He's sure his quarry is Catherine Ashton's father, a wealthy businessman who persuaded her to reject Adam two years ago. Now if Adam finds enough evidence to arrest the man, Catherine and her entire family will be ruined. But is that what he wants? Catherine believed rejecting Adam was the right thing, though it broke her heart to do it. Now he's back, intent on seeing her father hang, unless she can prove him innocent. As they each search for clues, they find their feelings for one another reigniting. But England faces a very real threat, one that could cost them everything. **The Smuggler's Daughter** Charles Dibdin, 1831

Kate Garcia, Ray's fiancée, knows more than she should. She helped one of the dead attorneys just hours before he took a bullet to the head. Study an old newspaper in the library where she works; Kate might be the only person still alive who knows what he was digging up, except for his killer. When Kate starts trying to discover what's behind the murders, she turns up disturbing links between the three dead men that track back to her family's troubled past. But she has plenty of reasons to keep her mouth shut. Her discovery unleashes a cat-and-mouse game that threatens to sink her and those she loves in a high tide of danger.

Over the course of the nineteenth century some 84 500 Jews in imperial Russia converted to Christianity Confessions of the Shtetl explores the day to day world of these people including the social geographic religious and economic links among converts Christians and Jews The book narrates converts tales of love desperation and fear tracing the uneasy contest between religious choice and collective Jewish identity in tsarist Russia Rather than viewing the shtetl as the foundation myth for modern Jewish nationhood this work reveals the shtetl s history of conversions and communal engagement with converts which ultimately yielded a cultural hybridity that both challenged and fueled visions of Jewish separatism Drawing on extensive research with conversion files in imperial Russian archives in addition to the mass press novels and memoirs Ellie R Schainker offers a sociocultural history of religious toleration and Jewish life that sees baptism not as the fundamental departure from Jewishness or the Jewish community but as a conversion that marked the start of a complicated experiment with new forms of identity and belonging Ultimately she argues that the Jewish encounter with imperial Russia did not revolve around coercion and ghettoization but was a genuinely religious drama with a diverse attractive and aggressive Christianity
