Summers Beauty:

Summer Dallas Lore Sharp, 2021-05-18 In *Summer* Dallas Lore Sharp invites readers into an immersive exploration of the warmest season seamlessly blending nature writing with personal reflection to evoke a vibrant tapestry of life. The text is characterized by its lyrical prose and keen observations that reflect Sharp's profound appreciation for the natural world. Positioned within the early 20th century American literary context, Sharp's work aligns with the burgeoning popularity of nature writing during this period, echoing the sentiments of contemporaries like John Muir and Henry David Thoreau while maintaining a distinctively personal touch. Dallas Lore Sharp, an influential American naturalist and writer, devoted his life to fostering a deeper understanding of nature through his writings. His experiences as a professor of English and a conservation advocate undoubtedly influenced his perspective. Sharp's deep-rooted love for the outdoors, coupled with a desire to bridge the gap between humanity and nature, led him to craft this beautiful celebration of summer, reflecting on its beauty, complexities, and the interdependence of all life. I enthusiastically recommend *Summer* to anyone seeking a poignant contemplation of nature's beauty and rhythm. This work not only enriches one's appreciation for the season but also inspires a more profound connection to the natural world, making it essential reading for nature enthusiasts and lovers of eloquent prose. Spiritual Rhythm Mark Buchanan, 2010-08-24. Abide in me, Jesus tells us, and you will bear much fruit. Yet too often we forget that fruit needs different seasons in order to grow. We measure our spiritual maturity by how much we do rather than how we are responding to our current spiritual season. In *Spiritual Rhythm*, Mark Buchanan replaces our spirituality of busyness with a spirituality of abiding. Sometimes we are busy, sometimes still, sometimes pushing with all we've got, sometimes waiting. This model of the spiritual life measures and produces growth by asking, Are we living in rhythm with the season we are in? With the lyrical writing for which he is known, Mark invites us to respond to every season of the heart, whether we are flourishing and fruitful, stark and dismal, or cool and windy. In comparing spiritual rhythms to the seasons of the year, he shows us what to expect from each season and how embracing the seasons causes our spiritual lives to prosper. As he draws on the powerful words of Scripture, Mark explores what activities are suitable or necessary in each season and what activities are useless or even harmful in that season. Throughout the book, Mark weaves together stories of young and old men and women, families, couples, and individuals who are in or have been through a particular season of the heart. As Mark writes, I pray that this book meets you in whatever season you're in and prepares you for whatever seasons await. I pray that it helps you find your voice, your stride, your rhythm in season or out. Mostly, I pray that you, with or without my help, find Christ wherever you are. And that even more, you discover that wherever you are, he's found you.
