potential for cult transformation Indeed in entering common parlance the term has effectively lost its clandestine mystique But why And how did we get here with cult Withnail and Us charts the journey of cult in culture through an exploration of British cult films and their fans It is about our bizarre and enduring fascination with once obscure or shocking movies from A Clockwork Orange to The Wicker Man What is it about certain films that provokes such obsessive fan devotion What impells people to remote locations in search of filmic relics Why do they gather in groups to re enact scenes learnt by heart Is any film worth re viewing over 100 times From 1968 and all that through the cultural byways of the 1970s this book attempts to explain such strange practices and to trace their origins in the makings of some remarkable films including Tommy The Man Who Fell To Earth Quadrophonia Withnail I Trainspotting and Performance Prepare to enter the arena of the unwell
