Slip Up Fleet Street Scotland Yard And The Great Train Robbery:

Slip-up : Fleet Street, Scotland Yard, and the Great Train Robbery Anthony Delano, Burnaby, 1989-04-13

Slip-up Anthony Delano, 1975 **The Great Train Robbery** Brenda Haugen, Natalie Rosinsky, 2011

Shout and we'll kill you. Threats and violence were part of the Great Train Robbery of 1963. Its loot was at that time the largest amount of cash ever stolen in Britain. The Crime of the Century seemed to be perfectly planned and executed but police aimed to show that they'd find those involved and bring them to justice. Would they succeed or would the daring criminals involved in the crime escape with the cash?

The Great Train Robbery Nick Russell-Pavier, Stewart Richards, 2013-01-10

Definitive account of the famous 1963 Great Train Robbery and its aftermath. In the early hours of Thursday 8th August 1963 at rural Cheddington in Buckinghamshire 2.6 million (50 million today) in unmarked £1 and 10 shilling notes was stolen from the Glasgow to London nightmail train in a daring and brilliantly executed operation lasting just 46 minutes. Quickly dubbed the crime of the century it has captured the imagination of the public and the world's media for 50 years, taking its place in British folklore and giving birth to the myths of The Great Train Robbery. Ronnie Biggs, Buster Edwards and Bruce Reynolds became household names. But what really happened? This is the story of four talented villains who took the criminal world by storm, of the perfect crime. It is also the story of ruthless policemen determined to hunt the robbers down and to make sure nobody slipped through the net, not even the innocent. It is the story of an Establishment under siege and of one mistake which cost the robbers 307 years in prison. Fifty years later here is the story set out in full for the first time: a true life crime thriller and also a vivid slice of British social history.

The Great Train Robbery and the Metropolitan Police Flying Squad Geoff Platt, 2015-03-31

The amazing true story of one of Great Britain's most notorious heists and the crack team that brought the perpetrators to justice. On August 8 1963 a group of fifteen men dressed in military uniforms stopped the Royal Mail train running between Glasgow and London at Sears Crossing in Ledburn. The gang uncoupled the engine and first two cars drove them to a different location and then disappeared with one hundred and twenty mailbags containing more than 2.5 million in used banknotes. A number of books have already been published about England's infamous Great Train Robbery but until now little has been written about the intensive police investigation and the intrepid team that hunted down the criminals responsible. In this riveting true crime chronicle author, journalist and former police detective Geoff Platt explores the execution and aftermath of the brazen criminal enterprise that British newspapers dubbed the Crime of the Century. He introduces readers to members of the elite Flying Squad organized by the Old Grey Fox Det. Chief Superintendent Tommy Butler and details step by step the organization and execution of the massive police inquiry and exposes the mistakes that hindered the robbers and the investigators alike. In addition Platt compares the methods used more than fifty years ago with contemporary crime fighting and forensic techniques to explore how the same investigation would most likely be run today. A fascinating study of crime and detection. *The Great Train Robbery and the Metropolitan Police Flying Squad* shines a brilliant new light on a
