**His Way** Barry Gustafson, 2013-11-01 This the only authorized biography of New Zealand's prime minister Robert Muldoon one of the dominant political figures of the last half century in that country Based on many hours of conversation with Muldoon himself as well as colleagues friends and family and wide access to the prime minister's official and private papers and diaries this book has been awarded the Ian Wards Prize for published historical writing Muldoon is shown as a champion of the ordinary people whose vision over time became anachronistic and inflexible The book is also a fascinating picture of New Zealand's changing political landscape from the 1940s to the 1980s      **Mods: The New Religion** Paul Anderson, 2014-04-14 Mod may have been born in the ballrooms and nightclubs around London but it soon rampaged throughout the country Young kids soon found a passion for sharp clothes music and dancing but for some it was pills thrills and violence The original Mod generation tell it exactly how it was in their very own words First hand accounts of the times from the people who were actually on the scene Top faces scooterboys DJs promoters and musicians build up a vivid exciting snapshot of what it was really like to be with the in crowd Packed with rare pictures ephemera art and graphics of the era Featuring interviews with Eddie Floyd Martha Reeves Ian McLagan Chris Farlowe and many more      The Age of Charisma Jeremy C. Young, 2017 This book demonstrates how the modern relationship between leaders and followers in America grew out of late nineteenth and early twentieth century charismatic social movements      *States of Liberation* Samuel Clowes Huneke, 2022-01-27 States of Liberation traces the paths of gay men in East and West Germany from the violent aftermath of the Second World War to the thundering nightclubs of present day Berlin Following a captivating cast of characters from gay spies and Nazi scientists to queer politicians and secret police bureaucrats States of Liberation tells the remarkable story of how the two German states persecuted gay men and how those men slowly over the course of decades won new rights and created new opportunities for themselves in the heart of Cold War Europe Relying on untapped archives in Germany and the United States as well as oral histories with witnesses and survivors Huneke reveals that communist East Germany was in many ways far more progressive on queer issues than democratic West Germany      **Insiders' Guide® to Orange County, CA** Elizabeth Borsting, 2010-06 Setting Orange County California      Make The Music Go Bang! Don Snowden, 1997-11-15 The Red Hot Chili Peppers Los Lobos and the Go Gos got their starts in the 1980s Los Angeles music scene Collected here are the forefathers of this era speaking out in voices that only the truly initiated possess Don Snowden has assembled the writers who knew and lived this scene who were this scene Color photo insert      Blood And Thunder Liam O'Callaghan, 2024-09-05 Liam O'Callaghan's revelatory Blood and Thunder shows that the rise of Irish rugby is inextricable from the tensions debates and divisions of politics religion and class that have defined modern Irish history Despite the political partition of the island Ireland competes at rugby internationally with an all island team and with a bespoke anthem that nobody loves but everyone tolerates Ireland has become a leading rugby nation despite its tiny population and the fact

that the sport is only the fourth most popular team game on the island by participation In Blood and Thunder O Callaghan traces the dramatic evolution whereby a rugby nation that was deeply attached to amateurism has made such a dramatic success of professionalism From the sequence of events that led Ireland s private Catholic secondary schools to embrace rugby to the controversies and crises that have shaken Irish rugby including the Northern Troubles the Belfast rape trial and the rising toll of head injuries Blood and Thunder tells the rich and fascinating story of Irish rugby Blood and Thunder is more than a social and political history of Irish rugby It is also a shadow history of modern Ireland rooted in brilliant original research and packed with terrific stories

**Talk to Me** Rich Benjamin,2025-02-11 A piercingly powerful memoir a grandson s account of the coup that ended his grandfather s presidency of Haiti the secrecy that shrouded that wound within his family and his urgent efforts to know his mother despite the past A brilliant absorbing book I couldn t stop reading Salman Rushdie author of Knife Rich Benjamin s mother Danielle Fignol grew up the eldest in a large family living a comfortable life in Port au Prince Her mother was a schoolteacher her father a populist hero a labor leader and politician The first true champion of the black masses he eventually became the country s president in 1957 But two weeks after his inauguration that life was shattered Soldiers took Danielle s parents at gunpoint and put them on a plane to New York a coup hatched by the Eisenhower administration Danielle and her siblings were kidnapped and ultimately smuggled out of the country Growing up Rich knew little of this No one in his family spoke of it He didn t know why his mother struggled with emotional connection why she was so erratic so quick to anger And she in turn knew so little about him about the emotional pain he moved through as a child the physical agony from his blood disease while coming to terms with his sexuality at the dawn of the AIDS crisis For all that they could talk about books learning world events the deepest parts of themselves remained a mystery to one another a silence that the older Rich got the less he could bear It would take Rich years to piece together the turmoil that carried forward from his grandfather to his mother to him and then to bring that story to light In Talk to Me he doesn t just paint the portrait of his family but a bold pugnacious portrait of America of the human cost of the country s hostilities abroad the experience of migrants on these shores and how the indelible ties of family endure through triumph and loss from generation to generation
