Smiles Tears:

Human Nature Arthur Robson, 2013-05-31 This book provides a detailed account into human nature and analysis of our emotions and instinctive urges Contents include Human Nature Karma Natural Piety Laughter Joy The Breath of Life Love The Fear of God Tears and Smiles Transmutation Good and Bad Karma The Greatest Sin of All Pleasure and Pain and The Time Worn Path **The Night & I** Anh Hong, In the chaos of the current world such as wars epidemics natural disasters greed cruelty dishonesty meanness and lies among the people questions arise What is going on Who am I Where is this What was I born on this Earth to do Why are people cruel to nature and to humans These questions haunt even my dreams Therefore I write as an effort to rescue myself to free myself from the hurts screams and pains The Night I and contains the sounds of confusion brokenness and worry for human beings including myself Humans are so small and fragile walking back and forth on Earth always facing unforeseeable uncertainties After struggling experiences and facing The Night darkness and many mysteries I have more energy to love share be tolerant and attach to life and people The more pain and sorrow I feel over evil and badness the more I hope that day by day people will live more kind and the world will be peaceful HFT About Face Jonathan Cole, 1999-02-18 What is special about the face and what happens when neurological conditions make expression or comprehension of the face unavailable Through a mix of science autobiography case studies and speculation Jonathan Cole shows the importance not only of facial expressions for communication among individuals but also of facial embodiment for our sense of self He presents in his words a natural history of the face and an unnatural history of those who live without it The heart of the book lies in the experiences of people with facial losses of various kinds The case studies are of blind autistic and neurologically impaired persons the most extreme case involves Mobius syndrome in which individuals are born with a total inability to move their facial muscles and hence to make facial expressions Cole suggests that it is only by studying such personal narratives of loss that we can understand facial function and something of what all our faces reflect Second and Third Grade Manual Emma Miller Bolenius, 1923 **The Jerusalem Delivered of Torquato Tasso** Torquato Tasso, 1900 **Jerusalem delivered; an epic poem, tr. into Engl. Poems A. WRIGHT (Captain, Bengal Army.),1829 **Will Shakespeare's Little Lad** Imogen Clark,1897 The Leopard's Wife Paul Pickering,2010-04-20 Now a famous classical pianist S Miles Harcourt aka Smiles arrives in Congo to play a Peace and Reconciliation Concert and to make amends with his former schoolteacher and mentor Lyman Andrew who has buried himself in the war torn jungle Smiles owes his success to the man he helped ruin and harbors a dark secret from his brutal public school days But a bomb has exploded at the hotel in Kinshasa where Smiles was due to play and in an unsettling turn of events he is invited to his own funeral When coffins are broken open by the Garde R publicaine and Smiles is not in his he is suspected of being one of the rebels He escapes on a ramshackle boat with the grand piano meant for his recital which is now destined for his teacher living more than a thousand miles upriver a world outside time where Smiles witnesses the miracles and the terrors of Congo as he plays Beethoven in a forest haunted by nameless atrocities He is escorted by Lola the wife of a feared Congolese military officer even the leopard has a wife says a Swahili proverb and her adolescent brother in the course of their journey Smiles and Lola fall in love and Lola s brother discovers Smiles s diary and the barbaric past it hides But all the while an ever vengeful leopard is following Author Paul Pickering s arresting prose is awash in sound from sensuous piano strains to the crack of a rifle the echo of footsteps the rumble of tribal drums the deafening roar of a waterfall in Congo each can mean the difference between life and death joy and sorrow Set in the contrasting landscapes of the African jungle and picturesque English countryside The Leopard s Wife is a searing look at the racial tensions and societal discontents of two vastly different cultures and it reveals the uncivilized cruelty and tender mercies shared so commonly by both Outlook Alfred Emanuel Smith,Francis Walton,1900 American Drama Alfred Bates,1906 **THE PURPLE HORIZON (VOL-2)** WRITERS OF INDIA, THE PURPLE HORIZON contains astonishing and breath taking literary work of various writers across the globe This book is a remarkable collection that pours out writer s capabilities and thoughts on paper It provides readers with a wider scope of thinking and various emotions Writers with their real life experiences tried to pen down their emotions in the form of their marvellous writeups This special book series contains different types and themes of poetry prose short stories etc in various languages **The Service-hymnal, with an Introductory Service** ,1904 **Vietnam** Douglas Schanzenbach Captain USMC,2020-01-03 The book is an exploration of the Vietnam conflict from my personal experience Given the time and distance from the event the perspective becomes more clear Two administrations Lyndon Johnson s and Richard Nixon s lied distorted and extended the war for years resulting in thousands more dead and wounded Cabinet members such as McNamara and Kissinger were directly culpable in misleading the American public regarding the success of operations in that country Perhaps most tragic were the nonstop visits by government officials and members of Congress to Vietnam They were feted debauched and lied to Their subsequent press conferences always painted a rosy picture of progress and winning As early as 1965 the CIA was reporting the conflict as being unwinnable There were several unique properties of this conflict While only one in five GIs were assigned combat duty

there were no safe or rear areas Nobody had the luxury of relaxing feeling safe GIs were rotated in and out of country on an individual basis When our tour was over we were put on an airplane and hours later we were back in the land of the BIG PX with little or no decompression time The logistics of removal of the dead was so efficient there was almost never a chance to say goodbye to pay respects to process the loss Perhaps the two most unique elements of the conflict were the fact that we never lost a battle but lost the war and the surreal intrusion of live war coverage every night into the television sets of America This latter fact gave birth to pressures on MACV to invent such news bits as body count hooches burned acres of defoliation and gallons of Agent Orange Throughout this circus the American fighting man distinguished himself as a warrior as a patriot and as resilient in the face of a determined and skilled enemy Once back in the USA there was trauma and vitriol experienced by many at airports and street demonstrations Agent Orange and PTSD have combined to result in more Vietnam vets dying by suicide than died during the conflict The nation s homeless population is even today comprised approximately 20 percent Nam vets The healing began with the Vietnam Memorial the Wall and has picked up some momentum with the Honor Flight Program Half a century later we ve made a start to the healing <https://www.myvietnamjourney.com> Inland Printer, American Lithographer ,1893 *The Gentleman's Magazine* ,1878
