

# Writing Across the Curriculum Overview

The philosophies underlying these programs generally agree on certain basic principles:

- that writing **is the responsibility of the entire academic** community.
- that writing must be integrated across departmental boundaries.
- that writing instruction must be continuous during all years of post-secondary education.
- that writing **promotes learning**
- that only by practicing the conventions of an academic discipline will students begin to communicate effectively within that discipline

(WAC Clearinghouse, "Basic Principles of WAC", 1992).

## **Sundance Choice For Writing Across The Curriculum:**

**Sundance Choice** ,2006 Thirty three articles in seven subject areas      Longman Bibliography of Composition and Rhetoric, 1986 Erika Lindemann,1988      *Longman Bibliography of Composition and Rhetoric* ,1986      *Instructor* ,1994  
Good Stuff Rebecca Rupp,1993      **Christian Home Educators' Curriculum Manual** Cathy Duffy,1995-07 Cathy Duffy draws upon her many years of home education experience both in teaching and researching curriculum to bring us the most thorough and useful book available on teaching teenagers at home      *Literature for Young Adults* Joan L. Knickerbocker,James A. Rycik,2019-08-28 Now in its second edition this book explores a great variety of genres and formats of young adult literature while placing special emphasis on contemporary works with nontraditional themes protagonists and literary conventions that are well suited to young adult readers It looks at the ways in which contemporary readers can access literature and share the works they re reading and it shows teachers the resources that are available especially online for choosing and using good literature in the classroom and for recommending books for their students personal reading In addition to traditional genre chapters this book includes chapters on literary nonfiction poetry short stories and drama and film Graphic novels diversity issues and uses of technology are also included throughout the text The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their peers and others when communicating about books This book is an essential resource for preservice educators to help young adults understand and appreciate the excellent literature that is available to them New to the second edition New popular authors books and movies with a greater focus on diversity of literature Updated coverage of new trends such as metafiction a renewed focus on nonfiction and retellings of canonical works Increased attention to graphic novels and multimodal texts throughout the book eResources with downloadable materials including book lists awards lists and Focus Questions      **Resources in Education** ,1978      **Middle School Journal** ,1993      *English Journal* ,1996

**Teaching Children Mathematics** ,1994      **Reconfiguring Citizenship** Mehmoona Moosa-Mitha,2016-03-23  
Citizenship as a status assumes that all those encompassed by the term citizen are included albeit within the boundaries of the nation state Yet citizenship practices can be both inclusionary and exclusionary with far reaching ramifications for both nationals and non nationals This volume explores the concept of citizenship and its practices within particular contexts and nation states to identify whether its claims to inclusivity are justified This will show whether the exclusionary dimensions experienced by some citizens and non citizens are linked to deficiencies in the concept country specific policies or how it is practised in different contexts The interrogation of citizenship is important in a globalising world where crossing borders raises issues of diversity and how citizenship status is framed This raises the issue of human rights and their protection within the nation state for people whose lifestyles differ from the prevailing ones Besides highlighting the importance of human rights and social justice as integral to citizenship it affirms the role of the nation state in safeguarding these matters

It does so by building on Indigenous peoples insights about linking citizenship to connections to other people and the environment and arguing for the inalienability and portability of citizenship rights guaranteed collectively through international level agreements These issues are of particular concern to social workers given that they must act in accordance with the principles of democracy equality and empowerment However citizenship issues are often inadequately articulated in social work theory and practice This book redresses this by providing social workers with insights knowledge values and skills about citizenship practices to enable them to work more effectively with those excluded from enjoying the full rights of citizenship in the nation states in which they reside Who's who in American Education ,1990 **Biennial**

**Statistical Report** Wyoming. State Dept. of Education,1960 Congressional Record United States. Congress,1968

**New Schools Exchange Newsletter** New Schools Exchange, inc,1975 Television, Film, and Digital Media Programs Academy of Television Arts and Sciences Foundation,Princeton Review (Firm),2007 Lists colleges and universities in the United States that provide programs in the study of motion pictures television and digital media including information on admissions cost and financial aid graduate employment rates and notable alumni The College Buzz Book Carolyn C. Wise,Stephanie Hauser,2007-03-26 Many guides claim to offer an insider view of top undergraduate programs but no publisher understands insider information like Vault and none of these guides provides the rich detail that Vault s new guide does Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions Each 2 to 3 page entry is composed almost entirely of insider comments from students and alumni Through these narratives Vault provides applicants with detailed balanced perspectives The Software Encyclopedia ,1988 **Biennial Report** Wyoming.
