Communal Utopias and the American Experience Religious Communities, 1732-2000 Robert P. Sutton,2003-09-30 American communalism is not a disjointed erratic almost ephemeral part of our past but an on going essential part of American history This important study begins with an examination of America s first religious utopia at Ephrata near Lancaster Pennsylvania in 1732 and traces successive utopian experiments in the United States through the following centuries The author demonstrates that the utopian communal story is an integral facet of the Puritan concept of America as a city upon a hill and a beacon light for the world where the perfect society could be built and where it could flourish After discussing the Ephrata Cloister 1724 1812 the author turns to the dozen or so Shaker communities that spread utopian communalism from New England to the Ohio Valley frontier in the antebellum years Next he examines the various Separatists as well as the Oneida Community He traces the history of the Hutterite utopias from Russia to the Great Plains and Canada between the Civil War and World War I In a chapter on California counter culture communities he analyzes the Theosophist communes at Pint Loma and Temple Home Finally he discusses modern religious utopias ranging from the Koreshian Unity at Estero Florida to Zion City near Chicago Dorothy Day s Catholic Worker Movement the Sufi Utopia in the Berkshire Mountains and the Pandanaram Settlement in Indiana *Delphi Collected Works of Upton Sinclair US (Illustrated)* Upton Sinclair,2023-04-02 Winner of the Pulitzer Prize in 1943 Upton Sinclair was a prolific American novelist and polemicist for socialism health temperance free speech and worker rights His classic muckraking novel The Jungle is regarded as a landmark naturalistic proletarian work praised by Jack London as the Uncle Tom s Cabin of wage slavery This comprehensive eBook presents Sinclair s collected works with numerous illustrations rare texts appearing in digital print for the first time informative introductions and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Sinclair s life and works Concise introductions to the major novels 28 novels with individual contents tables Features rare novels appearing for the first time in digital publishing Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts Includes a selection of Sinclair s plays and non fiction Features two autobiographies discover Sinclair s intriguing life Ordering of texts into chronological order and genres
