Sleek For The Long Night:

Ballads of All Nations Reginald Brimley Johnson, 1928 **The Fountain of Maribo, and Other Ballads** George Borrow, 2019-12-20 In *The Fountain of Maribo and Other Ballads* George Borrow crafts a lyrical collection that showcases his fascination with folklore and the vibrant traditions of the Romani people. The text is interspersed with Borrow's characteristic blend of vivid imagery and emotive storytelling, drawing readers into a world where myth and personal narrative interlace. The ballads reflect the socio-cultural milieu of 19th-century Europe, deftly addressing themes of love, loss, and resilience while demonstrating Borrow's adeptness at melding folk elements with his unique narrative voice, resonating with the Romantic literary context of his time. George Borrow, a 19th-century English writer and traveler, was deeply influenced by his experiences with various cultures, particularly the Romani community. His affinity for their plight and customs informed much of his work, as evidenced in his various writings which often challenge societal norms and advocate for cultural understanding. *The Fountain of Maribo* serves as a testament to Borrow's advocacy for the marginalized and showcases his skilled craftsmanship in ballad form, reflecting both his empathy and his keen sense of observation. This collection is highly recommended for readers who seek an engaging exploration of folklore through the lens of a master storyteller. Borrow's nuanced approach not only provides historical insight but also invites readers to reflect on the human experiences that transcend time and culture, making it a significant addition to the canon of literary ballads. **The Works of George**

Black Billionaire Transgender Woman MarthaK Sayz, Ka'milla Harris, 2024-04-06 This story provides an intriguing glimpse into the life of its protagonist Sevyn from her humble beginnings growing up in the Cabrini Green housing projects of Chicago all the way to her current status as a billionaire transgender businesswoman living in an opulent mansion in Dubai. The narrative seamlessly jumps between the present and flashes back to Sevyn's childhood painting a picture of how she has risen from nothing to achieve immense success against all odds. From the very first chapter the author establishes Sevyn as a strong driven woman who hasn't let her past hold her back. We find her waking up beside her loving husband Rich in their sprawling Dubai estate but even amid this life of luxury the scent of coffee and bacon takes her back to memories of her grandmother's kitchen in Cabrini Green. These glimpses into Sevyn's childhood highlight the grit and resilience she developed early on traits that would serve her well on her journey. Despite everything she endured growing up in such an impoverished environment she has never stopped believing in herself or her ability to make her dreams a reality. After reconnecting with memories of her family and upbringing over breakfast Sevyn begins to open up to Rich about her history hinting at secrets from her past that will alter their understanding of who she is. This sets the stage for what is sure to be a revealing tale of Sevyn's journey of self discovery and empowerment. I'm eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence. Her determination to keep striving despite facing adversity serves as an inspiration. That night Sevyn has another taping of her show *SS Diaries* though she neglects practicing her monologue as ghosts from her past resurface. Through the description of her silhouette dancing in the mirror fragments cast by the chandelier the author builds an evocative sense of the inner turmoil Sevyn feels as her demons emerge. But she is able to channel her memories of poverty and homelessness into finding her voice and delivers a passionate speech touching on themes of perseverance that resonates with her massive global audience. After filming Sevyn and Rich retreat to the secret cellar chamber of their mansion where in addition to cannabis and music they keep priceless works of art family portraits and evidence of their philanthropic ambitions. Sevyn's successful career has clearly provided rich material comforts but her history still haunts her as she gazes at photos reminding her of harsher times. Rich remains devotedly by her side supporting her through the resurfacing of painful recollections. Their loving relationship established family and hopes for the future offer rays of light amid the shadows of Sevyn's past that continue emerging. I'm left wanting to know more about the specific hardships she faced and how she was finally able to overcome them. Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit resilience and an unbreakable spirit. The author provides vivid sensory details that transport the reader directly into Sevyn's lavish yet conflicted world. From the scents and sounds that transport her back to her childhood to the reflection of her quivering form in the mirrors as trauma resurfaces one can feel the visceral experience of Sevyn's memories and emotions. The interweaving of flashbacks with the present day also builds engaging dramatic tension making me eager to watch as more of Sevyn's history is revealed piece by piece. Both Sevyn and

Rich come across as complex multilayered characters and I appreciate the glimpses into Rich's background and support of Sevn that help balance the focus on her experiences. Their caring partnership serves as a strong foundation that clearly played a role in helping Sevn achieve all she has. Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity. In summary, this novel introduction draws the reader deeply into Sevn's intriguing world through vivid sensory storytelling and bits of mystery surrounding her past. Both the present day scenes of luxury and the historical flashes back to harder times feel richly realized. Sevn emerges as a compelling protagonist whose journey of perseverance through challenge upon challenge promises to hold inspiration. I look forward to seeing how the author continues to peel back the layers on Sevn's history while advancing the engaging plotlines of her marriage, career, and philanthropic ambitions. This shows great promise as a story of empowerment and overcoming the odds through grit and resilience.

City for Conquest Aben

Kandel, 2017-09-29 F. Scott Fitzgerald's *The Great Gatsby* still captivates readers with its vision of 1920s New York as a city of infinite potential where ambition and defeat live hand in hand. This sentiment is captured with even greater acuity in the pages of Aben Kandel's nearly forgotten masterpiece of urban life, *City for Conquest* (1936). The source of the classic 1940s James Cagney film of the same name, this panoramic New York novel captures the complex patterns of city life vividly, evoking a metropolis of dreams and nightmares. Kandel portrays a volatile city inhabited by the aristocrat, the criminal, the idealist, the bohemian, the driven, the entrapped, and the impoverished, all equally striving to make a dent in this town. The city itself is booming; its new constructions callously built on destruction, supplanting with equal disdain the slums of Brooklyn and the farm fields of the Bronx. This feverish microcosm of humanity inhabits a world of immense inequality where six blocks from Wall Street, people haven't got a dime; six blocks from duplex apartments, people live in hovels; and between the scarlet sore and the apple of the eye, there lay a thick eyebrow of indifference. A literary triumph in the tradition of Stephen Crane's *Maggie*, A. Girl of the Streets, and John Dos Passos' *Manhattan Transfer*, and out of print for far too long, *City for Conquest* is the inaugural work of fiction in Transaction's new Lost Urban Classics series.

Colleen Gleason, 2017-03-21 *Secret History of the Watchers* Timothy Wyllie, 2018-08-14 Writing together with Timothy Wyllie, the angel Georgia details the events of Earth's ancient history in the 8th millennium BC. Reveals how Atlantis had copper mines in North America and tin mines in England, which initiated the Bronze Age and made Atlantis outrageously wealthy. Explains the true purpose of Gobekli Tepe as part of Prince Caligastia's plan to enslave mortal souls. Interwoven with observations about Wyllie's current and previous lives, such as his involvement with the Process Church and his profound near-death experience. After Lucifer's angelic rebellion 203,000 years ago, Earth and 36 other planets were quarantined from the larger Multiverse. Despite aligning with the rebel angels, Georgia, an angel of Seraphic status, was permitted to remain on Earth and continue her role as a Watcher. In this book, Georgia, writing together with Timothy Wyllie,

shares her personal account of Earth in the 8th millennium BCE the first era of Atlantis Georgia shares her experiences being present as Atlantis was recovering from the first of three natural disasters that would ultimately destroy it She reveals how the Atlanteans had become confident mariners beginning to turn to piracy and how Atlantean ships had reached the west coast of North America The copper the Atlanteans mined in North America together with tin from England powered the Bronze Age and initiated the first truly technological civilization on Earth making Atlantis outrageously wealthy Georgia also shows how Gobekli Tepe was an attempt by Prince Caligastia to sabotage the planet s electromagnetic energy grid and interfere with mortal ascension all in order to enslave souls to an endless series of mortal incarnations After Caligastia put this plan into action Georgia found that 70 percent of Atlanteans were now rebel angel incarnates the Multiverse Administration had thwarted his efforts to recycle souls Interwoven with Georgia s narrative of Earth s ancient history are her observations of Timothy Wyllie s current and previous lives including his involvement with the Process Church and his profound near death experience in 1973 Georgia shares her words in part to awaken the 100 million rebel angels currently living their human lives most unaware of their angelic heritage She reveals how a mortal incarnation for a rebel angel is an opportunity to redeem their past and help prepare the way for the imminent transformation of global consciousness as the rebel held planets including Earth are welcomed back into the Multiverse
