Sugar And Seasonal Labor Migration The Case Of Tucuman Argentina:

Sugar and Seasonal Labor Migration John A. Kirchner, 1980 **Sugar and Seasonal Labor Migration** John A. Kirchner, 1980 Research paper studying seasonal unemployment of migrant sugar plantation workers in Tucuman Argentina examines seasonal international migration in Latin America generally seasonal worker agricultural employment in the plantations of Tucuman land tenure and crop yields in their home rural community Motivation for migrating vehicles timing harvesting wages living conditions and working conditions etc and includes personal profiles Bibliography pp 159 to 174 graphs maps photographs and statistical tables Enemy in the Blood Eric D. Carter, 2012-01-06 Enemy in the Blood Malaria Environment and Development in Argentina examines the dramatic yet mostly forgotten history of malaria control in northwest Argentina Carter traces the evolution of malaria science and policy in Argentina from the disease's emergence as a social problem in the 1890s to its effective eradication by 1950 Malaria control proponents saw the campaign as part of a larger project of constructing a modern identity for Argentina Insofar as development meant building a more productive rational and hygienic society the perceptions of a culturally backwards and disease ridden interior prevented Argentina from joining the ranks of modern nations The path to eradication however was not easy due to complicated public health politics inappropriate application of foreign malaria control strategies and a habitual misreading of the distinctive ecology of malaria in the northwest especially the unique characteristics of the local mosquito vector Homegrown scientific expertise a populist public health agenda and an infusion of new technologies eventually brought a rapid end to malaria's scourge if not the cure for regional underdevelopment Enemy in the Blood sheds light on the often neglected history of northwest Argentina's interior adds to critical perspectives on the history of development and public health in modern Latin America and demonstrates the merits of integrative social environmental research *The Geography of South America* Thomas A. Rumney, 2013-04-18 South America is an area of fascination and study for geographers and other scholars from around the world and its land and people have played important roles in the discovery and distribution of civilizations resources and nations for millennia The region has long stimulated a large amount of research across the many subdisciplines of geography and Thomas A. Rumney collects organizes and presents as many scholarly publications as possible in *The Geography of South America A Scholarly Guide and Bibliography* Every South American nation is included Argentina Bolivia Brazil Chile Colombia Ecuador French Guiana Guyana Paraguay Peru Surinam Uruguay and Venezuela Beginning with an overview of the region as a whole successive chapters one per nation are divided by specific subdisciplines of geography cultural social economic historical physical and environmental political and urban Each section is then divided by document type atlases books book chapters articles from scholarly journals master's theses and doctoral dissertations Although the majority of entries focus on English language works selected entries written in Spanish French German and other languages are also included with the entry titles translated into English and noted accordingly *The Sugar Cane Industry* J. H.

Galloway,2005-11-10 This book is a geography of the sugar cane industry from its origins to 1914 It describes its spread from India into the Mediterranean during medieval times to the Americas and its subsequent diffusion to most parts of the tropics It examines the changes in agricultural and manufacturing techniques over the centuries and its impact in forming the multicultural societies of the tropical world **Migration Decision Making** Gordon F. De Jong,Robert W.

Gardner,2013-10-22 Migration Decision Making Multidisciplinary Approaches to Microlevel Studies and Developing Countries discusses several topics such as systematics review and evaluation of microlevel frameworks and models of the migration decision applicability of microlevel migration models and framework and general policy implications of microlevel models and frame works The opening chapter introduces the main themes and provides an overview of the book Chapter 2 discusses the motivation for migration an assessment and a value expectancy research model and the next chapter tackles macrolevel influences on the migration decision process Chapter 4 covers microeconomic approaches to studying migration decisions while Chapter 5 discusses information uncertainty and the microeconomic model of migration decision making The sixth chapter talks about moving toward a development paradigm of migration with particular reference to third world countries and the seventh chapter discusses village community ties village norms and ethnic and social networks Chapter 8 covers family structure and family strategy in migration decision making and then Chapter 9 discusses the migration decision making process emphasizing some social psychological considerations Chapter 10 tackles policy intervention considerations focusing on the relationship of theoretical models to planning and Chapter 11 discusses the utility of microlevel approach to migration using a Philippine perspective The last chapter is a review of micro migration research in the third world context This book will be of great interest to sociologists economists law makers and government agencies who are concerned with the implications of migrations Poisoned Eden Carlos S. Dimas,2022-02

In 1895 after enduring two previous cholera epidemics and facing horrific hygienic conditions and the fear of another epidemic officials in the Argentine province of Tucum n described their home as the Poisoned Eden a play on its official title Garden of the Republic Cholera elicited fear and panic in the nineteenth century and although the disease never had the demographic impact of tuberculosis malaria or influenza cholera was a source of consternation that often illuminated dormant social problems In Poisoned Eden Carlos S Dimas analyzes the social political and cultural effects of three epidemics in 1868 1886 and 1895 that shook the northwestern province of Tucum n to understand the role of public health in building the Argentine state in the late nineteenth century Through a reading of medical and ethnographic material Dimas shows that cholera became intertwined in all areas of the social fabric and that Tucumanos of all classes created public health services that expanded the state s presence in the interior In each outbreak provincial powers contended with how to ensure the province s autonomy while simultaneously meeting the needs of the state to eradicate cholera Centering disease Poisoned Eden demonstrates how public health and debates on cholera s contagion became a central concern of the nineteenth century Latin American state

and promoted national cohesion **Disease, Science, and Regional Development** Eric D. Carter, 2005 *Beyond the Basilica* Chad F. Emmett, 1995-02-07 Nazareth the largest Arab city in Israel is a surprising example of ethnic harmony in a region dominated by conflict A recent trend toward integration of its historical Greek Orthodox Roman Catholic and Muslim quarters however has disrupted the harmony In *Beyond the Basilica* Christians and Muslims in Nazareth Chad F Emmett provides penetrating analysis of the complex relationship between the structure of Nazareth s quarters and the relations between its ethnic communities Emmett describes both the positive and negative effects of Nazareth s residential patterns He shows that the addition of new and ethnically mixed quarters has promoted mixed schools joint holiday celebrations a common political culture and social networks that cross ethnic boundaries But he also finds that tensions exist among Christian groups and between Muslims and Christians in regard to intersectorian marriages religious conversion attempts to establish a joint Christian cemetery and the emergence of a local Islamic party Extensive interviews with leaders of religious groups political parties and residents reveal the way in which members of each ethnic community perceive one another A survey of 300 families gives a wealth of details about the make up of Nazareth s population including residential histories religion level of religious conviction friendship and shopping patterns and much more Fourteen maps trace changes in the distribution of religious groups and political affiliation in Nazareth from the mid nineteenth century to the present *Beyond the Basilica* will interest cultural geographers historians demographers political scientists and anyone who would like to learn more about an ethnically divided community in the residents cooperate more than they fight **Migrant Labor** Mary A.
