## Summit Conferences 1919 196:

**Summits** David Reynolds, 2010-05 Recounts six summits which had a significant political impact during the twentieth century including the Yalta summit in 1945 with Churchill Roosevelt and Stalin and the Geneva summit in 1985 with Gorbachev and Reagan

**Mecca of Revolution** Jeffrey James Byrne, 2016 Through an examination of Algeria's interactions with the wider world from the beginning of its war of independence to the fall of its first post colonial regime Mecca of Revolution provides the Third Worldist perspective on twentieth century international history Featuring pioneering research on multiple continents it rejuvenates the fields of diplomatic history and post colonial studies

**Eureka Summit** Paul D. Mayle, 1987 A study of the first face to face meeting of Churchill Roosevelt and Stalin in Tehran at the end of 1943 This book shows why the meeting marked by divisions resulted in only patchwork agreements

*Diplomacy at the Highest Level* David H. Dunn, 2016-07-27 Diplomacy at the Highest Level provides the first comprehensive analysis of the theory and practice of international summitry The implications of the increased involvement of political leaders in international diplomacy is analyzed through case studies of specific meetings and types of summit representing a broad historical geographic and political spectrum The volume also explains the development of high level meetings from pre modern times until the present day the increase in summitry in the twentieth century and the advantages and disadvantages of summits for international politics and diplomacy

The Mountain Bernard Debarbieux, Gilles Rudaz, 2015-09-10 From the Enlightenment to the present day and using a variety of case studies from all the continents the authors show us how our ideas of and about mountains have changed with the times and how a wide range of policies from border delineation to forestry as well as nature protection and social programs have been shaped according to them A rich hybrid analysis of geography history culture and politics Jacket

*Personalities, War and Diplomacy* Thomas G. Otte, Constantine A. Pagedas, 1997 Combines essays on the personality dimension in the 19th and 20th century international history placing in a proper historical perspective the impact of individual diplomats politicians and military strategists on foreign policy making

**Barbarism and Civilization** Bernard Wasserstein, 2009-02-12 The twentieth century in Europe witnessed some of the most brutish episodes in history Yet it also saw incontestable improvements in the conditions of existence for most inhabitants of the continent from rising living standards and dramatically increased life expectancy to the virtual elimination of illiteracy and the advance of women ethnic minorities and homosexuals to greater equality of respect and opportunity It was a century of barbarism and civilization of cruelty and tenderness of technological achievement and environmental spoliation of imperial expansion and withdrawal of authoritarian repression and of individualism resurgent Covering everything from war and politics to social cultural and economic change Barbarism and Civilization is by turns grim humorous surprising and enlightening a window on the century we have left behind and the earliest years of its troubled successor

The Cold War Reference Guide Richard Alan Schwartz, 2015-09-17 For over forty years much of the world was held captive by a conflict

between two wholly incompatible economic ideologies capitalism and communism and the two primary superpower countries who practiced them the United States and the Soviet Union Written in accessible language for readers with little or no previous knowledge about the subject this work is first a general history of the Cold War with an overview of its root causes and the policies and theories that were in place from 1947 through 1990 A thoroughly annotated chronology of important Cold War events follows Short biographies of some of the major United States political figures and world leaders conclude the work

*Supernova* D R Thorpe, 2010-09-09 Great grandson of a crofter and son in law of a Duke Harold Macmillan 1894-1986 was both complex as a person and influential as a politician Marked by terrible experiences in the trenches in the First World War and by his work as an MP during the Depression he was a Tory rebel an outspoken backbencher opposing the economic policies of the 1930s and the appeasement policies of his own government Churchill gave him responsibility during the Second World War with executive command as Viceroy of the Mediterranean After the War in opposition Macmillan was one of the principal reformers of the Conservatives and after 1951 back in government served in several important posts before becoming Prime Minister after the Suez Crisis *Supernova* examines key events including the controversy over the Cossacks repatriation the Suez Crisis You've Never Had It So Good the Winds of Change the Cuban Missile Crisis and the Profumo Scandal The culmination of thirty five years of research into this period by one of our most respected historians this book gives an unforgettable portrait of a turbulent age Shortlisted for the Orwell Prize

*Black Women's Christian Activism* Betty Livingston Adams, 2020-05-19 2017 Wilbur Non Fiction Award Recipient Winner of the 2018 Author's Award in scholarly non fiction presented by the New Jersey Studies Academic Alliance Winner 2020 Kornitzer Book Prize given by Drew University Examines the oft overlooked role of non elite black women in the growth of northern suburbs and American Protestantism in the first half of the twentieth century When a domestic servant named Violet Johnson moved to the affluent white suburb of Summit New Jersey in 1897 she became one of just barely a hundred black residents in the town of six thousand In this avowedly liberal Protestant community the very definition of the suburbs depended on observance of unmarked and fluctuating race and class barriers But Johnson did not intend to accept the status quo Establishing a Baptist church a year later a seemingly moderate act that would have implications far beyond weekly worship Johnson challenged assumptions of gender and race advocating for a politics of civic righteousness that would grant African Americans an equal place in a Christian nation Johnson's story is powerful but she was just one among the many working class activists integral to the budding days of the civil rights movement Focusing on the strategies and organizational models church women employed in the fight for social justice Adams tracks the intersection of politics and religion race and gender and place and space in a New York City suburb a local example that offers new insights on northern racial oppression and civil rights protest As this book makes clear religion made a key difference in the lives and activism of ordinary black women who lived worked and worshiped on the margin during this tumultuous time

Lurie,Richard F. Veit,2016-09-16 Winner of the 2017 New Jersey Studies Academic Alliance Author Award Reference Category See New Jersey history as you read about it Envisioning New Jersey brings together 650 spectacular images that illuminate the course of the state s history from prehistoric times to the present Readers may think they know New Jersey s history the state s increasing diversity industrialization and suburbanization but the visual record presented here dramatically deepens and enriches that knowledge Maxine N Lurie and Richard F Veit two leading authorities on New Jersey history present a smorgasbord of informative pictures ranging from paintings and photographs to documents and maps Portraits of George Washington and Molly Pitcher from the Revolution battle flags from the War of 1812 and the Civil War women air raid wardens patrolling the streets of Newark during World War II the Vietnam War Memorial all show New Jerseyans fighting for liberty There are also pictures of Thomas Mundy Peterson the first African American to vote after passage of the Fifteenth Amendment Paul Robeson marching for civil rights university students protesting in the 1960s and Martin Luther King speaking at Monmouth University The authors highlight the ethnic and religious variety of New Jersey inhabitants with images that range from Native American arrowheads and fishing implements to Dutch and German buildings early African American churches and leaders and modern Catholic and Hindu houses of worship Here too are the great New Jersey innovators from Thomas Edison to the Bell Labs scientists who worked on transistors Compiled by the authors of New Jersey A History of the Garden State this volume is intended as an illustrated companion to that earlier volume Envisioning New Jersey also stands on its own because essays synthesizing each era accompany the illustrations A fascinating gold mine of images from the state s past Envisioning New Jersey is the first illustrated book on the Garden State that covers its complete history capturing the amazing transformation of New Jersey over time View sample pages [http://issuu.com/rutgersuniversitypress/docs/lurie\\_veit\\_envisioning\\_sample](http://issuu.com/rutgersuniversitypress/docs/lurie_veit_envisioning_sample) Thanks to the New Jersey Historical Commission the New Jersey Council for the Humanities and generous individual donors for making this project possible **Free Trade Nation** Frank Trentmann,2008 The story of Free Trade in nineteenth century Britain its contribution to the development of Britain s democratic culture and the unravelling of the Free Trade movement in the wake of the First World War **The Oxford Handbook of International Law in Asia and the Pacific** Simon Chesterman,Hisashi Owada,Ben Saul,2019-09-12 The growing economic and political significance of Asia has exposed a tension in the modern international order Despite

expanding power and influence Asian states have played a minimal role in creating the norms and institutions of international law today they are the least likely to be parties to international agreements or to be represented in international organizations That is changing There is widespread scholarly and practitioner interest in international law at present in the Asia Pacific region as well as developments in the practice of states The change has been driven by threats as well as opportunities Transnational issues such as climate change and occasional flashpoints like the territorial disputes of the South China and the East China Seas pose challenges while economic integration and the proliferation of specialized branches of law and dispute settlement mechanisms have also encouraged greater domestic implementation of international norms across Asia These evolutions join the long standing interest in parts of Asia notably South Asia in post colonial theory and the history of international law The Oxford Handbook of International Law in Asia and the Pacific brings together pre eminent and emerging specialists to analyse the approach to and influence of key states of the region as well as whether truly Asian trends can be identified and what this might mean for international order      *West Germany* Michael Balfour,2023-06-09

First Published in 1982 *West Germany* presents a new approach to the study of contemporary Germany The past history of the country is used to explain its present state since the roots of many of the events of this century can be found as far back as the Middle Ages In order to understand Germany s relative backwardness in the nineteenth century it is vital to have some conception of her medieval history and likewise the descriptions of the constitutions of 1871 and 1919 help to explain why the Basic Law of 1949 took the form it did The form the book takes is slightly unusual in that the amount of space devoted to an epoch increases as the present day approaches but this is consistent with the aim of the book This is an important historical document for scholars and researchers of German history and European history      **Mastering**

**Twentieth-Century Russian History** Norman Lowe,2020-08-29 *Mastering Twentieth Century Russian History* presents a vivid and informative account of the events which befell the Russian people during the course of the twentieth century Explores the major developments of the last century from the revolution of 1905 to the First and Second World Wars to the Cold War and the rise and fall of the USSR Examines key figures and their actions from Nicholas II Lenin Trotsky Stalin Khrushchev Brezhnev Gorbachev and Yeltsin to Putin Deals with events right up to 2000 enabling the Soviet experiment to be placed in context a decade after its collapse Incorporates the latest research from British American and Russian historians examining key controversies and debates Includes primary source material maps photographs posters and a full chronology of events This text is the ideal companion for anyone seeking a clear yet detailed introduction to the fascinating events of twentieth century Russian history      **The Four Power Pact** Konrad Hugo Jarausch,1965      *The Macedonian Question and the Macedonians* Alexis Heraclides,2020-12-30 This book is a comprehensive and dispassionate analysis of the intriguing Macedonian Question from 1878 until 1949 and of the Macedonians and of their neighbours from the 1890s until today with the two themes intertwining The Macedonian Question was an offshoot of the wider Eastern Question i e the fate of the

European remnants of the Ottoman Empire once it dissolved The initial protagonists of the Macedonian Question were Greece Bulgaria and Serbia and a Slav speaking population inhabiting geographical Macedonia in search of its destiny the largest segment of which ended up creating a new nation comprising the Macedonians something unacceptable to its three neighbours Alexis Heraclides analyses the shifting sands of the Macedonian Question and of the gradual rise of Macedonian nationhood with special emphasis on the Greek Bulgarian and Serbian claims to Macedonia 1870s 1919 the birth and vicissitudes of the most famous Macedonian revolutionary organization the VM O RO and of other organizations 1893 1940 the appearance and gradual establishment of the Macedonian nation from the 1890s until 1945 Titos s crucial role in Macedonian nationhood cum federal status the Greek Macedonian name dispute 1991 2018 including the skeletons in the cupboard the deep seated reasons rendering the clash intractable for decades the final Greek Macedonian settlement the 2018 Prespa Agreement the Bulgarian Macedonian dispute 1950 today and its ephemeral settlement in 2017 the issue of the Macedonian language and the Macedonian national historical narrative The author also addresses questions around who the ancient Macedonians were and the fascination with Alexander the Great This monograph will be an essential resource for scholars working on Macedonian history Balkan politics and conflict resolution
