Sly And Able A Political Biography Of James F Byrnes:

Sly and Able David Robertson, 1994 Traces the life of the South Carolina senator describes his role in President Roosevelt's administration and discusses his influence on government policy *Imperialism and Expansionism in American History* Chris J. Magoc, David Bernstein, 2015-12-14 This four volume encyclopedia chronicles the historical roots of the United States current military dominance documenting its growth from continental expansionism to hemispheric hegemony to global empire This groundbreaking four volume encyclopedia offers sweeping coverage of a subject central to American history and of urgent importance today as the nation wrestles with a global imperial posture and the long term viability of the largest military establishment in human history The work features more than 650 entries encompassing the full scope of American expansionism and imperialism from the colonial era through the 21st century War on Terror Readers will learn about U S Native American conflicts 19th century land laws early forays overseas for example the opening of Japan and America's imperial conflicts in Cuba and the Philippines U S interests in Latin America are explored as are the often forgotten ambitions that lay behind the nation's involvement in the World Wars The work also offers extensive coverage of the Cold War and today's ongoing conflicts in Iraq Afghanistan Africa and the Middle East as they relate to U S national interests Notable individuals including American statesmen military commanders influential public figures and anti imperialists are covered as well The inclusion of cultural elements of American expansionism and imperialism for example Hollywood films and protest music helps distinguish this set from other more limited works **The Palmetto State** Jack Bass, W. Scott Poole, 2009 This book presents a concise approach to the major themes and events that define contemporary South Carolina

The South Carolina Encyclopedia Guide to the Governors of South Carolina Walter Edgar, 2012-11-02 The South Carolina Encyclopedia Guide to the Governors of South Carolina documents the lives and careers of the 111 white men and one Indian American woman who have held the Palmetto State's highest office from 1669 to the present This digital South Carolina edition expands the listings from the print encyclopedia to include entries on appointed as well as elected governors and to update the biographies of more recent holders of the office From the first proprietary governor William Sayle to current governor Nikki Haley South Carolina's chief executives have wielded the authority to define the preservation and progress of the state through its complex and storied past with each leaving his or her mark on the dynamic legacy of the governor's office *Red Cloud at Dawn* Michael D. Gordin, 2009-09-29 A NEW YORK TIMES BOOK REVIEW EDITORS CHOICE Following the trail of espionage and technological innovation and making use of newly opened archives Michael D Gordin provides a new understanding of the origins of the nuclear arms race and fresh insight into the problem of proliferation On August 29 1949 the first Soviet test bomb dubbed First Lightning exploded in the deserts of Kazakhstan This surprising international event marked the beginning of an arms race that would ultimately lead to nuclear proliferation beyond the two superpowers of the Soviet Union and the United States With the use of newly opened archives Michael D

Gordin follows a trail of espionage secrecy deception political brinksmanship and technical innovation to provide a fresh understanding of the nuclear arms race

The American South William J. Cooper Jr., Thomas E. Terrill, Christopher Childers, 2016-11-17 In The American South A History Fifth Edition William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States The authors analysis underscores the complex interaction between the South as a distinct region and the South as an inescapable part of America Cooper and Terrill show how the resulting tension has often propelled section and nation toward collision In supporting their thesis the authors draw on the tremendous amount of profoundly new scholarship in Southern history Each volume includes a substantial bibliographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South This volume contains updated chapters and tables

The South Carolina State House Grounds Lydia Mattice Brandt, 2021-05-25 The first comprehensive narrative of the South Carolina state capitol and the history enshrined in its monuments from 1787 to the present The South Carolina State House grounds are a work in progress a cultural landscape of human built and natural components connected physically conceptually and aesthetically As public property the grounds should represent and welcome everyone in the state While it is a beautiful space it is not neutral Over the past two centuries various groups have jostled for political and cultural power and the winners have used the grounds to assert their authority and broadcast political positions on the state s most visible stage These struggles have resulted in a perpetually evolving space In The South Carolina State House Grounds the first comprehensive narrative of this important site at the heart of the Palmetto State Lydia Mattice Brandt details the history of the state capitol and its setting including the national state and local histories enshrined in its monuments from 1787 to the present Brandt argues that generations of private citizens and elected officials who recognized the power of erecting public monuments and buildings that recall certain versions of history have consciously shaped this highly charged visible and public place to assert authority over both the past and present By recounting the intentions behind each element in the landscape this guidebook considers how South Carolinians have used this place as a site of storytelling and mythmaking The South Carolina State House Grounds a chronological history of the state s grandest public space includes more than sixty illustrations that track the site s transformation over more than two centuries Brandt chronicles the events that occurred in and around its buildings the stories of the people memorialized in the grounds monuments and the histories of the monuments themselves

John William McCormack Garrison Nelson, 2017-03-23 In the first biography of U S House Speaker John W McCormack author Garrison Nelson uncovers previously forgotten FBI files birth and death records and correspondence long thought lost or buried For such an influential figure McCormack tried to dismiss the past almost erasing his legacy from the public s mind John William McCormack A Political Biography sheds light on the behind the curtain machinations of American politics and the origins of the modern day Democratic party facilitated through McCormack s triumphs McCormack overcame desperate

poverty and family tragedy in the Irish ghetto of South Boston to hold the second most powerful position in the nation By reinventing his family history to elude Irish Boston s powerful political gatekeepers McCormack embarked on a 1928 1971 House career and from 1939 71 the longest house leadership career Working with every president from Coolidge to Nixon McCormack s social welfare agenda which included Social Security Medicare and Medicaid immigration reform and civil rights legislation helped commit the nation to the welfare of its most vulnerable citizens By helping create the Austin Boston Connection McCormack reshaped the Democratic Party from a regional southern white Protestant party to one that embraced urban religiously and racially diverse ethnics A man free of prejudice John McCormack was the Boston Brahmin s favorite Irishman the South s favorite northerner and known in Boston as Rabbi John the Jews favorite Catholic

Unconditional Marc Gallicchio,2020-07-02 Publishing on 75th anniversary of the Japanese surrender in September 1945 Unconditional not only offers a narrative of the Japanese surrender in its historical moment but reveals how the policy underlying it poisoned American postwar politics and warped our understanding of World War II for decades Strom Thurmond's America Joseph Crespino,2012-09-04 An engaging authoritative portrait of the former South Carolina governor and senator and analysis of his political career Library Journal This is a thoroughly terrific and important work for it makes clear the continuing impact of Thurmond s legacy on our politics today Doris Kearns Goodwin Pulitzer Prize winner and author of Team of Rivals Joseph Crespino s Strom Thurmond s America is not only an engrossing portrait of a controversial politician who time and time again found himself at the center of momentous political events Thurmond comes off as the Forrest Gump of conservative politics in the words of The New Yorker It is also an insightful account from an expert on postwar American politics about the origins and nature of modern conservatism Though Thurmond is best remembered for his twenty four hour filibuster in opposition to the Civil Rights Act of 1957 Crespino reveals that years before Barry Goldwater and Ronald Reagan he was forging alliances with the Christian Right and taking up the causes of states rights big business and military spending Crespino argues that Thurmond was in fact both a segregationist and a Sunbelt conservative and a pioneer of today s Republican Party As Robert Dallek puts it this book is essential reading for anyone interested in post 1945 American politics An impressive biography Crespino s portrait reveals a flawed egotistical unapologetic headstrong man whose views helped give birth to the contemporary Right and whose legacy continues to influence the GOP Publishers Weekly starred review Insightful masterfully ties together complex historical strands Crespino doesn t make Thurmond likable but that s not his goal His is loftier and more difficult to get beneath the surface of an influential politician in order to shed light on our times Pittsburgh Post Gazette **Mobilizing U.S. Industry in World War II** Alan L. Gropman,1996

With All Deliberate Speed Norman I. Silber,2011-06-22 With All Deliberate Speed is just wonderful It gives the reader fascinating insights into the Roosevelt era the Supreme Court the Justice Department It is funny and endearingly human Three cheers Anthony Lewis New York Times columnist and Pulitzer Prize winning author of Gideon s Trumpet The

fascinating eloquent and skillfully edited oral memoir of a distinguished public servant who was at the epicenter of major legal controversies that his memoir illuminates A major contribution to modern American legal history Richard A Posner With All Deliberate Speed provides an insider's rich account spanning over thirty years of the inner workings of the Supreme Court the Solicitor General's Office and the Federal Trade Commission that anyone seriously interested in a frank behind the scenes view of the federal government should find exceptionally provocative and intriguing Drew Days III Alfred M Rankin Professor of Law Yale University and former Solicitor General of the United States 1993-96 From a modest childhood in Patterson N J Philip Elman rose to become clerk for the great Supreme Court Justice Felix Frankfurter and then to a position in the U S Solicitor General's Office As a member of that office Philip Elman had an exceptional vantage point on one of the most momentous cases in U S Supreme Court history Brown v Board of Education In this oral history memoir of Elman's life With All Deliberate Speed author Norman I Silber reveals the maneuvering that led to the Court's overturning the doctrine of separate but equal Working behind the scenes it was Justice Department attorney Elman who came up with the concept of gradual integration an idea that worked its way into the final decision as the famous phrase with all deliberate speed Though this expression angered those pressing for immediate desegregation Elman claims that it unified a divided Court thus enabling them to stand together against the evil of segregation With All Deliberate Speed records a decisive moment in Supreme Court history but it is also Philip Elman's unforgettable oral memoir the story of his entire career in government service including his work with Attorney General Robert F Kennedy as commissioner of the FTC and his role in founding the modern consumer protection movement which includes the antismoking campaign that put the Surgeon General's warning on cigarette packs At once rich historical testimony and a gripping read With All Deliberate Speed offers a rarely glimpsed insider's understanding of the politics of the American legal system

The American People in the Great Depression David M. Kennedy, 2003-11-20 On October 24 1929 America met the greatest economic devastation it had ever known In this first installment of his Pulitzer Prize winning Freedom from Fear Kennedy tells how America endured and eventually prevailed in the face of that unprecedented calamity Kennedy vividly demonstrates that the economic crisis of the 1930s was more than a reaction to the excesses of the 1920s For more than a century before the Crash America's unbridled industrial revolution had gyrated through repeated boom and bust cycles consuming capital and inflicting misery on city and countryside alike Nor was the alleged prosperity of the 1920s as uniformly shared as legend portrays Countless Americans eked out threadbare lives on the margins of national life Roosevelt's New Deal wrenched opportunity from the trauma of the 1930s and created a lasting legacy of economic and social reform but it was afflicted with shortcomings and contradictions as well With an even hand Kennedy details the New Deal's problems and defeats as well as its achievements He also sheds fresh light on its incandescent but enigmatic author Franklin D Roosevelt Marshalling unforgettable narratives that feature prominent leaders as well as lesser known citizens The American People in the Great Depression tells the story of a resilient nation finding

courage in an unrelenting storm Implacable Foes Waldo Heinrichs, Marc Gallicchio, 2017-05-01 On May 8 1945 Victory in Europe Day shortened to V E Day brought with it the demise of Nazi Germany But for the Allies the war was only half won Exhausted but exuberant American soldiers ready to return home were sent to join the fighting in the Pacific which by the spring and summer of 1945 had turned into a gruelling campaign of bloody attrition against an enemy determined to fight to the last man Germany had surrendered unconditionally The Japanese would clearly make the conditions of victory extraordinarily high In the United States Americans clamored for their troops to come home and for a return to a peacetime economy Politics intruded upon military policy while a new and untested president struggled to strategize among a military command that was often mired in rivalry The task of defeating the Japanese seemed nearly unsurmountable even while plans to invade the home islands were being drawn Army Chief of Staff General George C Marshall warned of the toll that the agony of enduring battle would likely take General Douglas MacArthur clashed with Marshall and Admiral Nimitz over the most effective way to defeat the increasingly resilient Japanese combatants In the midst of this division the Army began a program of partial demobilization of troops in Europe which depleted units at a time when they most needed experienced soldiers In this context of military emergency the fearsome projections of the human cost of invading the Japanese homeland and weakening social and political will victory was salvaged by means of a horrific new weapon As one Army staff officer admitted The capitulation of Hirohito saved our necks In Implacable Foes award winning historians Waldo Heinrichs a veteran of both theatres of war in World War II and Marc Gallicchio bring to life the final year of World War Two in the Pacific right up to the dropping of the atomic bombs over Hiroshima and Nagasaki evoking not only Japanese policies of desperate defense but the sometimes rancorous debates on the home front They deliver a gripping and provocative narrative that challenges the decision making of U S leaders and delineates the consequences of prioritizing the European front The result is a masterly work of military history that evaluates the nearly insurmountable trials associated with waging global war and the sacrifices necessary to succeed **Racing the Enemy** Tsuyoshi Hasegawa, 2006-09-30 With startling revelations Tsuyoshi Hasegawa rewrites the standard history of the end of World War II in the Pacific By fully integrating the three key actors in the story the United States the Soviet Union and Japan Hasegawa for the first time puts the last months of the war into international perspective From April 1945 when Stalin broke the Soviet Japanese Neutrality Pact and Harry Truman assumed the presidency to the final Soviet military actions against Japan Hasegawa brings to light the real reasons Japan surrendered From Washington to Moscow to Tokyo and back again he shows us a high stakes diplomatic game as Truman and Stalin sought to outmaneuver each other in forcing Japan's surrender as Stalin dangled mediation offers to Japan while secretly preparing to fight in the Pacific as Tokyo peace advocates desperately tried to stave off a war party determined to mount a last ditch defense and as the Americans struggled to balance their competing interests of ending the war with Japan and preventing the Soviets from expanding into the Pacific Authoritative and engrossing Racing the Enemy puts the final

days of World War II into a whole new light *Prompt and Utter Destruction, Third Edition* J. Samuel Walker, 2016-06-27 In this concise account of why America used atomic bombs against Japan in 1945 J Samuel Walker analyzes the reasons behind President Truman's most controversial decision Delineating what was known and not known by American leaders at the time Walker evaluates the options available for ending the war with Japan In this new edition Walker incorporates a decade of new research mostly from Japanese archives only recently made available that provides fresh insight on the strategic considerations that led to dropping the bomb From the debate about whether to invade or continue the conventional bombing of Japan to Tokyo's agonizing deliberations over surrender and the effects of both low and high level radiation exposure Walker continues to shed light on one of the most earthshaking moments in history Rising above an often polemical debate the third edition presents an accessible synthesis of previous work and new research to help make sense of the events that ushered in the atomic age

The Eisenhower Years Michael S. Mayer, 2009 The 34th U S president to hold office Dwight D Eisenhower won America over with his irresistible I like Ike slogan Bringing to the presidency his prestige as a commanding general during World War II he worked incessantly during his two terms to ease the tensions of the cold war Pursuing the moderate policies of Modern Republicanism he left a legacy of a stronger and more powerful nation From his crucial role in support of Brown v Board of Education to the National Defense Education Act *The Eisenhower Years* provides a well balanced study of these politically charged years Biographical entries on key figures of the Eisenhower era such as Allen W Dulles Joseph R McCarthy and Rosa Parks combine with speeches such as the Military Industrial Complex speech the Open Skies proposal the disturbance at Little Rock address Eisenhower Doctrine and his speech after the Soviet launch of Sputnik to give an in depth look at the executive actions of this administration

The Stone Court Peter G. Renstrom, 2001-03-06 A comprehensive examination of the rulings key figures and legal legacy of the Stone Court When President Franklin Roosevelt got the chance to appoint seven Supreme Court justices within five years he created a bench packed with liberals and elevated justice Harlan Fiske Stone to lead them Roosevelt Democrats expected great things from the Stone Court But for the most part they were disappointed The Stone Court significantly expanded executive authority It also supported the rights of racial minorities laying the foundation for subsequent rulings on desegregation and discrimination But whatever gains it made in advancing individual rights were overshadowed by its decisions regarding the evacuation of Japanese Americans Although the Stone Court itself did not profoundly affect individual rights jurisprudence it became the bridge between the pre 1937 constitutional interpretation and the new constitutionalism that came after

Roosevelt's Purge Susan Dunn, 2012-05-07 In his first term in office Franklin Roosevelt helped pull the nation out of the Great Depression with his landmark programs In November 1936 every state except Maine and Vermont voted enthusiastically for his reelection But then the political winds shifted Not only did the Supreme Court block some of his transformational experiments but he also faced serious opposition within his own party Conservative Democrats such as

Senators Walter George of Georgia and Millard Tydings of Maryland allied themselves with Republicans to vote down New Deal bills Susan Dunn tells the dramatic story of FDR's unprecedented battle to drive his foes out of his party by intervening in Democratic primaries and backing liberal challengers to conservative incumbents Reporters branded his tactic a purge and the inflammatory label stuck Roosevelt spent the summer months of 1938 campaigning across the country defending his progressive policies and lashing out at conservatives Despite his efforts the Democrats took a beating in the midterm elections The purge stemmed not only from FDR's commitment to the New Deal but also from his conviction that the nation needed two responsible political parties one liberal the other conservative Although the purge failed at great political cost to the president it heralded the realignment of political parties that would take place in the 1960s 1970s and 1980s By the end of the century the irreconcilable tensions within the Democratic Party had exploded and the once solidly Democratic South was solid no more It had taken sixty years to resolve the tangled problems to which FDR devoted one frantic memorable summer

The Decision to Use the Atomic Bomb Gar Alperovitz, 2010-12-29 With a new preface by the author Controversial in nature this book demonstrates that the United States did not need to use the atomic bomb against Japan Alperovitz criticizes one of the most hotly debated precursory events to the Cold War an event that was largely responsible for the evolution of post World War II American politics and culture

If you ally compulsion such a referred **Sly And Able A Political Biography Of James F Byrnes** book that will have enough money you worth, acquire the utterly best seller from us currently from several preferred authors. If you desire to droll books, lots of novels, tale, jokes, and more fictions collections are after that launched, from best seller to one of the most current released.
