Sukkot And Simchat Torah Anthology:

The Sukkot and Simhat Torah Anthology Philip Goodman, 2018-07 Back by popular demand the classic JPS holiday anthologies remain essential and relevant in our digital age Unequaled in depth compilations of classic and contemporary writings they have long guided rabbis cantors educators and other readers seeking the origins meanings and varied celebrations of the Jewish festivals The Sukkot and Simhat Torah Anthology offers new insight into the Festival of Ingathering celebrating the harvest in the land of our ancestors and the Festival of Rejoicing in the Law marking the new cycle of public Torah readings by elucidating the two festivals background historical development and spiritual truths for Jews and humankind Mining the Bible postbiblical literature Talmud midrashim prayers with commentaries and Hasidic tales the compendium also showcases humor art food song dance essays stories and poems including works by Chaim Weizmann Elie Wiesel Herman Wouk S Y Agnon Sholom Aleichem H N Bialik and Solomon Schechter truly a rich harvest for the Season of The Sukkot and Simhat Torah Anthology Philip Goodman, 1973 Sukkot/Simhat Torah Philip Goodman,1994 Sukkot festival of the harvest and thanksgiving culminates the fall cycle of Jewish holidays Build and decorate a sukkah eat and sing in it under the stars remembering the temporary shelters that the Jews built in the desert Learn about the beautiful traditions of lulav and etrog as observed in the home and synagogue Immediately following is Simhat Torah when Jews complete the reading of the Torah for the year and begin the cycle again Learn the history and customs of the joyous processional hakafor in synagogues around the world **Jewish Family Celebrations** Arlene Cardozo, 1985-02-15 The author describes her own family s customs and surveys the foods songs blessings and other traditional ways of observing at home the Jewish holidays throughout the year Teaching Haftarah Lainie Blum Cogan, Judy Weiss, 2002 A guidebook to help educators teach middle school or high school students in formal instructional courses and to teach all students about the prophets in an informal setting Celebrating the Jewish Year Paul Steinberg, Janet Greenstein Potter, 2007-08-01 Offers prayers sources rituals and stories to help understand and celebrate the Jewish holidays To Be a Jew Havim H. Donin, 2019-08-13 The inimitable classic guide to the ageless heritage of Judaism from Rabbi Hayim H Donin an incomparable teacher and interpreter of Jewish laws and practice Embraced over many decades by hundreds of thousands of readers To Be a Jew offers a clear and comprehensive introduction to traditional Jewish laws and customs as they apply to daily life in the contemporary world In simple and powerful language Rabbi Hayim Halevy Donin presents the fundamentals of Judaism including the laws and observances for the Sabbath the dietary laws family life prayer at home and in the synagogue the major and minor holidays and the guiding principles and observances of life such as birth naming circumcision adoption and conversion Bar mitzvah marriage divorce death and mourning Ideal for reference reflection and inspiration To Be a Jew will by greatly valued by anyone who feels that knowing understanding and observing the laws and traditions of Judaism in daily life is the essence of what it means to be a Jew Teaching Mitzvot Barbara Binder Kadden, Behrman House, Bruce

Kadden,2005-06 This exceptional guide for learning and teaching about mitzvot offers overviews of 41 mitzvot in six areas holidays rituals word and thought tzedakah gemilut chasadim and ahavah All school programs for each mitzvah and more than 600 activities spanning all grade levels help you implement creative classroom techniques and enrich your students experiences

Encyclopedia of Jewish Folklore and Traditions Raphael Patai,2015-03-26 This multicultural reference work on Jewish folklore legends customs and other elements of folklife is the first of its kind

Mishkan Moeid Peter S.

Knobel,2013-09-18 Mishkan Moeid newly revised and updated from the CCAR classic Gates of the Seasons this survey of the sacred days of the Jewish yearly cycle provides detailed guidance on observing Shabbat and the Jewish holidays including historical background essays and extensive notes Mishkan Moeid is perfect for Introduction to Judaism classes and conversion candidates as well as personal study for those wishing to reconnect or deepen their relationship to Judaism Published by CCAR Press a division of the Central Conference of American Rabbis

Rediscovering Judaism Kerry M.

Olitzky, Ronald H. Isaacs, 1997 Study program specially geared to the group of adults becoming adult Bar Bat mitzvot

Let's Eat Lori Stein, Ronald H Isaacs, 2023-06-14 The food that Jewish people eat is part of our connection to our faith culture and history Not only is Jewish food comforting and delicious it s also a link to every facet of Judaism By learning about and cooking traditional Jewish dishes we can understand fundamentals such as kashrut community and diversity And Jewish history is so connected to food that one comedian said that the story of Judaism can be condensed into nine words They tried to kill us We survived Let's eat Let's Eat follows the calendar of Jewish holidays to include food from the many different Jewish communities around the world in doing so it brings the values that are the foundation of Judaism into focus It also covers the way these foods have ended up on the Jewish menu and how Jews as they wandered through the world have influenced and been influenced by other nations and cuisines Including over 40 recipes this delicious review of the role of food in Jewish life offers a lively history alongside the traditions of **Judaism in America** Marc Lee Raphael, 2005-12-20 Jews have been a religious and cultural presence in America since the colonial era and the community of Jews in the United States today some six million people continues to make a significant contribution to the American religious landscape Emphasizing developments in American Judaism in the last quarter century among active participants in Jewish worship this book provides both a look back into the 350 year history of Judaic life and a well crafted portrait of a multifaceted tradition today Combining extensive research into synagogue archival records and secondary sources as well as interviews and observations of worship services at more than a hundred Jewish congregations across the country Raphael's study distinguishes itself as both a history of the Judaic tradition and a witness to the vitality and variety of contemporary American Judaic life Beginning with a chapter on beliefs festivals and life cycle events both traditional and non traditional and an explanation of the enormous variation in practice Raphael then explores Jewish history in America from the arrival of the first Jews to the present highlighting the emergence and development of the four branches Orthodox Conservative

Reconstructionist and Reform After documenting the considerable variety among the branches the book addresses issues of some controversy notably spirituality conversion homosexuality Jewish education synagogue architecture and the relationship to Israel Raphael turns next to a discussion of eight American Jews whose thoughts and or activities made a huge impact on American Judaism The final chapter focuses on the return to tradition in every branch of Judaism and examines prospects for the future Seasons of Our Joy Arthur I. Waskow, Arthur Ocean Waskow, 1990 Circling the Jewish calendar from Rosh Hashanah to Tisha B Av this lively accessible guide includes rituals recipes songs prayers and suggestions for new approaches to holiday observance A wonderful blend of information and innovation that will help readers find both traditional Gates of the Seasons Peter S. Knobel, 1983 A survey of the sacred days of the Jewish yearly cycle providing detailed quidance on observing the Sabbath and the Jewish holidays including Yom Ha shoah Holocaust Day and Yom Ha Atsmaut Israeli Independence Day Provides historical background essays a 25 year calendar of holidays extensive notes bibliography glossary and index Jewish Every Day Behrman House, Maxine Segal Handelman, 2005-06 Written in a warm and understanding tone this guide takes the best in secular early childhood education and applies it to Jewish early childhood education With extensive bibliographies as well as background information for teachers individual chapters review developmentally appropriate practice anti bias education storytelling music Jewish thematic units reaching out to interfaith families keeping kosher at school and much more **Reflections on the Major Holy Days of Judaism** Dr. Martin Sicker, 2020-04-13 It should come as no surprise that Judaism which has existed as the religion and culture of the children of Israel since the days of Moses more than three millennia ago has had occasion to institute markers reflective of its development and history from then to the present day The present work Reflections on the Major Holy Days of Judaism is intentionally limited in scope to those occasions earmarked as holy convocations in the primary sourcebooks of Judaism The Five Books of Moses known in Jewish lore as the Torah and in many translations as the Pentateuch It is these holy convocations that dominate Judaism's annual religious and liturgical calendar yet the biblical texts that ordain them are in many instances less than clear with regard to their observance As a result over the millennia since their original promulgation scholars and others have struggled with the problem of defining in acceptable and actionable terms the purported intent of the sacred texts a process that continues to the present day This study recalls the notable reflections of scholars since the first century C E as well as their disagreements on the evolution of the Major Holy Days of Judaism their significance traditions and distinctive customs Judaism and Global Survival Richard Schwartz, 2023-08-15 Judaism and Global Survival discusses the challenges facing humanity and the Jewish teachings related to these challenges in order to galvanize Jews to help repair the world tikkun olam as required by Jewish law It argues that we don't need to discover new values and approaches to address current global threats What is needed is a rediscovery and application of basic Jewish teachings and mandates such as to pursue peace and justice to love our neighbors as ourselves and to act as co workers with

God in protecting and preserving the world Judaism and Global Survival is meant to be a wake up call the strongest that one can make on the urgency of addressing climate threats and other environmental threats and the importance of Jews applying Jewish values in addressing these threats Among the issues discussed in the book are the following Jews are to quardians of the earth partners and co workers with God in working toward tikkun olam the healing repair and proper transforming of the world climate change is an existential threat to the world and the only hope to avert a climate catastrophe is through a major shift to plant based diets as that would enable reforestation of the vast areas now used for animal agriculture reducing atmospheric CO2 to a much safer level vegetarianism and even more so veganism is the diet most consistent with Jewish teachings on preserving our health treating animals with compassion protecting the environment conserving natural resources and helping hungry people Holyday Handbook Temple Israel (Tulsa, Okla.),1960 The Iewish Book of Davs Jill Hammer, 2010-01-01 Throughout the ages Jews have connected legends to particular days of the Hebrew calendar Abraham's birth the death of Rachel and the creation of light are all tales that are linked to a specific day and season The Jewish Book of Days invites readers to experience the connection between sacred story and nature s rhythms through readings designed for each and every day of the year These daily readings offer an opportunity to live in tune with the wisdom of the past while learning new truths about the times we live in today Using the tree as its central metaphor The Jewish Book of Days is divided into eight chapters of approximately forty five days each These sections represent the tree s stages of growth seed root shoot sap bud leaf flower and fruit and also echo the natural cadences of each season Each entry has three components a biblical quote for the day a midrash on the biblical quote or a Jewish tradition related to that day and commentary relating the text to the cycles of the year The author includes an introduction that analyzes the different months and seasons of the Hebrew calendar and explains the textual sources used throughout Appendixes provide additional material for leap years equinoxes and solstices A section on seasonal meditations offers a new way to approach the divine every day
