In Johnson's book, you will be able to learn the basics on how to start couponing, learn the 4 types of couponers, know the 10 commandments of couponing, know the best ways to overcome the couponing problems that you may encounter, know the 4 key factors that contribute to effective grocery shopping for your family, learn the step-by-step process of setting up your family's budget, know how to maintain a budget plan to ultimately establish great savings. That's not all. The book covers more topics, examples, scenarios, and sheets, and many more. It is not a book that pushes its readers to instantly delve into couponing; rather, it is a book that educates the readers about the correlation between couponing, budgeting, and saving, and how these can help families live a healthier and more comfortable life.
