Small Time Life:

Famous in a Small Town Viola Shipman, 2023-06-13 A magical tale of destiny and small town charm The summer read you've been waiting for Full of summertime delight and sweet nostalgic charm Famous in a Small Town is a beautiful reminder to fully embrace the magic that lives inside you Heather Webber USA TODAY bestselling author of Midnight at the Blackbird Caf For most of her eighty years Mary Jackson has endured the steady invasion of tourists influencers and real estate developers who have discovered the lakeside charm of Good Hart Michigan waiting patiently for the arrival of a stranger she's believed since childhood would one day carry on her legacy the Very Cherry General Store Like generations of Jackson women before her Cherry Mary as she's known locally runs the community hub part post office bakery and sandwich shop and had almost given up hope that the mysterious prediction she'd been told as a girl would come true and the store would have to pass to a man Becky Thatcher came to Good Hart with her ride or die BFF to forget that she's just turned forty with nothing to show for it Ending up at the general store with Mary is admittedly not the beach vacation she expected but the more the feisty octogenarian talks about destiny the stronger Becky's memories of her own childhood holidays become and the strange visions over the lake she was never sure were real As she works under Mary's wing for the summer and finds she fits into this quirky community of locals she starts to believe that destiny could be real and that it might have something very special in mind for Becky Bursting with memorable characters and small town lore the enchanting new novel from the bestselling author of The Clover Girls is a magical story about the family you're born with and the one you choose Don't miss bestselling author Viola Shipman's charming new novel THE WISHING BRIDGE where an ambitious executive rediscovers the magic of family friendship home and Christmas Other books by Viola Shipman The Secret of Snow A Wish for Winter The Edge of Summer The Summer Cottage The Heirloom Garden The Clover Girls **Performance, Masculinity, and Self-Injury** Lucy Weir, 2024-08-20 This book is an ambitious and expansive examination of the visual language of self injury in performance art from the 1960s to the present Inspired by the gendered nature of discussion around self harm the book challenges established readings of risk taking and self injury in global performance practice The interdisciplinary methodology draws from art history and sociology to provide a new critical analysis of the relationship between masculinity and self inflicted injury Based upon interviews with a range of artists around the world it offers an innovative understanding of the diverse meanings behind self injury in performance and delves into the gendered coding of self harming bodies Individual chapters examine the work of Ron Athey G nter Brus Wafaa Bilal Franko B Andr Stitt Pyotr Pavlensky and Yang Zhichao offering a new perspective on the forms and functions of self injury in performance art The book will be of interest to scholars working in art history performance studies gender studies and cultural studies **For Shame, Boone! For Shame, Iowa! The Disappearance of Norma Maynard** Sidney S. Louis, 2017-08-28 For Shame Boone For Shame Iowa The Disappearance of Norma Maynard By Sidney S Louis If you have a hidden secret wish to be Sherlock Holmes and who doesn't

t really the Norma Maynard story is for you An innocent woman was murdered and made to vanish as if she had never existed City of Boone county of Boone and Iowa state level law enforcement were unable to determine what happened To this day it is not known Exactly when the missing woman was murdered Who committed the murder How it was done Why it was done Where the missing woman s remains are Join the author as he fights for twelve years to have his sister s murder properly investigated only to be met with a stone wall of resistance from Iowa officials at city county and state level The author provides readers with the ability to set up their own investigative files He helps them devise a scale to measure the effectiveness of officials that are part of the story The reader will be able to question with some authority why the Norma Maynard case has not been resolved Was this a deliberate choice by Iowa law enforcement and legal and judicial officials If you elect to sleuth along with the author will you be the one to solve the almost forty year riddle of the disappearance of Norma Maynard

Howell,John D. Miller,2014-04-10 Soon after the first automobiles were introduced in the United States auto racing became a reality Since that time motorsports have expanded to include drag racing open wheel racing rallying demolition derbies stock car racing and more Motorsports have grown to such an extent that NASCAR is now the second most watched professional sport in America behind only football But motorsports are about much more than going fast and finishing first These events also

reflect our culture our society our values and our history In *Motorsports and American Culture From Demolition Derbies to NASCAR* Mark D Howell and John D Miller bring together essays that examine the relevancy of motorsports to American culture and history from the late nineteenth century to the present Addressing a wide spectrum of motorsports such as stock car racing demolition derbies land speed record pursuits and even staged train wrecks the essays highlight the social and cultural implications of contemporary and historical moments in these sports Topics covered include gender roles in motorsports hot rods and the creation of fan and participant identities the appeal of demolition derbies the globalization of motorsports the role of moonshine in stock car history the economic relationship between NASCAR and its corporate sponsors and more Offering the most thorough study of motorsports to date from a diverse pool of disciplines and subjects *Motorsports and American Culture* will appeal to motorsports and automobile enthusiasts as well as those interested in American history popular culture sports history and gender studies

Bowling Alone Robert D. Putnam,2000 Packed with provocative information about the social and political habits of twentieth century Americans

Foundations of Orientation and Mobility William R. Wiener,Richard L. Welsh,Bruce B. Blasch,2010 *Foundations of Orientation and Mobility* the classic professional reference and textbook has been completely revised and expanded to two volumes by the most knowledgeable experts in the field The new third edition includes both the latest research in O administration assessment and program planning and a chapter on research in O M No O M student or professional can afford to be without this essential resource

Gilligan Unbound Paul Arthur Cantor,2001 Cantor celebrates the sophistication and brilliance of shows and he shows how pop culture is influencing not only American audiences but the entire world

Main Street Conservatism Emile Doak,2022-11-15 The political right is at an inflection point The policies that have guided the conservative movement for decades are no longer relevant to the problems we face Donald Trump s election exposed the vast chasm between the priorities of the conservative professional class and those of the voters it purportedly serves But this chasm existed long before it was exposed in 2016 and as we move further into the post Trump era these issues aren t going away The right must contend with the forces that drove Trump to power The American Conservative has been contending with those very forces for two decades Launched in 2002 to reignite conversations conservatives had neglected for too long the magazine has emerged as the best explainer of our present discontents and the distinct Main Street conservatism that it forms as the best path forward *Main Street Conservatism The Future of the Right* takes seminal essays from TAC s robust back catalog and presents them in four broad topic areas that are driving our ongoing political realignment foreign policy political economy American culture and faith family TAC s prescience on these issues creates an anthology that is very much relevant to the issues we now face The magazine was founded in opposition to the Iraq war and has been a consistent proponent of a foreign policy fit for a republic not an empire ever since Long before the 2008 financial crisis the magazine warned of the pitfalls of globalization and an over financialized economy On immigration TAC s prescience on these issues

creates an anthology that is very much relevant to the issues we now inaugurate editorially. It took seriously the challenge of assimilation and placed the issue in the context of defending and defining a uniquely American culture. And all the while the magazine has been mindful to robustly defend the bedrock of our society: faith and family. With essays from leading conservatives like Patrick J. Buchanan, Sir Roger Scruton, Walter McDougall, Robert W. Merry, Rod Dreher, and many more, *Main Street Conservatism: The Future of the Right* is far more than a disjointed anthology. The book, like the magazine from which it is taken, is indispensable for understanding American conservatism in our current moment.
