## Summers Gift:

, The Goodbye Summer Sarah Van Name, 2019-05-07 Sarah Dessen meets Morgan Matson in the perfect summer debut about learning to say goodbye or finding a reason to stay Caroline is counting the days until September when she'll turn seventeen and she and her older boyfriend Jake will run away together She doesn't feel connected to anyone at home now that she has him and she can't wait to see the world with the most important person in her life So with just a few more months until freedom she spends her summer working at the local aquarium gift shop and dreaming of the fall Then she meets Georgia a counselor at the aquarium's camp and Caroline's world changes Through pizza lunches trips to amusement parks and midnight talks Georgia begins to show Caroline there's more to life than being with Jake The stronger Georgia and Caroline's bond grows the more uneasy Caroline becomes about her plans to leave When summer comes to a close she'll have to say goodbye to someone but who is she willing to lose

**Methodist Worship** R. Matthew Sigler, 2018-07-04 What makes Methodist worship Methodist or Wesleyan How do Methodists evaluate emerging forms of worship in light of their own liturgical heritage This book considers these questions by bringing to light the work and significance of three Methodist liturgists who have until now received precious little scholarly focus Thomas O Summers 1812-1882 Nolan B Harmon 1892-1993 and James F White 1932-2004 Exploring each one's contribution to the Methodist movement it evaluates their continuing legacies as scholars and practitioners of Methodist worship Importantly the work of all these men occurred during times of cultural change which gave rise to new ways of worship within the landscape of American Methodism Addressing them in chronological order this study shows how each figure enacted liturgical reform and renewal by drawing from the liturgical textual tradition inherited directly from John Wesley's Sunday Service of the Methodist in North America as well as the hymnody of Charles Wesley It also demonstrates how they sought to inculturate the Wesleyan liturgical tradition in the midst of these significant changes Evaluating historic and emerging trends in Methodist liturgical praxis this is a book that will be of great interest to scholars of Methodism the History of Religion Liturgical Studies and Theology
