Suicide Attempts In The Nordic Countries Epidemiology And Treatment

Danuta Wasserman

Suicide Attempts In The Nordic Countries Epidemiology And Treatment:

Suicide Attempts in the Nordic Countries Tore Bjerke, Tore C. Stiles, 1991 **Prevention of suicide and suicide attempts in the Nordic countries** Erlangsen, Annette, Madsen, Trine, Morthorst Reuter, Britt, Kjær Høier, Nikolaj, Nordentoft, Merete, Wang, August G, Isometsä, Erkki, Partonen, Timo, Solin, Pia, Viskum Lytken Larsen, Christina, Katajavaara Seidler, Ivalu, Bloch, Arnarak Patricia, Gudlaugsdottir, Gudrun Jona, Oskarsson, Hogni, Mehlum, Lars, Khan, Murad M, Qin, Ping, Wasserman, Danuta, Carli, Vladimir, Hadlaczky, Gergö, Available online <https://pub.norden.org/temanord2024/509> In 2022 a total of 3 574 individuals died by suicide in the Nordic countries This report provides a situation analysis of suicide deaths and suicide attempts in the Nordic countries for the period of 2000-2023 Almost all Nordic countries have a national plan for suicide prevention However long term funding for achieving identified goals is essential to ensure that measures will be implemented in clinical and daily practice Since 2015 only modest improvements have been observed in the suicide rate in Nordic countries Attempted Suicide in Europe Ad Kerkhof, 1994 *Disease, Pain, and Suicidal Behavior* Elsebeth Stenager, 2018-10-24 Estimating the risk for suicidal behavior among patients is often a very complex challenge for psychiatrists general practitioners psychologists surgeons specialists in internal medicine neurologists nurses and social workers *Disease Pain and Suicidal Behavior* is designed to help you understand the methodological problems involved in the assessment of risk for suicidal behavior in patients with various somatic and psychiatric disorders so you can establish effective approaches to the psychosocial treatment of endangered patients Through the book's comprehensive and insightful discussions you will even learn specific strategies for improving the quality of life of such patients *Disease Pain and Suicidal Behavior* discusses psychiatric disorders such as depression schizophrenia personality disorders anxiety disorders and alcohol and drug abuse as risk factors for suicidal behavior From its helpful and clearly written pages you will also learn about the role of social factors in suicidal behavior and the relationship between suicidal behavior and biological factors Perhaps most important of all you will learn which groups of patients and which disorders are associated with the highest risk of suicide through the book's critical discussions of the lifetime risk of suicide in depressed patients the stages of diseases like multiple sclerosis and the strains placed on the patient young male schizophrenics and their vulnerability to self-destructive acts mortality in patients with spinal cord injuries forced reduction in daily activities for patients with heart and lung conditions and resulting emotional instability the high risk of suicide immediately after a cancer diagnosis is given identifying risk factors for a second attempt at suicide questions to ask those at risk for suicidal behavior Recognizing which of your patients run the risk of committing suicide can be an overwhelming task because of the multiplicity of factors involved *Disease Pain and Suicidal Behavior* because it examines critically the existing literature and studies on suicide and suicide risk can help you evaluate and prevent suicidal behavior in a timely manner You will turn the last of its pages with a much improved understanding of which illnesses and sufferings present an increased risk of suicidal

behavior **The American Journal of Psychiatry** ,2000-10 Cumulated Index Medicus ,1968 **Textbook of Psychiatric Epidemiology** Ming T. Tsuang,Mauricio Tohen,Peter Jones,2011-03-25 The new edition of this critically praised textbook continues to provide the most comprehensive overview of the concepts methods and research advances in the field particularly the application of molecular genomics and of neuroimaging It has been revised and enhanced to capitalize on the strengths of the first and second editions while keeping it up to date with the field of psychiatry and epidemiology This comprehensive publication now includes chapters on experimental epidemiology gene environment interactions the use of case registries eating disorders suicide childhood disorders and immigrant populations and the epidemiology of a number of childhood disorders As in the first and second editions the objective is to provide a comprehensive easy to understand overview of research methods for the non specialist The book is ideal for students of psychiatric epidemiology psychiatric residents general psychiatrists and other mental health professionals The book features a new editor Peter Jones from the University of Cambridge who joins the successful US team of Ming Tsuang and Mauricio Tohen Index of Conference Proceedings British Library. Document Supply Centre,1993 **The International Handbook of Suicide and Attempted Suicide** Keith Hawton,Kees van Heeringen,2000-11-21 Recent research in the area of suicidology has provided significant new insights in the epidemiological psychopathological and biological characteristics of suicidal behaviour The International Handbook of Suicide and Attempted Suicide is the first book to bring together this expertise and translate it into practical guidelines for those responsible for policy issues and for those involved in the treatment and prevention of suicidal behaviour Leading international authorities provide a truly comprehensive and research based reference to understanding treating and preventing suicidal behaviour They explore concepts and theories which best guide work within this field and detail key research which has supported conceptual developments preventive interventions and clinical treatment No self respecting worker in deliberate self harm and suicide prevention either clinical or research can afford to be without access to this comprehensive handbook possession and regular use may well become a marker of serious involvement in the subject This is the most comprehensive up to date informative and well written source of information on suicide and suicidal behaviour an invaluable work of reference which will be essential for clinicians and researchers for many years to come Andrew Sims Emeritus Professor of Psychiatry St James s University Hospital Leeds UK British Journal of Psychiatry **The International Handbook of Suicide Prevention** Rory C. O'Connor,Jane Pirkis,2016-09-14 The International Handbook of Suicide Prevention 2nd Edition presents a series of readings that consider the individual and societal factors that lead to suicide it addresses ways these factors may be mitigated and presents the most up to date evidence for effective suicide prevention approaches An updated reference that shows why effective suicide prevention can only be achieved by understanding the many reasons why people choose to end their lives Gathers together contributions from more than 100 of the world s leading authorities on suicidal behavior many of them new to this edition Considers suicide from epidemiological

psychological clinical sociological and neurobiological perspectives providing a holistic understanding of the subject Describes the most up to date evidence based research and practice from across the globe and explores its implications across countries cultures and the lifespan **Suicide** Nils Retterstøl,1993-06-17 A sensitive and enlightening account of the problem of suicide and attempted suicide in today s societies **Oxford Textbook of Suicidology and Suicide Prevention** Danuta Wasserman,2021 Part of the authoritative Oxford Textbooks in Psychiatry series the new edition of the Oxford Textbook of Suicidology and Suicide Prevention remains a key text in the field of suicidology fully updated with new chapters devoted to major psychiatric disorders and their relation to suicide **Disease Control Priorities, Third Edition (Volume 4)** Vikram Patel,Dan Chisholm,Tarun Dua,Ramanan Laxminarayan,Mari'a Lena Medina-Mora,Theo Vos,2016-03-10 Mental neurological and substance use disorders are common highly disabling and associated with significant premature mortality The impact of these disorders on the social and economic well being of individuals families and societies is large growing and underestimated Despite this burden these disorders have been systematically neglected particularly in low and middle income countries with pitifully small contributions to scaling up cost effective prevention and treatment strategies Systematically compiling the substantial existing knowledge to address this inequity is the central goal of this volume This evidence base can help policy makers in resource constrained settings as they prioritize programs and interventions to address these disorders **A History of Population Health** Johan P. Mackenbach,2020-04-14 Winner of the 2021 Choice Outstanding Academic Title Award In A History of Population Health Johan P Mackenbach offers a broad sweeping study of the spectacular changes in people s health in Europe since the early 18th century Most of the 40 specific diseases covered in this book show a fascinating pattern of rise and fall with large differences in timing between countries Using a unique collection of historical data and bringing together insights from demography economics sociology political science medicine epidemiology and general history it shows that these changes and variations did not occur spontaneously but were mostly man made Throughout European history changes in health and longevity were therefore closely related to economic social and political conditions with public health and medical care both making important contributions to population health improvement Readers who would like to have a closer look at the quantitative data used in the trend graphs included in the book can find these it here **Schizophrenia** Anthony S. David,Shitij Kapur,Peter McGuffin,2012-05-04 Schizophrenia is a unique project reflecting the contribution that Robin M Murray has made to the field of psychiatry over the past 35 years with a particular focus on the advances that have been made to the understanding and treatment of schizophrenia International contributors have been brought together to pay tribute to Robin Murray s work and explore the latest findings in the area Sections cover neurodevelopment neuroscience and pharmacology neuroimaging genetics cognition social psychiatry treatment This book will be essential reading for psychiatrists clinical psychologists social and basic scientists whose work is related to major mental illness as well as admirers of the work of Robin Murray **Current Bibliography of**

Epidemiology ,1972 *Handbook of Adolescent Health Psychology* William T. O'Donohue,Lorraine T. Benuto,Lauren Woodward Tolle,2014-07-08 Adolescence is a pivotal period of development with respect to health and illness It is during adolescence that many positive health behaviors are consolidated and important health risk behaviors are first evident thus adolescence is a logical time period for primary prevention In addition the predominant causes of morbidity and mortality in adolescence are quite different from those of adults indicating that early identification and treatment of adolescent health problems must be directed to a unique set of targets in this age group Moreover because of the particular developmental issues that characterize adolescence intervention efforts designed for adults are often inappropriate or ineffective in an adolescent population Even when chronic illnesses are congenital or begin in childhood the manner in which the transition from childhood to adolescence to young adulthood is negotiated has important implications for disease outcomes throughout the remainder of the person s life span Organized in five major sections General Issues Developmental Issues Treatment and Training Mental Health and Physical Health and 44 chapters *Handbook of Adolescent Health Psychology* addresses the common and not so common health issues that tend to affect adolescents Coverage includes Context and perspectives in adolescent health psychology Health literacy health maintenance and disease prevention in adolescence Physical disorders such as asthma obesity physical injury and chronic pain Psychological disorders such as substance abuse attention deficit hyperactivity disorder depression and eating disorders Congenital chronic diseases such as type 1 diabetes and spina bifida *Handbook of Adolescent Health Psychology* is the definitive reference for pediatricians family physicians health psychologists clinical social workers rehabilitation specialists and all practitioners and researchers working with adolescents

International Handbook of Suicide Prevention Rory C. O'Connor,Stephen Platt,Jacki Gordon,2011-06-01 The International Handbook of Suicide Prevention showcases the latest cutting edge research from the world s leading authorities and highlights policy and practice implications for the prevention of suicide Brings together the world s leading authorities on suicidal behaviour renowned for their suicide prevention research policy and practice Addresses the key questions of why people attempt suicide the best interventions treatments and care for those at risk and the key international challenges in trying to prevent suicide Describes up to date theoretically derived and evidence based research and practice from across the globe which will have implications across countries cultures and the lifespan *Schizophrenia Bulletin* ,2006

Comparative Quantification of Health Risks: Sexual and reproductive health Majid Ezzati,2004 Over the centuries human health has improved because science has come to understand the main causes of disease affecting populations At the same time the broader policy relevant issue of population exposure to risks has remained under explored relative to documentation of established diseases This publication provides a comprehensive assessment of the scientific evidence on prevalence and the resulting health effects of a range of exposures that are known to be hazardous to human health

Thank you definitely much for downloading **Suicide Attempts In The Nordic Countries Epidemiology And Treatment**. Maybe you have knowledge that, people have look numerous time for their favorite books later than this Suicide Attempts In The Nordic Countries Epidemiology And Treatment, but stop in the works in harmful downloads.

Rather than enjoying a fine book gone a mug of coffee in the afternoon, instead they juggled when some harmful virus inside their computer. **Suicide Attempts In The Nordic Countries Epidemiology And Treatment** is within reach in our digital library an online right of entry to it is set as public correspondingly you can download it instantly. Our digital library saves in combined countries, allowing you to get the most less latency times to download any of our books subsequently this one. Merely said, the Suicide Attempts In The Nordic Countries Epidemiology And Treatment is universally compatible similar to any devices to read.

Suicide Attempts In The Nordic Countries Epidemiology And Treatment Introduction

In the digital age, access to information has become easier than ever before. The ability to download Suicide Attempts In The Nordic Countries Epidemiology And Treatment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Suicide Attempts In The Nordic Countries Epidemiology And Treatment has opened up a world of possibilities. Downloading Suicide Attempts In The Nordic Countries Epidemiology And Treatment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Suicide Attempts In The Nordic Countries Epidemiology And Treatment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Suicide Attempts In The Nordic Countries Epidemiology And Treatment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Suicide Attempts In The Nordic Countries Epidemiology And Treatment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Suicide Attempts In The Nordic Countries Epidemiology And Treatment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Suicide Attempts In The Nordic Countries Epidemiology And Treatment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Suicide Attempts In The Nordic Countries Epidemiology And Treatment Books

1. Where can I buy Suicide Attempts In The Nordic Countries Epidemiology And Treatment books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
