The New Penguin Stereo Record and Cassette Guide Edward Greenfield, Robert Layton, Ivan March, 1982 My Happy Life Darius Milhaud, 1995 Darius Milhaud born in Provence in 1892 was one of the major composers of the twentieth century and also one of its most prodigious Over 450 of his works have been catalogued and listed in this volume including operas large and small eighteen string quartets twelve symphonies and thirty concertos as well as such popular classics as *Le Boeuf sur le toit* *La Creation du monde* *Suite provencale* and the *Suite francaise* In *My Happy Life* completed in 1972 two years before the composer's death Milhaud tells the full story of his own personal life and artistic development A secretary to the playwright Paul Claudel a close friend of Satie Cocteau and Igor Stravinsky Darius Milhaud was also a member along with Georges Auric and Arthur Honegger of the scandalous group of young French composers known simply as *les Six* While often regarded during his lifetime as an open minded musician of wide tastes whose music spanned many styles from avant garde to jazz he is revealed here as a thinker of note and a graceful writer He depicts with great generosity of feeling the revolution that modern music has undergone this century and his own role in it giving a clear account of his attitude towards his work and that of his fellow composers **Ibbs and Tillett** Christopher Fifield, 2017-11-22 For the greater part of the twentieth century Ibbs and Tillett's concert agency was to the British music industry what Marks and Spencer is to the world of the department store The roll call of famous musicians on its books was unmatched and included such international stars as Clara Butt Fritz Kreisler Pablo Casals Sergei Rachmaninov Andr Segovia Kathleen Ferrier Myra Hess Jacqueline du Pr Clifford Curzon and Vladimir Ashkenazy to name but a handful From 1906 the success of the company was due to the dedication of its founders Robert Leigh Ibbs and John Tillett After their deaths the agency was run by the latter's wife Emmie who dubbed the Duchess of Wigmore Street became one of the most formidable yet respected women in British music The history of this unique institution and its owners is told here for the first time often through the fascinating letters that were

exchanged between the artists themselves and the agency It begins in the latter years of the 19th century with the concert and theatrical manager Narciso Vert for whom both Ibbs and Tillett worked until his death in 1905 The story then becomes a history of musical life in twentieth century Britain illuminating aspects of the day to day management of concerts and festivals the lives and livelihoods of professional musicians as well as those who strove to join their ranks through audition or recommendation The changing profile and particularly the onset and development of personal management of artists represented by Ibbs and Tillett and their reception in the press can be viewed as a barometer of musical taste The demise of the agency in 1990 was indicative of just how much the world of British music had changed by the end of the century but despite its loss to the profession the legacy and influence of Ibbs and Tillett has remained a benchmark in today s highly competitive world of artist management and concert promotion many of whose principal operators began **The New Records** ,1986
