extensive interviews with migrants and their families The Japanese in Latin America tells the story of immigrants who maintained strong allegiances to their Japanese roots even while they struggled to build lives in their new countries

New Frontiers in the Study of the Global African Diaspora Rita Kiki Edozie, Glenn A. Chambers, Tama Hamilton-Wray, 2018-10-01 This anthology presents a new study of the worldwide African diaspora by bringing together diverse multidisciplinary scholarship to address the connectedness of Black subject identities experiences issues themes and topics applying them dynamically to diverse locations of the Blackworld Latin America the Caribbean Africa and the United States The book underscores three dimensions of African diaspora study First is a global approach to the African diaspora showing how globalism underscores the distinctive role that Africa plays in contributing to world history Second is the extension of African diaspora study in a geographical scope to more robust inclusions of not only the African continent but also to uncharted paths and discoveries of lesser known diaspora experiences and identities in Latin America and the Caribbean Third is the illustration of universal unwritten cultural representations of humanities in the African diasporas that show the distinctive humanities disciplinary representations of Black diaspora imaginaries and subjectivities The contributing authors inductively apply these themes to focus the reader's attention on contemporary localized issues and historical arenas of the African diaspora They engage their findings to critically analyze the broader norms and dimensions that characterize a given set of interrelated criteria that have come to establish parameters that increasingly standardize African diaspora studies

Between Blood and Gold Frédérique Beauvois, 2016-12-01 Today a century and a half after the abolition of slavery across most of the Americas the idea of monetary reparations for former slaves and their descendants continues to be a controversial one Lost among these debates however is the fact that such payments were widespread in the nineteenth century except the victims were not slaves but the slaveholders deprived of their labor This landmark comparative study analyzes the debates over compensation within France and Great Britain It lays out in unprecedented detail the philosophical legal political and economic factors at play establishing a powerful new model for understanding the aftermath of slavery in the Americas

A History of Modern Latin America Lawrence A. Clayton, Michael L. Conniff, 2005 Unfamiliar with Latin American history A HISTORY OF MODERN LATIN AMERICA is written just for you The authors present main theories and analyses of the area's history balancing economic social and cultural views while expertly weaving in the history of minorities women the environment culture literature and art Primary documents begin each chapter offering short glimpses into moments in history and setting the theme for the chapter to follow Maps images bibliographies discussion questions and other study aids are included to help you with research assignments and papers

This book delves into Slavery And Abolition In Early Republican Peru. Slavery And Abolition In Early Republican Peru is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Slavery And Abolition In Early Republican Peru, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Slavery And Abolition In Early Republican Peru
 - Chapter 2: Essential Elements of Slavery And Abolition In Early Republican Peru
 - Chapter 3: Slavery And Abolition In Early Republican Peru in Everyday Life
 - Chapter 4: Slavery And Abolition In Early Republican Peru in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Slavery And Abolition In Early Republican Peru. The first chapter will explore what Slavery And Abolition In Early Republican Peru is, why Slavery And Abolition In Early Republican Peru is vital, and how to effectively learn about Slavery And Abolition In Early Republican Peru.
 3. In chapter 2, this book will delve into the foundational concepts of Slavery And Abolition In Early Republican Peru. The second chapter will elucidate the essential principles that need to be understood to grasp Slavery And Abolition In Early Republican Peru in its entirety.
 4. In chapter 3, the author will examine the practical applications of Slavery And Abolition In Early Republican Peru in daily life. The third chapter will showcase real-world examples of how Slavery And Abolition In Early Republican Peru can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Slavery And Abolition In Early Republican Peru in specific contexts. The fourth chapter will explore how Slavery And Abolition In Early Republican Peru is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Slavery And Abolition In Early Republican Peru. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Slavery And Abolition In Early Republican Peru.
