Summer Soldier The True Story Of The Missing Falklands Guardsman:

The Falklands War D. Monaghan, 1998-09-14 This book examines the debate which has long raged in Britain about the meaning of the Falklands War Using literary critical methods Monaghan examines how the Thatcherite reading of the war as a myth of British greatness reborn was developed through political speeches and journalistic writing He then goes on to discuss a number of films plays cartoon strips and travel books which have subverted the dominant myth by finding national metaphors of a very different kind in the Falklands War *No Such Thing as Society* Andy McSmith, 2010-09-16 The 1980s was the revolutionary decade of the twentieth century To look back in 1990 at the Britain of ten years earlier was to look into another country The changes were not superficial like the revolution in fashion and music that enlivened the 1960s nor were they quite as unsettling and joyless as the troubles of the 1970s And yet they were irreversible By the end of the decade society as a whole was wealthier money was easier to borrow there was less social upheaval less uncertainty about the future Perhaps the greatest transformation of the decade was that by 1990 the British lived in a new ideological universe where the defining conflict of the twentieth century between capitalism and socialism was over Thatcherism took the politics out of politics and created vast differences between rich and poor but no expectation that the existence of such gross inequalities was a problem that society or government could solve because as Mrs Thatcher said There is no such thing as society people must look to themselves first From the Falklands war and the miners strike to Bobby Sands and the Guildford Four from Diana and the New Romantics to Live Aid and the big bang from the Rubik s cube to the ZX Spectrum McSmith s brilliant narrative account uncovers the truth behind the decade that changed Britain forever *War, Literature, and the Arts* ,1992

Forthcoming Books Rose Army, 1992-10 War, Literature, and the Arts ,1992 **Works and Days** ,1992 **The Falklands War** George Boyce, 2017-03-16 The Falklands War of 1982 was a small war but one with large resonances The Argentine invasion of the one of the few remaining British colonies on 2 April might have been prevented by a more coherent British foreign policy better intelligence analysis and military precautions and once the crisis began it could have possibly ended by negotiation Instead it involved both countries in a short but intense conflict which cost the lives of 255 British and 625 Argentine personnel The Falklands War Examines the interaction between military force and diplomacy shedding light on their often hidden relationship Explores the deeply personal response of the British and Argentine public to the conflict Assesses the relationship between the Government and the media and considers the interpretation of the war in Britain Analyses the effect of the conflict on the concept of Thatcher s Britain The Falklands War exemplified what one historian has called the myriad faces of war It was the last war which Britain fought outside a coalition or an international organisation and far from being marginal to Britain s key role as part of the defence system against the Soviet threat it held a mirror up to the face of the British people in the late twentieth century Authoritative and clear this is the ideal introduction for anyone with an interest in one of Britain s most significant military engagements its impact and consequences *Directions* ,1991

Jahresbibliographie Bibliothek für Zeitgeschichte (Germany),1994 **Books in Print** ,1977 **Paperbound Books in Print** ,1991 **Summer Soldier** Philip Williams,M. S. Power,1990 Guardsman Philip Williams was 18 when he fought in the Falklands War He was left for dead and a memorial service was held for him On his return the press treated him with hostility and his life turned sour He has left the Army and is often unemployed This book offers his account of the experience
A Soldier's Song Ken Lukowiak,1993
