Castle, Elaine Surbeck**

### **Small Town Everyday Things Of Children Community:**

*A Census Report of Orphaned and Vulnerable Children in Two South African Communities* Sean Jooste, Azwifaneli Managa, Leickness Chisamu Simbayi, 2006 In 2002 the Human Sciences Research Council was commissioned by the WK Kellogg Foundation to develop and implement a five year intervention project focusing on orphans and vulnerable children OVC in southern Africa In collaboration with several partner organisations the project currently focuses on how children families and communities in Botswana South Africa and Zimbabwe are coping with the impact of HIV AIDS The aim of the project is to develop models of best practise so as to enhance and improve support structures for OVC in the southern African region as a whole This report forms part of a series that examines the work undertaken as part of the Kellogg OVC Intervention Project from 2002 to 2005

### **The Role of Place and Play in Young Children's Language and Literacy**

Shelley Stagg Peterson, Nicola Friedrich, 2022-03-01 Dominant assumptions about place tend to be defined in relation to urban communities To assume a singular construction of urban places misrepresents the experiences perspectives and identities of urban children making their identities become invisible to researchers educators and curriculum developers Sharing a wide range of perspectives Role of Place and Play in Young Children's Language and Literacy sheds light on language and literacy learning in play based early childhood settings where place plays an important role in teaching and learning Drawing on geographic contexts including northern rural and Indigenous communities and giving voice to educational leaders in Indigenous professional learning contexts as well as speech language pathologists this book joins forces with literacy and early childhood education researchers to create an interdisciplinary collage of theory research and practice Bringing play and place together a concept Shelley Stagg Peterson and Nicola Friedrich call playce based learning this book provides new and compelling ways to think about equity and educational opportunity in the language and literacy development of young children and offers spaces for them to construct their own identities in positive ways

**Designing Cities with Children and Young People** Kate Bishop, Linda Corkery, 2017-05-25 Designing Cities with Children and Young People focuses on promoting better outcomes in the built environment for children and young people in cities across the world This book presents the experience of practitioners and researchers who actively advocate for and participate with children and youth in planning and designing urban environments It aims to cultivate champions for children and young people among urban development professionals to ensure that their rights and needs are fully acknowledged and accommodated With international and interdisciplinary contributors this book sets out to build bridges and provide resources for policy makers social planners design practitioners and students The content moves from how we conceptualize children in the built environment what we have discovered through research how we frame the task and legislate for it and how we design for and with children Designing Cities with Children and Young People ultimately aims to bring about change to planning and design policies and practice for the benefit of children and young people in cities everywhere

**The**

**Extraordinary Life of an Ordinary Child** Pete Gregory, 2012-06-20 The following pages are the first in a series of stories and events in the life of the author growing up in the Northeast Oklahoma Northwest Arkansas area during the 1950 s and 1960 s The stories in this book are a look into the lighter side of growing up in a large family and the mischief that a child can find himself involved in The stories are a combination of recollections of the author and stories told to him by other family members It is the author s intention to relate to the reader a look into the comical aspects of his childhood and certain events that took place as he was growing up in a simpler time and era Hopefully the contents of this book will bring a smile or even laughter to the reader It is the author s intention to put a smile or a laugh on every page Preparing Educators to Engage Families Heather B. Weiss, 2010 Preparing Educators to Engage Families Case Studies Using an Ecological Systems Framework Second Edition encourages readers to hone their analytic and problem solving skills for use in real world situations with students and their families Organized according to Ecological Systems Theory of the micro meso exo macro and chrono systems the text presents research based teaching cases that reflect critical dilemmas in family school community relations especially among families for whom poverty and cultural differences are daily realities **Early Childhood Curriculum** Nancy Amanda Branscombe, Jan Gunnels Burcham, Kathryn Castle, Elaine Surbeck, 2013-07-24 Through its unique integration of curriculum and learning principles Early Childhood Curriculum A Constructivist Perspective 2nd Edition fosters authentic developmentally appropriate practice for both preschool and early elementary classrooms The constructivist format of this book encourages active involvement on the part of readers by asking them to observe question reflect research and analyze thus allowing readers to create their own knowledge through their responses and actions Early Childhood Curriculum examines curricular goals such as autonomy development and problem solving and links those goals with constructivist principles of learning It explores ways teachers can create meaningful learning environments and choose curriculum tasks appropriately in all content areas that are linked to the learning and development needs of young children The text provides a wealth of practical detail about implementing constructivist curriculum as the authors discuss classroom climate and management room design play and cooperative learning among other topics The book also includes information about how teachers can meet required mandates and national and state standards in appropriate ways as they plan their curriculum and examines the early childhood educator s role with community agencies reform and legal mandates and public relations Special Features Curriculum Strategies highlight models for developing curriculum including projects curricular alignment integration of various subject matter areas and types of knowledge Constructions promote problem solving by allowing students to explore revisit examine and learn from first hand experience Multiple Perspectives from the Field provide interviews with teachers and other early childhood professionals offering students a realistic look at the profession from a diverse group of educators Teacher Dialogues explore a wide range of student concerns including curriculum learning environments assessment and documentation representing a collaborative support

group for pre service teachers and readers     Jewish Daily Life in Germany, 1618-1945 Marion A. Kaplan, 2005-03-03 From the seventeenth century until the Holocaust Germany's Jews lurched between progress and setback between fortune and terrible misfortune German society shunned Jews in the eighteenth century and opened unevenly to them in the nineteenth and early twentieth centuries only to turn murderous in the Nazi era By examining the everyday lives of ordinary Jews this book portrays the drama of German Jewish history the gradual ascent of Jews from impoverished outcasts to comfortable bourgeois citizens and then their dramatic descent into genocidal torment during the Nazi years Building on social economic religious and political history it focuses on the qualitative aspects of ordinary life emotions subjective impressions and quotidian perceptions How did ordinary Jews and their families make sense of their world How did they construe changes brought about by industrialization How did they make decisions to enter new professions or stick with the old juggle traditional mores with contemporary ways The Jewish adoption of secular modern European culture and the struggle for legal equality exacted profound costs both material and psychological Even in the heady years of progress a basic insecurity informed German Jewish life Jewish successes existed alongside an antisemitism that persisted as a frightful leitmotif throughout German Jewish history And yet the history that emerges from these pages belies simplistic interpretations that German antisemitism followed a straight path from Luther to Hitler Neither Germans nor Jews can be typecast in their roles vis vis one another Non Jews were not uniformly antisemitic but exhibited a wide range of attitudes towards Jews Jewish daily life thus provides another vantage point from which to study the social life of Germany Focusing on both internal Jewish life family religion culture and Jewish community and the external world of German culture and society provides a uniquely well rounded portrait of a world defined by the shifting sands of inclusion and exclusion     **Daily Life Around the World** Katherine Talmadge Salle, 2011     *Resources in Education* ,1993     *A Great Place to Raise Kids* Kieran Bonner, 1999 Popular wisdom and many rural centres make the claim that the country is a great place to raise kids But is it To answer this question Kieran Bonner explores the epistemological political and ethical issues involved in the claim     *Wilson Library Bulletin* ,1922     **The Wilson Bulletin** ,1914     **Wilson Bulletin for Librarians** ,1922     *School and Home Education* ,1916     **The Public School Journal** ,1916     Lessons in Community and National Life United States. Office of Education, 1918     **Lessons in Community and National Life ...** United States. Bureau of Education, United States. Office of Education, 1917     *Lessons in Community & National Life* United States. Bureau of Education, 1918     *Small-Town America* Robert Wuthnow, 2015-05-26 A revealing examination of small town life More than thirty million Americans live in small out of the way places Many of them could have joined the vast majority of Americans who live in cities and suburbs They could live closer to more lucrative careers and convenient shopping a wider range of educational opportunities and more robust health care But they have opted to live differently In *Small Town America* we meet factory workers shop owners retirees teachers clergy and mayors residents who show neighborliness in small ways but who also worry about everything

from school closings and their children's futures to the ups and downs of the local economy. Drawing on more than seven hundred in-depth interviews in hundreds of towns across America and three decades of census data, Robert Wuthnow shows the fragility of community in small towns. He covers a host of topics including the symbols and rituals of small town life, the roles of formal and informal leaders, the social role of religious congregations, the perception of moral and economic decline, and the myriad ways residents in small towns make sense of their own lives. Wuthnow also tackles difficult issues such as class and race, abortion, homosexuality, and substance abuse. *Small Town America* paints a rich panorama of individuals who reside in small communities, finding that for many people, living in a small town is an important part of self-identity.

Small-Town Russia Anne White, 2004-08-12. This book examines a number of key questions about social change in contemporary Russia: issues such as how people survive when they are not paid for months on end, the New Poor, the falling birth rate, why so many Russian men die in middle age, whether regional identities are becoming stronger, and how people's sense of Russianness has developed since the creation of the Russian Federation in 1992. It examines these issues by looking at actual experiences in three small Russian towns. It includes a great deal of original ethnographic research and, by looking at real places, overall provides a good sense of how different aspects of social change are interlinked and how they actually affect real people's lives.
