Sitting with Warrior Carl Hitchens, 2010-12 As a Marine Corps veteran of an unpopular and divisive war Carl Hitchens contends that *Sitting with Warrior* chronicles not only his journey but America's as well By sitting and listening to Warrior's wisdom he has recovered lost parts of himself This gives America hope for stepping out of the long shadow of Vietnam that today stretches over Iraq and Afghanistan Hope that by sitting with Warrior and his unifying truth America can heal her old wounds Hope that she can draw from her pluralism and diversity unity rather than division out of many one Mr Hitchens weaves together personal history national history and myth into an expose on the Vietnam War seeing it as an epoch of America's evolving consciousness from birth of the nation through its many transitions of giving form to its founding ideals Inner teacher Warrior a Nanticoke warrior of the seventeenth century shares his wisdom with his grandson and in doing so reveals the mystery of the warrior spirit It is by this inner warrior that we self actualize into this ongoing experience of life whereby we learn grow and by courage conquering self doubt become the noble being inside ourselves It is this invisible being seeking objectification through the perfecting of our human potential that we embrace our warrior nature and fight illusion with ultimate truth We are Warrior Warrior's spiritual perspective on war life death the meaning of existence addresses those fundamental questions of human origin and purpose Hitchens' view is both insightful and honoring of life lived and sacrificed in pursuit of higher meaning Drawing on spiritual science and warrior perspective he navigates the reader through the inner workings of the human condition enfolding within it war as an ironic outcropping of consciousness raging for fuller integration
