Summer Breeze Catherine Anderson, 2010 **Summer Breeze** Catherine Anderson, 2006-01-03 New York Times bestselling author Catherine Anderson explores the history of the beloved Coulter Family with this timeless tale that will make you believe in the power of love The year is 1889 and Rachel Hollister hasn't set foot outside her house in five years Ever since a savage attack left her family dead she's cordoned herself off from the outside world afraid to let anyone into her home or into her heart But now trouble has appeared on her doorstep and suddenly she has no choice but to let a handsome rancher invade her well guarded

existence Confirmed bachelor Joseph Paxton grudgingly offers to take up temporary residence at the Hollister ranch even though it s obvious that Rachel doesn t want his protection But once he catches a glimpse of his beautiful young ward and her remarkable spirit he ll do anything to make her see the refuge he s offering in his embrace and the splendor that exists beyond her front door Otherwise he ll just have to build a safe haven big enough for the both of them [Quiltmaker's Fancy](#) From the Editors and Contributors of Quiltmaker Magazine,2007-11-01 Make these 16 classic favorites from the pages of Quiltmaker Magazine Includes quilts for every skill level **A Man's Secret Heart** Donald G Ennis,2021-10-29 A man s heart holds a women s secret **A Woman's Secret Heart** Donald G Ennis,2021-05-28 *Florida Cocktails* Thomas Nelson,2025-09-02 Florida Cocktails is a vibrant compilation of over 100 recipes that capture the essence of the Sunshine State Explore Florida s vivid history lively cities and stunning coastlines through its unique cocktail culture With over 100 recipes and numerous bartender profiles Florida Cocktails allows you to experience the state s spirited lifestyle whether you re a resident mixing drinks for friends or a visitor looking to bring a piece of your travels back home From rooftop bars to beachfront shacks discover venues that offer an authentic taste of Florida s diverse drinking scenes Celebrate the best mixologists in the region and their signature concoctions with an insider s guide to must visit spots across the state Within the gorgeous die cut covers you ll find More than 100 must try cocktails including recipes for bespoke ingredients and other serving suggestions Interviews with the state s trendsetting bartenders and mixologists Bartending tips and techniques from the experts Food and drink hotspots across the state including Miami Orlando Tampa Fort Lauderdale and more Whether you re soaking in the dazzling atmosphere of Miami enjoying the sun kissed beaches of Clearwater or savoring the fresh seafood of the Gulf Coast this book brings Florida s favorite libations right to your home bar **Whatever Happened to the Egyptians?** Galal Amin,2001-03-01 Based on both academic research and the author s own personal experiences and impressions this delightful and informative book examines the underlying causes of some of the more disturbing social political economic and cultural phenomena that characterize Egyptian society in the 1990s Egypt s crisis of culture and other woes are often attributed to the open door policy Infitah initiated under President Sadat in the mid 1970s and to the large scale migration of Egyptian workers to the oil rich states of the Gulf that began around the same time Galal Amin contends however that these factors alone are insufficient to explain the fundamental changes in behavior and attitudes that characterize modern Egyptian life The missing link Amin argues lies in the social mobility unleashed by the July Revolution of 1952 which was later accelerated by Infitah and workers migration The sudden upward mobility and attendant prestige self confidence and purchasing power of a large segment of Egyptian society and the desire to display this new found social position as conspicuously as possible have had an enormous effect on the attitudes and allegiances of these groups Through a fascinating and often highly entertaining examination of issues ranging from the middle class religious fanaticism and attitudes to the West and Western culture to the Egyptian institution of the summer holiday by the sea and the performing

arts and entertainment Amin posits that social mobility has changed the customs and habits moral and material values and patterns of consumption and investment of the aspiring classes and has furthermore induced the Egyptian people to ignore national and ideological issues of grave importance This insightful book will prove a thought provoking read for those concerned with emerging economies international development and privatization and will intrigue anyone with an interest in the social history of Egypt The Arabic edition of this book was awarded the Cairo International Book Fair Prize for the best book in Social Studies in 1998 Comments on the Arabic edition A rare example of combining social theory with concrete observation and intimate personal experience A very perceptive account of Egyptian social development with almost the impact of a dramatic creation Abd al Qader al Qutt al Ahram 2000 A very valuable and highly important contribution to social thought and to Egypt s social history A highly original and enjoyable book Faruq Shusha al Ahram 1999 **Catalog of**
