

The painting is a vertical composition. A thin, light-colored branch enters from the top left, curves downwards, and then extends horizontally across the middle. Two small birds are perched on this horizontal section. They are painted with dark ink for their heads and backs, and lighter ink for their chests. Their eyes are closed, giving them a serene expression. Several leaves are attached to the branch, some at the top left and others further down. The leaves are rendered with varying shades of ink, showing texture and depth. The background is a plain, light-colored paper.

**The Simple Art of Sumi-E** Takumasa Ono, 2005 Sumi e is the ancient art of Japanese brush painting. These evocative paintings, also known as ink pictures, traditionally feature subjects from the natural world such as flowers and birds. Using a minimum of brush strokes to convey the essence of a subject, sumi e artists create delicate, elegant works of art that are universally appealing. Painting is a form of meditation that brings peace and harmony to the artist. The finished pieces are intended to inspire the same sense of tranquility and joy in the viewer. In *The Simple Art of Sumi e*, you'll master all the techniques you'll need to know to create striking paintings and also learn the spiritual aspects of this unique art form. Fifteen lovely projects offer you the chance to put your new skills into practice. Create a set of ceramics decorated with falling leaves, a silk painting of floating flowers in the breeze, chopstick holders decorated with fish, flowers, and birds, a canvas cushion featuring rolling waves, and more. Stunning variations are provided for many of the projects. *The Simple Art of Sumi e* includes calligraphic samples of 100 popular Western first names so that you can personalize your work, plus a series of greetings and haikus for you to use in your own projects. You will enjoy learning sumi e and creating paintings for years to come.
