Adolescents, Media, and the Law Roger J. R. Levesque,2007-06-18 There is much controversy about the dangers of a free media when it comes to children and adolescents Many believe that this constitutional right should be amended altered or revoked entirely to prevent the young from being negatively influenced Graphic violence sexual content and the depiction of cigarette smoking have all come under fire as being unacceptable in media that is geared toward adolescents from television and movies to magazines and advertising This book presents a synthesis of all current knowledge about the developmental effects of a free media on adolescents All findings are assessed within the context of normal adolescent development Both legal restrictions and less formal regulatory bodies schools parent groups etc are reviewed to present a full picture of the ways in which a free media is constrained to protect adolescent s development

Mythology of the Blackfoot Indians Clark Wissler,1995-01-01 Mythology of the Blackfoot Indians originally published in 1908 by the American Museum of Natural History introduces such figures as Old Man Scar Face Blood Clot and the Seven Brothers Included are tales with ritualistic origins emphasizing the prototypical Beaver Medicine and the roles played by Elk Woman and Otter Woman and a presentation of Star Myths which reveal the astronomical knowledge of the Blackfoot Indians

Narratives about Raven Grasshopper and Whirlwind Boy account for conditions in humanity and nature Many of the stories in the concluding group like The Lost Children and The Ghost Woman were tales told to Blackfoot children Clark Wissler notes that these narratives were collected very early in the twentieth century from the Piegiens in Montana and from the North Piegiens Bloods and Northern Blackfoot in Canada Most were translated by D C Duvall and revised for Mythology of the Blackfoot Indians by Wissler Wissler 1870 1947 was curator at the American Museum of Natural History and chairman of the Department of Anthropology at Columbia University Among his major works are North American Indians of the Plains and Man and Culture Introducing this Bison Book edition is Alice B Kehoe a professor of sociology and anthropology at Marquette University and the author of North American Indians A Comprehensive Account

Cigarette Nation Daniel J. Robinson, 2021-02-05 In the 1950s the causal link between smoking and lung cancer surfaced in medical journals and mainstream media Yet the best years for the Canadian cigarette industry were still to come as per capita cigarette consumption rose steadily in the 1960s and 1970s In Cigarette Nation Daniel Robinson examines the vibrant and contentious history of smoking to discover why Canadians continued to light up despite the publicized health risks Highlighting the prolific marketing and advertising practices that helped make smoking a staple of everyday life Robinson explores socio cultural aspects of cigarette use from the 1930s to the 1950s and recounts the views and actions of tobacco executives government officials and Canadian smokers as they responded to mounting evidence that cigarette use was harmful The persistence of smoking owes to such factors as product development marketing and retailing innovation public relations sponsored science and government inaction Domestic and international tobacco firms worked to furnish Canadian smokers with hope and doubt hope in the form of reassuring marketing as seen with light and mild cigarette brands and doubt by means of disinformation campaigns attacking medical research and press accounts that aligned cigarettes with serious disease Drawing on a wide range of primary sources including thousands of industry records released during a landmark tobacco class action trial in 2015 Cigarette Nation documents in rich detail the history of one of Canada's foremost public
