The Invisible Camorra Felia Allum,2016-09-27 The organized crime group that dominates much of the socioeconomic life of contemporary Naples the Camorra is organized by kin and geography and it is notoriously the most violent fractious and disorganized mafia in Italy The Camorra controls local extortion rackets the drug and counterfeit trades and other legal and illicit activities as well as wielding substantial political influence throughout Naples and its environs Felia Allum has been researching the Camorra for twenty years and in *The Invisible Camorra* she reveals a surprising alteration in Camorra behavior when operatives live outside the Neapolitan base When gang members move away from Naples having been forced out by intense policing and gang competition they are attracted by business opportunities that on the whole fit in with their usual activities When they move to other parts of Western Europe and are therefore no longer criminals simply by virtue of

mafia association as they are in Italy they become largely invisible Gang members avoid the spectacular deployment of violence they merge quietly into local life they keep themselves to themselves and when necessary use legitimate local actors such as lawyers and accountants to further their economic well being Allum has constructed a meticulous description and analysis of Camorra activities abroad To build accounts of the Camorra in Germany and the Netherlands France Spain and the United Kingdom she has interviewed investigating magistrates police officers and confessed criminals done substantial mining of Italian and European police data and made extensive use of judicial investigations court records and transcripts as well as of journalistic accounts The result is the first systematic analysis of the overseas activities of this major criminal organization Army RD & A ,1999 Professional publication of the RD A community **The Small Faces and The Faces** Andrew Darlington,2025-06-20 Small Faces Big Sound There were but four Small Faces First they were the sharp little mod fourpiece of the All Or Nothing Decca years Carnaby Street Ready Steady Go and Rave magazine Then they were the irreverent freakbeat experimentalists of the Immediate years with Tin Soldier Lazy Sunday and classic album Ogdens Nut Gone Flake Their hits were praised covered and imitated by subsequent rock musicians such as Paul Weller and Noel Gallagher When The Small Faces split Steve Marriott formed Humble Pie with Peter Frampton and the rest of the band became The Faces with the addition of future Rolling Stone Ron Wood and vocalist Rod Stewart The Faces became one of the biggest rock bands of the seventies via albums such as A Nod Is As Good As A Wink To A Blind Horse and Ooh La La or worldwide hit Stay With Me When those bands came to a natural end and with Itchycoo Park returned to the top ten The Small Faces reformed for two more albums Were they ill advised or are they ripe for re evaluation The evidence is laid out here For this is the full story song by song from the very start to the end Andrew Darlington is a hack writer a self educated acrobat juggling words Jefferson Airplane musician Grace Slick once politely declined his offer of marriage His latest poetry collection is Tweak Vision The Word Play Solution To Modern Angst Confusion and his Science Fiction Novel In The Time Of The Breaking are both from Alien Buddha Press USA He s also written a biography of Beatles PR Derek Taylor called For Your Radioactive Children Days In The Life Of The Beatles Spin Doctor published by SonicBond who also published his 2021 book The Hollies On Track His writing can be found at Eight Miles Higher <http://andrewdarlington.blogspot.co.uk> *I'm Out of Here: The Memoir of a Drunk* Mike Muri,2015-09-11 What you have in your hands is the story of what author bartender painter raconteur Mike Muri used to be like and it ain t pretty In fact it is one of the most graphic harrowing descriptions of the life of an alcoholic you will ever read If like me you also think it is howlingly funny bitterly perceptive and disturbingly familiar then you may well be an alcoholic too **Army RD & A Bulletin** ,1999-09 *Nova Scotia's Part in the Great War* M.
