poorly When you take self portraits do you always laugh unnaturally in the photo So don t you like to share your smiles or
photos with everyone There are many muscles in the face as there are in the body The activity of speaking and smiling makes
use of only a small fraction of the muscles in the face not more than about 30 percent The muscles that are not in use begin
to wane and fade away especially as one begins to age The truth of the matter is that a good smile makes one look years
younger than his or her age because there is more use made of the muscles and for a longer period of time This increases
blood flow around the parts that make up the face to keep that part healthy and youthful However there are special
techniques that can be used both to get the facial expression that is required and to improve smile quality The training makes
the muscles flexible and not rigid to make the smile natural and less of plastic Some of these techniques are as follows to
increasing smile quality *A Smiling Face* Eleanor Frances Lattimore,1973 **The Secrets Behind Smiley Face** Fuad
