The Chönyi Bardo James

Qualls, G.A. Sarna, 2026-01-20 The Chönyi Bardo The Chönyi Bardo is from an ancient text called the Tibetan Book of the Dead It's a guidebook to the afterlife and what happens It is within this Bardo that visions and auditory phenomena occur Synchronicities occur more frequently and your soul starts prepping to leave A change happens when we begin to recognize the truth behind rebirth We gear up to leave and the universe guides us onto the next phase We're going to spend the next thirty years discovering why it chose us to make the jump back to forever The Chönyi Bardo is the third book in the Soulmate Discovery Series I close my eyes imagine you and write I have lived my whole love life that way I have only known passion like this with you So yes I have lived the entirety of this love life that way I rise every morning and stare readily upon Venus She sits directly outside my window Between the streetlights and the flat Florida landscape she is almost the only thing in the sky I can see It seems appropriate that it be her You have been and continue to be the brightest part of my life I know things are tough and they are going to get tougher that's why we were offered to leave this existence for paradise But I am going to kiss you first if I have to crawl through Hell Good morning my beautiful better half How was your night Smile and accept that I love you more than you will ever know Excerpt from A Wish Fulfilled

A Dance With The Past Barbara

Bourke, 2024-10-04 She had intended to turn around and walk away but instead she pushed open the old rusty iron gate and entered the graveyard As the gate closed behind her she felt the same magical sensation she had experienced as a child reigniting her peculiar fascination with the place Walking along the winding gravel path she was saddened by the sight of disintegrated marble gravestones overgrown with weeds their inscriptions faded and weathered beyond recognition Mist rising from the ground shrouded the graveyard in a blanket of grey transparency It would be dark soon Sitting on a low stone wall she was surrounded by an eerie silence broken only by a faint breeze carrying the ocean's whispers Amidst the decay of

the graveyard the lighthouse on the hill stood tall and majestic against the gloomy sky Suddenly she heard muffled sounds from the back of the graveyard Were those voices Despite the encroaching darkness she noticed shadowy movements drawing closer Uncertain if it was real or a trick of her mind she was consumed by darkness before she could comprehend the situation Waking up in the hospital with no memory of what had happened she slowly pieced together fragments of her encounter Unaware that her evening in the graveyard marked the beginning of an extraordinary and bizarre journey she found herself grappling with the belief that she might be losing her sanity With the support of her brother and friends she embarked on a quest to unravel the mystery However in the end she realized that she alone must take the step into the unknown How far and how deep will she need to delve into the past Will one lifetime be enough **Who Wants Tyler Dead** Frances Evlin,2010-06-28 Marielle Jones has been hired to drive 8 year old Tyler his 10 year old sister and their maternal grandmother on a camping trip across Oregon When Tyler claims someone pushed him into the river Marielle refuses to believe him But later the party is shot at and Marielle realizes something scary is going on Is it possible someone wants an eight year old kid dead Why In the musty dank corridors of an historic old military fort astonishing answers emerge
