The Boy Explorers on Tiger Trails in Burma Warren Hastings Miller, 1925 The Big Miss Hank Haney, 2012-03-27 The Big Miss is Hank Haney's candid and surprisingly insightful account of his tumultuous six year journey with Tiger Woods during which the supremely gifted golfer collected six major championships and rewrote golf history Hank was one of the very few people allowed behind the curtain He was with Tiger 110 days a year spoke to him over 200 days a year and stayed at his home up to 30 days a year observing him in nearly every circumstance at tournaments on the practice range over meals with his wife Elin and relaxing with friends The relationship between the two men began in March 2004 when Hank received a call from Tiger in which the golf champion asked him to be his coach It was a call that would change both men s lives Tiger only 28 at the time was by then already an icon judged by the sporting press as not only one of the best golfers ever but possibly the best athlete ever Already he was among the world's highest paid celebrities. There was an air of mystery surrounding him an aura of invincibility Unique among athletes Tiger seemed to be able to shrug off any level of pressure and find a way to win But Tiger was always looking to improve and he wanted Hank's help What Hank soon came to appreciate was that Tiger was one of the most complicated individuals he d ever met let alone coached Although Hank had worked with hundreds of elite golfers and was not easily impressed there were days watching Tiger on the range when Hank couldn t believe what he was witnessing On those days it was impossible to imagine another human playing golf so perfectly And yet Tiger is human and Hank's expert eye was adept at spotting where Tiger's perfection ended and an opportunity for improvement existed Always haunting Tiger was his fear of the big miss the wildly inaccurate golf shot that can ruin an otherwise solid round and it was because that type of blunder was sometimes part of Tiger's game that Hank carefully redesigned his swing mechanics Hank's most formidable coaching challenge though would be solving the riddle of Tiger's personality Wary of the emotional distractions that might diminish his game and put him further from his goals Tiger had developed a variety of tactics to keep people from getting too close and not even Hank or Tiger's family and friends for that matter was spared the treatment Toward the end of Tiger and Hank s time together the champion s laser like focus began to blur and he became less willing to put in punishing hours practicing a disappointment to Hank who saw in Tiger s behavior signs that his pupil had developed a conflicted relationship with the game Hints that Tiger hungered to reinvent himself were present in his bizarre infatuation with elite military training and in a development Hank didn t see coming in the scandal that would make headlines in late 2009 It all added up to a big miss that Hank try as he might couldn't save Tiger from There's never been a book about Tiger Woods that is as intimate and revealing or one so wise about what it takes to coach a superstar athlete **Through Black Spruce** Joseph Boyden, 2009-03-19 A haunting novel of love identity and loss from the internationally acclaimed author of Three Day Road Beautifully written and startlingly original Through Black Spruce takes

the considerable talents of Canadian novelist Joseph Boyden to new and exciting heights This is the story of two immensely compelling characters Will Bird a legendary Cree bush pilot who lies comatose in a remote Ontario hospital and Annie Bird Will s niece a beautiful loner and trapper who has come to sit beside her uncle s bed Broken in different ways the two take silent communion in their unspoken kinship revealing a story rife with heartbreak fierce love ancient feuds mysterious disappearances murders and the bonds that hold a family and a people together From the rugged Canadian wilderness to the drug fueled glamour of the Manhattan club scene this is thrilling atmospheric storytelling at its finest Rolin, 2007-01-01 Their generation was anything but lost at least in the beginning Filled with fiery ambition and idealistic to a fault they found their voice in the Paris of 1968 and were intent on exposing the powers of repression and the demons of Western capitalism and what really was the difference by any means But the acts of violence misfired the principles of Marxism and Maoism became emptied of meaning and the casualties mounted The protagonist Martin is now middle aged his group The Cause is disbanded his best friend has committed suicide and he finds he must try to explain to the man s daughter who they were what they thought they were doing and what happened Paper Tiger takes place during one night that this unlikely couple spends driving around Paris as they revisit a somewhat distant past This odyssey is adroitly evoked by Rolin's long fluid sentences as they reflect the car's route past the sundry signs of the past and advertisements of the present dotting the Paris beltway This prize winning novel by one of France's most acclaimed writers tells through Martin the elegiac story of a whole generation s coming of age Every Man a Tiger Tom Clancy, Chuck Horner, Tony Koltz, 2008-01-02 The 1 New York Times bestseller updated with additional information on the current Iraq War now in trade paperback General Chuck Horner commanded the U S and allied air assets the forces of a dozen nations during Desert Shield and Desert Storm and was responsible for the design and execution of one of the most devastating air campaigns in history Never before has the Gulf air war planning a process filled with controversy and stormy personalities been revealed in such rich provocative detail In this edition of Every Man a Tiger General Horner looks at the current Gulf conflict and comments **Chasing Tiger** Curt Sampson, 2002-06-03 All eat from the bowl of life Tiger Woods just on the use of air power in Iraq has a bigger spoon So writes Curt Sampson in his ground breaking account of the current state of golf Tiger Woods has changed golf forever His mix of power and skill combines with his extraordinary business savvy to make Woods the biggest global sports figure since Michael Jordan Like Jordan Woods competitive signature is equal parts inspiration and intimidation But what about the other guys It's either catch up or give up for the rest of the golfing world and in Chasing Tiger Curt Sampson exuberantly charts the state of the game as the new century unfolds There are Duval and Mickelson and a host of other stars of course but there are also the junior golfers and their parents corporate America agents instructors fans and the media Just as he did in his controversial bestsellers Hogan and The Masters Sampson digs deep to uncover stories that wouldn't otherwise be told There s the golf course employee in Austin whose admiration for Woods leads him to spend every

waking minute mimicking his hero including the trademark pumping fist only here it s on the practice green There s the awestruck unemployed talk show host who stretches the bounds of good taste and hero worship with his Web site Tigerwoodsisgod com At the other end of the scale is Charles Howell III skinny as a 2 iron a up and coming player who has been tapped by Jack Nicklaus to be the next great challenge to Woods Howell is the anti Tiger a man unfailingly friendly to fans and media recently married opinionated and entirely lacking in caution yet he struggles to earn enough money to make the Tour Curt Sampson has written an affectionate yet wary account of one extraordinary man's impact on the world of sport By turns moving hilarious and eye opening Chasing Tiger is a wonderful addition to the golf canon the Nepaul Frontier James Inglis, 1878 **Tiger & Phil** Bob Harig, 2025-09-23 Bob Harig's Tiger Phil provides an in depth chronicle of the decades long rivalry that drove the success of golf s two biggest stars Tiger Woods and Phil Mickelson For more than two decades there have been two golfers who have captivated bemused inspired frustrated fascinated and entertained us and in doing so have demanded our attention Tiger Woods and Phil Mickelson Even with all the ink that has been spilled on Tiger no one has ever written about his relationship with Phil and how their careers have been inextricably intertwined Furthermore very little has been written about Phil Mickelson who is more than just an adversary He is a fascinating Hall of Fame golfer in his own right These two biggest names and draws in golf have for better and for worse been the ultimate rivals But it is so much more complicated than that Each player has pushed the other to be better They have teased each other and fought They have battled to the bitter end on the course making for some of the greatest moments in the game for the last 20 years They have each gone through injury and health problems legal problems falling in and out of favor with the press And over the course of their time together in the game they have gradually become not just rivals but friends In the tradition of major bestsellers such as Arnie Jack When the Game Was Ours The Rivals and Brady vs Manning Tiger Phil will change the way we look at these players and the game itself Roughneck Alexandra Sellers, 2011-07-15 The secret she kept THE SON HE NEVER KNEW Calla was first and foremost a mother So when the child she loved formed a bond with the enigmatic and exciting Josh Wrangler her every instinct told her to be afraid Because no matter how much she wanted Josh there were some things they couldn't share not if she was going to protect Jonathan the son Josh had never known THE WOMAN HE LOVED Josh Wrangler was falling hard for Calla But despite the passion in her kiss a secret lurked in her eyes Would it keep him from making her the wife he d always wanted and away from the little boy he d just begun to love **Sport and Work on the Nepaul Frontier** James Inglis, 2025-05-14 Sport and Work on the Nepaul Frontier by James Inglis is a captivating exploration of the intersection between adventure and labor in one of the most breathtaking regions of the world This remarkable travel memoir invites readers to journey alongside the author as he navigates the rugged landscapes and vibrant cultures of Nepal a country renowned for its majestic mountains and rich traditions Inglis s narrative is not just about the thrill of outdoor sports it is a profound reflection on the balance between

games From medieval tournaments to village fairs Strutt provides a fascinating look at the recreational activities that shaped English culture over the centuries Reads on Sports Part 2 is a must read for history buffs sports enthusiasts and literary lovers alike Whether you are drawn to the adventurous spirit of Nepal the deep societal themes of Dunbar's novel or the rich historical tapestry of England's pastimes this collection offers a captivating exploration of sports in various forms An incredible collection that blends history literature and sports Each book offers a unique perspective making this a must read for those who love exploring different aspects of sports and society A well curated selection that takes readers on a journey through time and culture The historical insights in Strutt's work were particularly fascinating I wish there was a bit more commentary tying the books together but overall a great read This collection surprised me with its depth The contrast between Inglis's adventurous tales Dunbar's poignant social critique and Strutt's historical research makes for a dynamic reading experience Some parts were a bit dense but definitely worth it A solid collection though the themes vary quite a bit Inglis s book was engaging but Dunbar's novel felt a little slow in parts Still a great choice for readers interested in diverse takes on sports and history Brilliantly curated and incredibly insightful This collection highlights the many ways sports connect to history culture and human experience A fantastic read for anyone looking to explore sports beyond the playing field The Tiger in India J. C. Daniel, 2001 The tiger has always been associated with India as hunting the tiger was the acme of sport hunting Though focused on hunting considerable data is available on its natural history from observant hunters who had to study the habits and behaviour of the animal if they were to stay alive This is the only book that documents over 100 years of archival literature on the history of the tiger from the era when it was considered as an animal not on the verge of extinction but an animal to be exterminated This book contains information on its origin and distribution habitat prey mating habits and the reason for its extinction
