SummerHill Secrets : Volume 1 Beverly Lewis,2007-10-01 5 in 1 Edition of a Beloved Series Over 500 000 copies sold in the series Join Merry Hanson as the very modern fifteen year old faces the true to life struggles and triumphs of growing up in the heart of Pennsylvania Amish country Whispers Down the Lane When Lissa Vyner shows up bruised and beaten Merry enlists the help of her Amish friend Rachel Zook Secret in the Willows After her Amish neighbors farm is vandalized Merry resolves to find the culprit before an innocent person takes the blame Catch a Falling Star Her crush on Jon Klein stymied by Lissa Merry mystifies nearly everyone when she begins spending time with Old Order Levi Zook Night of the Fireflies Susie Zook has always reminded Merry of her dead twin but the parallel becomes hauntingly similar in the wake of a terrible accident A Cry in the Dark An abandoned baby girl appears to be the answer to Merry s prayers but she isn t the only one with hopes for baby Charity *Neill of Summerhill (Routledge Revivals)* Jonathan Croall,2013-09-13 A S Neill was arguably the most famous child educator of the twentieth century He was certainly the most controversial All over the world countless parents and teachers have been shocked delighted or inspired by his subversive ideas about education or by a visit to that dreadful school which continues to this day Summerhill First published in 1983 this sympathetic but critical exploration of his

iconoclastic ideas and personality is the result of interviews with two hundred ex pupils parents and teachers about life at Summerhill and of the practicality of Neill s philosophy about child freedom Jonathan Croall has also drawn on many unpublished letters and documents which help to illuminate Neill s personal struggles and his analysis and friendship with Homer Lane Wilhelm Stekel and Wilhelm Reich The result is a fascinating and revealing portrait of a remarkable man who in his absolute determination to be on the side of the child remained in permanent opposition to the adult world From Socrates to Summerhill and Beyond Ronald Swartz,2016-06-01 In From Socrates to Summerhill and Beyond Towards a Philosophy of Education for Personal Responsibility Ronald Swartz offers an evolving development of fallible liberal democratic self governing educational philosophies He suggests that educators can benefit from having dialogues about questions such as these 1 Are there some authorities that can be consistently relied upon to tell school members what they should do and learn while they are in school 2 How should the imagination of social theorists be both used and checked in the development and implementation of innovative educational reforms 3 How can teachers in personal responsibility schools help their students learn These questions are representative of problems that Swartz raises in his book Swartz identifies four educational programs as personal responsibility schools These are Little Commonwealth Homer Lane Summerhill A S Neill Orphans Home Janusz Korczak and Sudbury Valley School Daniel Greenberg Swartz then suggests that these learning environments create social institutions that are liberal democratic and self governing and therefore endorse the policy of personal responsibility This policy states All school members students included are fallible authorities who should be personally responsible for determining their own school activities and many policies that govern a school Schools which incorporate this policy can interchangeably be referred to as personal responsibility self governing or Summerhill style schools In providing an historical and philosophical understanding of Summerhill style schools Swartz suggests that these educational alternatives have intellectual roots in the ideas associated with Socrates as portrayed in Plato s Apology Specifically in personal responsibility schools teachers are not viewed as authorities who attempt to transmit wisdom to their students Rather self governing schools follow the Socratic tradition which claims that teachers can be viewed as fallible authorities who attempt to engage students in dialogues about questions of interest to students The interpretation of Plato s works used by Swartz can be found in Karl Popper s The Open Society and Its Enemies Swartz has also been significantly influenced by the educational writings of Bertrand Russell and Paul Goodman Goodman s Compulsory Miseducation makes it clear that schools which follow in the tradition of Summerhill compete with the educational programs that are an outgrowth of John Dewey s writings In summary Swartz s book aims to engage educators in dialogues that will lead to improved educational theories and practices *A directory to the market towns, villages, gentlemen's seats and other noted places in Ireland* Ambrose Leet,1814 *A Directory to the market towns, villages, gentlemen's seats and other noted places in Ireland ...
