Silcox,Graham Roebuck,2008 The essays collected in this volume explore many of the most interesting and some of the more surprising reactions of English people in the early modern period to their encounters with the mysterious and the foreign In this period the small and peripheral nation of English speakers first explored the distant world from the Arctic to the tropics of the Americas to the exotic East and snowy

wastes of Russia recording its impressions and adventures in an equally wide variety of literary genres Nearer home fresh encounters with the mysterious world of the Ottoman Empire and the lure of the Holy Land and of course with the evocative wonders of Italy provide equally rich accounts for the consumption of a reading and theatergoing public This growing public proved to be in some cases naive and gullible in others urbanely sophisticated in its reactions to otherness or frankly incredulous of travelers tales

Women of Jordan Amira El-Azhary Sonbol, 2022-04-12 In the first book to address the dilemma faced by Jordanian women in the workforce Amira El Azhary Sonbol delineates the constraints that exist in a number of legal practices namely penal codes that permit violence against Muslim women and personal status laws that require a husband s permission for a woman to work Leniency in honor crimes and early marriage and motherhood for girls are other factors that extend the patriarchal power throughout a woman s life and ultimately deny her full legal competency Significantly Sonbol notes that society s accepting as Islamic the legal constraints that control women s work constitutes a major barrier to any effort to change them even though historically the Islamic sharia actually encourages women s work and despite the fact that Muslim women have contributed materially to their society s economy The author covers new ground as she effectively illustrates how Jordanian laws governing gender family and work combine with laws and legal philosophies derived from tribal traditional Islamic and modern laws to form a strict patriarchal structure
